**FOR ALL SIGNS:** This is a time of major changes as both Mercury and the Sun move into sexy Scorpio this weekend. Meanwhile, the Moon is in Pisces Saturday and Sunday, in Aries Monday and Tuesday, and in Taurus Wednesday and Thursday with the Full Moon occurring Wednesday, October 26 at 5:30pm.

**SCORPIO** (October 24 - November 22): Wednesday's full moon is a caution light to not try and push one you love or just admire in business on an issue. Keep your common sense about you as your mind is used.

**SAGITTARIUS** (November 23 - December 22): Wednesday's full moon puts a caution light on your job and your health. Do not push yourself to exhaustion. The evening will be more enjoyable than the daytime for certain.

**CAPRICORN** (December 23 - January 19): Wednesday's full moon puts a spotlight on marriage, partnerships, and romance. Any loose knit ties can be nailed down and the social whirl should be most exciting. Enjoy it.

**AQUARIUS** (January 20 - February 19): Wednesday's full moon may find you having a different opinion with someone you like. But, the one who loves you truly will give you the backup to hold fast in what you know is right.

**PISCES** (February 20 - March 20): Wednesday's full moon will give a need to talk of money and possessions which are jointly held with a partner. You have been through this before so push your common sense onto the other as you are right.

**ARIES** (March 21 - April 20): Wednesday's full moon puts a caution light on guarding against impulsive pushiness with partnerships. Your mouthy words could cause undue strain when tact would be best.

**TAURUS** (April 21 - May 20): Wednesday's full moon begins on a favorable note. But as the day wears on things fall apart and this can cause a strain on love, partnerships, marriage, and business. Beware.

**GEMINI** (May 21 - June 21): Wednesday's full moon is a green light for your money. However, when it comes to other people's money, stay clear and uninvolved. It can be an annoying mid week.

**CANCER** (June 22 - July 23): Wednesday's full moon will affect your sign more favorably than any other.

While others around you are having troubles, your life and personality remain warm & calm. Good!

**LEO** (July 24 - August 23): Wednesday's full moon puts an emphasis on two areas. Your job comes under some sidestepping of the issues. Your home life has its problems which smooth out by Thursday evening.

**VIRGO** (August 24 - September 23): Wednesday's full moon gives you a chance to see the big picture about some affair that has annoying petty detailed problems. See what's wrong and let the force be with you in a future change.

**LIBRA** (September 24 - October 23): Wednesday's full moon means that you should keep it a secret and not tell even a close friend as these problems will blow away on their own planetary accord without you giving any added substance to them.

## Life With Vera

by John Gardner

Vera's '54 Packard convertible, the "barge de Cleopatra" as it was known, sped through the darkness on Westheimer. Clanking and groaning in a most un-royal fashion, but speeding nevertheless. As was Vera. But Vera's excited tizzy was understandable. That's just how people react when visions of marijuana plants dance in their heads. The thrill of the Big Score.

The gaudy neon lights along the route cast bizarre tints and shadows upon the life-size bust of Joan Crawford on the hood of the car. The "In Memorium" hood ornament seemed almost alive, turning different colors as it hurtled through the darkness. Green for jealousy. Blue for sadness. Red for anger. You'd have sworn the old girl was still kickin'.

Past Shepherd. Past Kirby. Past Galleria. Past Fondren. Past the city limits. Past nine o'clock. And past houses and farms until past midnight.

"Are you sure you know where you're going?" Burt asked.

"Take it from me, honey," Vera reassured, "when it comes to marijuana- I know where I'm going."

"But how much longer do we have to go? I'm getting tired."

"Oh, hush! It's just a few more miles down...there it is! There it is!"

"What? What?"

"Right there!" Vera exclaimed, bringing the car to a stop on the side of the road. "Do you see it?"

"What? I don't see any marijuana plants."

"Not that. The yellow chiffon. See that piece of yellow chiffon snagged on the barbed wire fence?"

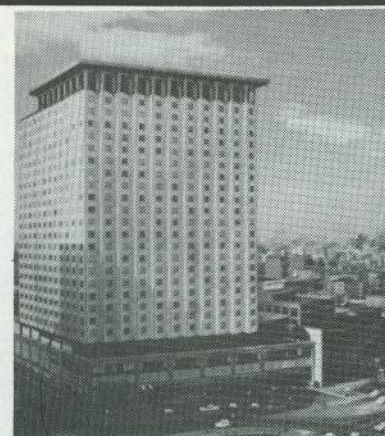

"Yeah. What about it?"

"This is the place. On the other side of the fence, in the middle of all those trees, there's a whole field of marijuana plants!"

"How do you know?"

"I've seen it. That piece of yellow chiffon is mine."

"And there really are marijuana

plants?"

"I should hope so. I'd hate to think I ruined my best yellow party dress for nothing."

"What were you doing out here?"

"When I left Ken's party last Tuesday night, I guess I'd had a little too much to drink. I made a left turn when I should have made a right. And instead of ending up at House of Pies, I ended up right here."

"I've never known you to get that drunk before."

"People do strange things when they run out of marijuana."

"But how did you tear your dress on the fence?"

"You think it's easy getting a hoop skirt over a barbed wire fence?"

"You climbed over the fence?"

"I said I was a little tipsy. I was trying to order a piece of Coconut Custard from that big shrub over there. Now get out of the car and let's get moving. We've got a crop to harvest."

Vera grabbed two large trash bags out of the back seat and the dynamic duo began their trek through the woods. They soon arrived at a large, open area. Just as Vera had promised.

"TAA-DAAAAAAAAAA!" Vera exclaimed. "Marijuana plants for as far as the eye can see. Even bloodshot eyes."

"Oh, God. I don't believe it." Burt muttered incredulously.

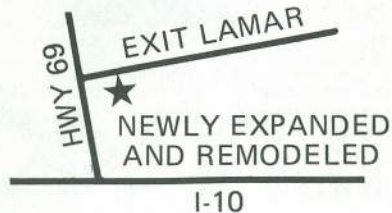

"Believe, honey, believe. 'God made the grass and it was good.' That's out of the Bible, you know."

"Are you sure all those are marijuana plants? They're so small."

"Bitch, bitch, bitch. The whole town is drying up because of the Marijuana Famine of '77, and you're bitching because of the size of my plants. Really, Burt."

"I just wish they were a little bigger, so their features would be more defined. I'm not sure these are marijuana plants."

"Oh, great!" Vera exclaimed. "First you bitch because they're not big enough. Now you bitch because their features aren't more defined. I tell you what. Let's just pick these critters now, and when we get back to town I'll take'em to a plastic surgeon. Defined features, indeed."

"Don't get sarcastic. Just trying to look

out after our best interests. I'd hate to go through all this and end up with a baggie full of poison sumac."

"Poison sumac! Don't be silly. I know marijuana when I see it. I wasn't born yesterday, you know."

"There's no denying that," Burt agreed.

"Well!" Vera huffed. "Huss your sarcastic mouth, Prissy, and start pullin' these weeds."

"Okay, okay. Give me a bag."

"Besides, I know the Lord is on our side. Look at that full moon. A marijuana pickers dream. It's terrible when you have to pick the plants on a completely dark night. I once ended up with a trash bag full of bluebonnets and insect parts."

"I wish it were darker. I have this terrible feeling that we're being watched."

"Just keep pickin!"  
"I'm serious. I have this sixth sense about knowing when I'm being watched."

"It must be a sixth sense. You don't have any traces of the other five. Now keep pickin!"

"You can get tacky if you want to, but I know when there are strange eyes peering at me."

"So what if there are! Rabbits, squirrels, and grasshoppers don't talk. Let'em see all they want."

"But what if it's the police?"

"Then smile. But keep pickin!"

"What if this is all a trap. A setup. They know there are marijuana plants growing out here."

"Stop it! You're getting on my nerves. I promise you that these are marijuana plants. I promise you that nobody knows we're here. I promise you that we'll be safely back in town in about an hour. I promise you all that. So calm down. Where's your faith? What could possibly go wrong?"

**LITTLE THINGS**

Club Houston's astonishing success is due, we believe, to our putting as much into little things as into big things.

For instance, we offer (1) discount cards (\$40 in admission for \$25), (2) Free admission to members wearing CBC T-shirts on Monday nights, (3) Free admission when purchasing a discount card on Tuesday nights, (4) 2 for the price of 1 on Wednesday nights, and (5) a 99¢ Fun in the Sun special everyday.

We could run Club Houston well enough without such "little things" but well enough isn't good enough. We want to be the best.
