Hey, Everybody!

Initially, please let me express the thanks and appreciation of each and every member of our staff for the wonderfully warm “Welcome Back!” that we’ve received from so many of our readers and advertisers. Such words of support and encouragement make what we do a real pleasure, and we couldn’t do what we do without each and every one of you.

Now, for this week’s magazine:

For those of you that can’t get enough of Brooke Hogan and her adorable roommate, Glenn, you’ll be pleased to know that VH1 is bringing Brooke Knows Best back for a second season, beginning in May. The season promises to really evocative, especially because it will follow Glenn’s return to his hometown – where no one knew he was gay before the series started last year. Talk about pathos! We love Glenn, and we’re delighted that he was available for our cover this week.

We’re also delighted with our friends at Ginch Gonch, who keep sending us all these really HAWT pictures of beautiful men in their underwear. GG just loves to entice its fans with new styles and – more importantly – new models that keep them at the forefront of the men’s intimate apparel industry and we, naturally, are more than happy to do what we can to support their efforts...if not the models themselves. Oh, to come back in the next lifetime as a cotton-Lycra blend!

And, of course, we’ve got our regular blend of fab features and coherent columns that so warm the cockles of your hearts and other organs....from Best Bets, Groovelines and Tea to Scopes and Ask the Man – with a healthy dose of flesh, to boot – we’ve got just about everything you’d ever need to while away the minutes while you’re sipping your favorite refreshing adult beverage or attending to other pressing matters. So, enjoy!

Until next week...we’re This Week in Texas!

GROOVELINES

DJ CHRIS ALLEN

Howdy disco citizens! It's time for your weekly dose of Groovelines – your source for what's hot and hip in the land of electronic dance music and beyond.

Over at Masterbeat.com, hot for digital download and just waiting to suck on your bandwidth, are the new mixes for *Beautiful* by Akon featuring Colby O'Donis and Kardinal Offishall. This slammin' new single is from Akon's 2008 full length album *Freedom*. There are 8 mixes total for this track – my fave once again being the Mike Rizzo Funk Generation Club Mix. That Mike Rizzo has been on fire lately, and so is this single. Been hearing it all over the place – the clubs, the bar, the pubs, the radio, the gym, the bookstore, the bath house, and even at the disco Kroger on Montrose. Akon's *Beautiful* be blowing up, ya'll! Remixer Tracy Young gives it the proper circuit treatment with her remarkable 8 minute Monster Club Mix, whilst the Sted E & Hybrid Heights Club Mix & Club Dub offer a more progressive later night appeal. Trust, that dub is

deep. Regardless of your favorite flavor, Akon's *Beautiful* is a true 5 star release and definitely my pick of the week. Be sure to also take a good listen to dance music now available at Masterbeat from V Factory, Kristine W, Cher, Tiesto, PCD, Wild Jaam, Beyonce, Kelly Clarkson, David Archuleta, & Lindsay Lohan. All that and more this week online at Masterbeat.com.

Over at Perfectbeat.com, be sure to check out the latest CD single from the always fierce Miami-based dance artist Michael M. I am talkin' about *Dear Diary / The Beat - Revisited*. Michael M has always gotten radio and dance floor play in Texas, be it for the str8z or the gays. He seems to be able to cross over between the scenes without any problem, appealing to a much broader audi-

ence than many other dance artists. This package is awesome. Two of Michael M's biggest hits together on one disc. And the newer mixes kick effen ass too. Nice twists. Even if you already have the classic Da Freeks mixes, this release is a must have. Diggin' those Guido mixes but duh, G can do no wrong. I like it! Buy this record. Also available from Michael M at Perfectbeat are the 2009 mixes for *Let Ya Have It* and *Motivation*. Both are available as a download or a hard copy. For more 411 on all things Michael M, and to check out the award winning video for *Dear Diary*, head on over to myspace.com/therealmichaelm.

Also at Perfectbeat, the Pet Shop Boys are back with 2 new CD singles for their latest song *Love Etc.* There's one for the fans and one for the floor. *Love, Etc* is a beautifully written pop song. Their new album, *Yes*, is being compared to the 90's PSB classic *Very*. The 2 track fan CD features it in its original form and the bonus "b-

side" *Gin & Jag*. Gotta say, luv the remix CD! This disc is multi-flavored, a lil something for everyone. Totally diggin' the work from Kurd Maverick - both on his main mix and his dub. Relentless pumpin' NRG. Killer synth riffs. Great beats. Good stuff. Of course the 6 minute, 17 second PSB mix is truly the sparkling diamond of this single. The dance floor will tell the final story for *Love Etc.* - the first single from the new album, *Yes*, due out April 21st. You can find more info about the Pet Shop Boys on the web at petshopboys.co.uk. Another very cute must-have is the 2 track import single from Figma featuring the KLAAS Radio Mix of the hit *Memory* and the very popular Inpet-to Edit of the classic *Toca's Miracle*. You too can order any or all of these fabulous releases online today at Perfectbeat.com - your perfect source for those queer-friendly beats.

You can hear me play these hits and more every week at South Beach & Meteor in Houston and at Halo in Bryan/College Station. Tune into Hypersonic Radio every Saturday night at 10 on 101X in Austin or streaming on the web at 101x.com. Hypersonic Radio is central Texas's hottest electronic dance music mix show hosted by Jason Jenkins, Jackie'Oh, Toddy B, & me - Chris Allen. For more info head over to djchrisallen.com. Deep in the heart of Texas, that is the Goovelines for now. You know the golden rule boys and girls - play it loud and disturb the neighbors!

Remember, life might not always be the party you had hoped for, but while you're here you might as well dance.

Gayest Ever

Shamelessly exploiting the gayest shyt ever!

I was visiting one of my favorite blogs the other day (eMackinations, which will be featured in an upcoming column,) and decided – because it was a really slow day – to visit some of the sites that Mack recommends in his huge, really big list of gay blogs.

The name alone – Gayest Ever – piqued my interest, and within seconds I was magically transported to a site that is one part homo-history and two parts homo-pop all mixed together with a healthy dose of pure, camphorated camp.

Penned by such pop junkies as Gaylord Fierceness, Liza's Tampon, Princess Rainbow and Zac Jonas Beckham, Gayest Ever seeks to be the self-deprecating kind of site that not only provides its readers with a peek at our collective gay story, doing it with just the right amount of humor to get us through our days, but also suggests that it might be time to get rid of all the angst and self-flagellation that we enact on ourselves and just try to have a good time – the hell with what the frackin' conservative politicians and their minions do to us.

I mean, any collective – such as the GLBT community – that possesses an archive of such literary masterpieces as Mr. Fancy-Panties (“He Was the Dainty Darling of the Dorm!”) probably shouldn't take itself too seriously. Never mind the shocker Locker-Room Lovers, in which the two heroes were both Teammates AND Shame-mates! I am not making this stuff up – these are actual adult, Late-Hour Library Book/Leisure Book novels that those of us that were alive back in the 60's and 70's used to buy (for the bargain-basement price of just ninety-five cents) in the adult bookstores and truck stops that were such hubbubs of activity for the not-quite-ready-to-leave-the-closet set. And, they're featured in a series of updates entitled Sexy Vintage Gayest Ever Pulp Covers.

“They have a magic wand way of reducing everything to its essential queer core.”

- Poptography

So much for the history lesson....

It isn't just items of historical interest that provide the fodder for this zany group's microscopic and fey-focused view of the world, however, for just about anything can be gayed-up, in their minds, for maximum satirical pleasure.

There is, for example, the Gayest Blue Duck Ever, featuring an anatomically-correct not-so-little drake for your bath-time pleasure; the Targay-peddled Matrioshkas gymnast series of Russian nesting dolls, appropriately classified as the Gayest Russian Nesting Dolls Ever; the revelation of the Gayest Man on the Discovery Channel Ever, namely Jack Nodar, who is an openly gay 30 year-old horse trainer featured in the upcoming Discovery Channel reality show, Out of the Wild; and the Gayest Shadows Ever title-holder, which – when the sun is just right – appears as a row of male genitalia as old Sol shines through the concrete blocks of a balustrade in a major metropolitan area.

It's sort of like an old drag queen friend of mine used to always tell me: Everything in the world is one of two things – a coffee table or a pair of earrings. Like that old lush, Gayest Ever believes that everything in the world is as gay as an Easter bonnet, and after viewing some of their entries I would have to say that I agree with them.

Bookmark? Err...uh...well, maybe. I mean it's a campy site, don't get me wrong...I'm just not sure how o

Loadability? Slowest Ever.

Linkage: To the gayest sites...ever.

This little corner of the world wide web just makes me laugh.

Not the kind of chortles reserved for a three-in-the-morning, weed-wacked slapstick movie-viewing kind of thing... just for the little grins and phftts that escape me when something is so inane or trite or just plain stupid that I have to react somehow. It's a site that you have to truly explore because,

in addition to the primary, if irregular, updates, there are hyperlinks encoded throughout the space that take you, if clicked, to even greater hyperbolic happenings that celebrate all things lavender and make you want to salute the rainbow flag while crooning Somewhere Over the Rainbow. From its moderate listing of other Gayest Ever sites to its archive of totally spot-on commentary about the state of the world around us, GE is truly a blog worth visiting at least once.

It's worth at least one or two phftts....

This Week's Scopes

Aries Famous Birthdays: Mariah Carey, Lucy Lawless, Celine Dion, Ewan McGregor, Randy Orton, Emmylou Harris

Aries March 21 - April 19

Keep your wits about you and don't let things get out of control today. The peculiar differences in pricing from one store to another angers you. There is little gratitude coming your way even though much is asked of you. You'll have to work out your differences with a loved one. Is your vehicle running well? Now's a good time to check. Capricorn figures prominently in the day's activities. The Number 2 is a winner.

Taurus April 20 - May 20

Friends and relatives look to you for guidance. Look for the hints you need to move forward in your local newspaper. You may want to bend the ear of a loved one tonight. You should be holding your own on the money front. A difficult subject will create new problems for you. Cancer proves to be helpful on a project. Pick the Number 31, it's a winner.

Gemini May 21 - June 20

Express your natural warmth and generosity. Realize that what seems to be defeat is only a temporary delay. Speak with loved ones by phone, especially if they have been under stress. The friend of a friend can suddenly become very important to you. Another Gemini is involved with your plans tonight. Your best bet is on the Number 4.

Cancer June 21 - July 22

It's a fine time to organize and plan a more realistic budget. Pay close attention to a dream a stranger tells you about. Be tactful with touchy loved ones. Clowning around at work spells trouble later in the day. Don't let things get you down today. Put your trust in Aries. Take a chance on the Number 14 to win.

Leo July 23 - August 22

Romantic overtures and interludes are favored tonight. A loved one could be trying to tell you something that you'll be happy to hear. Stick to a definite course that others can understand. Your wishes will come true and your popularity increases today. A study partner may cause problems for you. Communications may be somewhat stressful with co workers. Invite appreciative Aquarius types into your home. Cash in on the Number 20.

Virgo August 23 - September 22

Somebody may be clamoring for a greater sense of togetherness with you. What begins as a mild flirtation could be transformed into something significant. Your psychic abilities will be at their greatest. Grab the opportunities as soon as you spot them out. Mysteries are solved with the help of a friend. Pisces is helpful with decisions. Play the Number 23 to win.

Libra September 23 - October 22

Aggression won't get you in trouble if you are sure of the facts. It's a good time to take care of those long range jobs you've had on the back burner for awhile. Watch out for nasty rumors, they may be untrue, but your friends could believe them. You'll make a fresh start on a current project and also realize that your own contributions are worth plenty. Check your plans out with Gemini. Today's lucky Number is 6.

Scorpio October 23 - November 21

Let your mind go wild, you've got the right touch. Seek the shoulder of a loved one to cry on tonight. Stay away from fatty foods. There should be a good meeting of the minds where you will learn much. You'll have a strong interest in what is hidden or in the occult. Virgo gives the nod of approval. Cash in on the Number 7 to win.

Sagittarius November 22 - December 21

Keeping a loved one happy is featured. Get your ideas and arguments on paper, so you won't forget them. They should come in handy later in the week. Now is the time to rebuild a recent relationship. Today will prove to be uneventful. You'll finish an on going project on this fine working day. Consult with Taurus in the evening. Play the Number 9 to win.

Capricorn December 22 - January 19

Sharing a meal with a stranger will generate a new long lasting friendship. Although strings may be attached in a new deal, it shouldn't slow you down. Look to yourself for the answers you ask others about. Your love life will be at an even keel today. Uranus in Virgo signifies that you will have a great day. Cancer may have some important answers. The Number 3 is a winner.

Aquarius January 20 - February 18

Push your financial and business opportunities hard. Study, learn and ask questions. Ask questions if you aren't sure what your partner has in the back of their mind. Don't fight your feelings, they are trying to tell you something. You don't have to go along with anything you don't want to. Capricorn gives the nod of approval. The Number 18 is a winner.

Pisces February 19 - March 20

Pisces's ruler, Neptune, suggests caution is to be taken in physical activities. Resist the temptation of putting your stronger opinion on the line with a loved one. This is an educational day, even if you occupy a rocker. Call your competition's bluff, it will pay off. Double check your work, you may have done something wrong. Sagittarius comes front and center to help. The Number 13 is a winner.

ASK THE MAN

Dear Man:

I love sex! What can I say? I'm a pig when it comes to sex. The thrill that I get from having sex with a stranger or someone I know is so exhilarating to me. I am a total top and can't get enough of enjoying myself with a partner or multiple partners. Now my question is, do I have a problem or can I just continue on the path that I have been doing for so long? I always practice safe sex and am HIV Negative.

Crazy for Sex in Corpus.

Sex Crazy. When can we meet? Many of us are sex crazy but won't admit it. Many times, when we do admit it to either friends or family, the first thing that comes to mind is are you practicing safe sex? Well bravo for you for doing so. I personally don't think you have a problem. I just say, live your life accordingly and use your own best judgment. I can't tell you to stop doing what you are doing. You seem to know the risks involved and are well aware of them. Just make

“... I think I like women.”

sure you take care of yourself and the other person and or persons involved in your sexual activities. Stay true to yourself. If you were not meant to be the sex-crazed person you are, you would not be. You would change if you chose to but this is, after all, your life.

Dear Man:

I think I like women. I am recently divorced after a marriage of 6 years to a wonderful man. The problem was with me and not him or our marriage. We had no children. He and I are the best of friends still, all things considered. I think I have always known I was attracted to women. I don't know where to start looking for a female lover much less how I actually would react if I did have relations with a lady. How do you approach them and tell them you are interested in a relationship or sex? By the way, I'm 29 and ready to jump in head first.

Sandy in San Antonio

Sandy. You say you were married to a wonderful man and had a wonderful marriage. How long have you had feelings for women? Does he know? I'm sure there may have been signals to him that you felt this way. If he does know and you have not discussed this with him, you are one lucky lady. Approaching someone for sex is never easy, whether straight, bi or gay. The rules are basically the same for all. Some people are very aggressive while some are passive. Have you gone to a lesbian bar yet? You may want to start off slow and go to one in San Antonio and just see how the ladies there are. Take your time and everything will fall into place. Good luck on your newfound status as a lesbian.

Want your questions answered honestly? Email me at MRTWTMAN@AOL.COM and I will be more than ready to give you what you want. Don't want to hear the truth? Move on and just enjoy the letters sent to me. Happy Reading! And, until next issue....Play Safe!

BACK TO LIFE BACK TO REALITY

Choreographer Glenn Douglas Packard got what he's always wanted - to become a star...

Glenn Douglas Packard + Brooke Knows Best: Season 2

by Mikey Knipp

as Brooke Hogan's best friend on the first season of VH1's hit show Brooke Knows Best. But as the novelty of newfound fame wears thin, the self-proclaimed "sarcastic, adventurous, happy, gay best friend" must face reality – both on and off screen.

Packard, 30, who revealed his homosexuality when BKB premiered last year, will

return to his roots in season two to confront his past and the people he loves. "We actually go to my hometown in Clare, Michigan, and tackle what life is like after I have come out to the world, and how my family and small town are dealing with all of it. It's a milestone in my life – that moment when I had all my worlds come together: my family, my personal life and my work," he says.

Prohibited from leaking too many details of season two, Packard is able to reveal the title of that particular episode – "Welcome to Michiglen" – in which reality TV and real life collide. "You see where I came from and my family life – because what a lot of people don't realize is that I had this whole other life where I was engaged to a woman and was ready to take over my family's farm business."

A departure from his days milking cows, the former farmhand also spends time in season two training for the space program. "There is an episode where we go to Cape Canaveral, and I started a little thing where I would be the next gay guy to get into space. I would definitely give Lance Bass a run for his money," Packard quips, referring to the former *NSYNC singer's famously failed bid to exit our atmosphere.

Of course, there's more to BKB: Season 2 than facing one's past and starry-eyed space odysseys. There's also a focus on the future and what it holds for Glenn, Brooke and roommate Ashley, both personally and professionally.

In addition to choreographing Brooke's new tour and music video, Packard is developing a comic book with Ashley, called "Teams of Heroes," and he's actively pitching two new reality concepts to studio executives. Perhaps the most exciting news of all, however, is that Packard has found love. A love that he promises will blossom throughout BKB's sophomore run.

"I had just gotten out of a nasty relationship, and I was ready to give up finding my dream man, my soul mate," recalls Packard. "Then in walks Daniel Miagany – just moved to Miami! So you'll get to see all that evolve into a strong, mature gay relationship."

As for the person who put Packard on the map – Brooke Hogan – well, he still knows his role with her. After all, the show is called Brooke Knows Best. Season 2 of Brooke Knows Best premieres this May on VH1.

GINCH GONCH PUTS THE HIP IN HIPPOTY HOPPITY
THIS EASTER WITH "PRETTY IN PINK" COLLECTION

Now you can put
all your eggs in one basket!

Ginch Ginch, the unapologetically sassy underwear and lounge-wear company, is putting the 'hip' in hippy hoppity this Easter with the launch of its limited-edition **Pretty in Pink** collection, featuring pink hotdogs, stars and a pink version of its popular argyle brief. Touted as "the sexiest undies you will barely wear", the **Pretty in Pink** collection will be available in major department stores, select independent retailers and online at www.GinchGinch.com beginning April 3rd, 2009 - in time for Easter.

Made from a breathable, body-conforming stretch fabric (95% cotton/5% Lycra), the pastel **Pretty in Pink** briefs are available in wieners, multiple stars, and argyle. The signature 1 1/4 inch microfiber elastic logo waistband with matching stitched trim, gives the collection a stylish, tailored look.

The **Pretty in Pink** collection will also be available as long johns.

Ginch Ginch - the title of the company comes from the Canadian slang words for underwear "ginch" and "gonch" - is heralded for its innovative and oftentimes outlandish designs. The **Pretty in Pink** collection is Ginch Ginch's first Easter-inspired collection.

"We wanted to have a little fun this Easter," explained Ginch Ginch founder and Director of Stitches and Inches Jason Sutherland, at this week's announcement. "What better way to celebrate the start of spring than with an exciting collection of sexy, playful pastel pink briefs? We want everyone to know that

Ginch Gonch is the brand to carry your eggs in this Easter..”

Ginch Gonch is the world's hottest and youngest underwear company. Born out of a vision to revitalize the underwear market, Ginch Gonch designs are outrageously fun with a dab of sexual innuendo in every style. With product lines for men, women, and even children, Ginch Gonch's luxury brand is pushing boundaries in an effort to instill their motto "Live Life Like a Kid" into every underwear drawer. Ginch Gonch has attracted the attention of buyers from all over the globe, and is a favorite of celebrities including Ashton Kutcher, Avril Lavigne, Tori Spelling, and Britney Spears.

Check out Ginch Gonch at out Texas retailers such as:

Male UWear - Houston;
Skivvies - Austin / Dallas;
Lobo - Austin; and

TEA

AUSTIN

Okay, before we go any farther, open up your gay planner to or access your iPod for next Sunday, April 5. Okay? Cool... Now, put a big red circle around it or a gazillion stars or whatever it is that you do to mark a significant event in your future life. Now, write-in Totally 80's.... Rain....10 pm. And, there ya go...you're all set. Well, you've still gotta go up in the attic or out to the storage shed and dig out your leg warmers and char-treuse head bands, but the opportunity of seeing DJ Dallas punked out will be so worth it....

A couple of doors down, our very own personnel gaydar system – which has been known to find gay fire ants in a mound along the Amazon, that's how sensitive it is – sounded every siren, lit every light and vibrated in every nook and cranny just as soon as we walked into Oilcan Harry's, and the new pointer that we just had installed practically pulled us right over to a bar station being manned so manly-like by a stupendously studly new staffer by the name of Robert. Once we quieted down all of the gadgets, we started talking to this scintillatingly sexy satyr and were almost immediately advised that, if we

wanted to see him in his underwear, we would just have to visit the club on Monday night, when he would be slinging

his cock-tails while clad in just a tasteful, yet tight, pair of boxer-briefs. Oh, our dears, we have the vapors....But, at least now you know where we'll be on Monday....

Meanwhile, over at Charlie's, we are just too-too excited to know that the club's new website will soon be up – hell, it may even be up as we speak. The site already promises a whole new look and a whole new attitude, and we are completely shivering in anticipation. Not as much as we shiver when Nacha grabs herself and suggests that we repeat our much-heralded and oft-viewed game of fog the windshield sometime real soon, but close. Trumormongers are monegering that honcho of the head variety David Green will also be sporting a new look, but that could just be a new chic chemise from Neiman's, knowing David. Unless....well, don't tell anyone, but we understand that Mr. Jenny McCall is whipping up a very revealing costume for a jungle-themed number that she has in mind...shhhhhhh – not a peep.

If the sight of a hirsute and hunky hombre in a cowboy hat and tight jeans carrying a tray of Jell-o shots doesn't make you completely gaga then you are simply not a Texan. 'Cause, in Texas, the only thing sexier than boots and jeans is flips and boardies, and sometimes you've gotta

wear long pants. At any rate, we digress...we thought of all of this because of how completely delirious our gaydar became when we were at the Spurs the other night and the devastatingly dee-lish Crail presented his perfect self to us right between the wall and the pool table and we completely lost our heads...several of them. Crail just makes you melt, what with his bedroom eyes and too-too-sensuous voice, and we were forced – forced, do you hear – to buy every shot off his tray just to cool the flames that were burning our loins and threatening to consume us.

We're hoping someone from William Morris – the romance novel division – will be calling us any time now...

DALLAS

For those of you that like your men a little beefier and a little more hirsute than what you usually see cruising the crossroads, we would like to suggest a wonderful club by the name of Dallas Eagle, right over there on Inwood and Maple, oh-so-convenient to Love Field. That's the place where the Leather Daddies and Bears and other hot hunks hang-out when they want to be manly, and it's the place where you'll find Doug and Zak and all that hair and muscle in their various states of undress. And, as if that's not enough,

you'll also find the 2009 Eagle Calendar, lensed by our very own Brett Vander and revealing the many sides of the many men of Big D. Proceeds benefit area charities, so you get the thrill of helping others by helping your-

self to a year of beary special men! Special Dallas Tea congratulations go out to the singularly sexy Jeffrey Payne, who just last month added another medallion to his growing collection by winning the title of 2009 Mr. Texas Leather. This, in addition to being Mr. Dallas Eagle 2009, elevates him to the top Daddy position in any gathering that he might be attending. Ahem.

Meanwhile, back on the Springs, the Cedar Springs Merchants Association (CSMA) has huge, really big plans for an extreme makeover of the Strip and, to facilitate the erection (tee hee) of an entry arch and a cobbled street to the famed boulevard, held a gala benefit at

the Round-up Saloon that included both a silent auction as well as a very live one in which patrons actually bid on underwear right off the models – who then took them off behind a lighted scrim.

Oh, be still our hearts. One model in particular was so aroused by all of the festivities that he could barely contain himself and was practically bursting the seams of his boxer briefs. And our very dear friends Josh and Kampur, who

were on-hand to support the event, even had to help marvy mannequin and TMC bartender Patrick off with his boots so he could relinquish the underwear that Kampur had just won. Honeys, don't think sistah hasn't hog-tied a man or two in her life. The real-girl Miss Oak Lawn was there, too, and she was kind enough to serenade some of her favorite models to help them really get into the spirit of the event – and to get out

of those pesky briefs! But the highlight of the event – to us, anyway – was the appearance of Caven Enterprises' very own Gregg Kilhoffer, who not only completely melts our butter but puts most of the models that were present to absolute shame. We can assure you that, had Mr. K been one of the models stripping off his underwear, we would have bid enough to put up both the arch and the cobblestones....well, we're just generous that way...

Greg was kind enough to pose for our Cruise Camera with Buli Café bigwigs Scott and Alan, who did offer to sell us their underwear. For the cause, naturally... And just soze ya know, there was so much activity and so many true-givers all dedicated to that cause that, as of our last report from Price Waterhouse Coopers, the Association raised over \$15,000 towards the project. Well, it was our 99 cent bid for Kampur's panties that put them over the top, you know....

If you feel like being yourself – which is a pretty darned good thing to feel like, if you ask us – then you've just gotta drop

in to Illusions, Dallas' other show bar, where their motto promises that you can do just that. Be yourself, we mean. The club is so into being ITself that it recently booked the awesome attributes

of Naked Swords' very own Steve Cruz for an exclusive Dallas appearance that

left us salivating, left Eddie completely dumbstruck and left Chanel hoping that she has enough frequent flier miles to follow Steve around for the next year or so. While we salivated, Eddie stared and Chanel was on hold with American, however, Elias and Rex each took the opportunity to get up close and personal with the hung hunk, and if we're not mistaken Rex even managed to get Steve's personal cell phone number. And Rex, of course, is now our very best friend...

HOUSTON

If you love looking at hot men in their underwear as much as we do, then you were probably one of the many people that we bumped into multiple times during the recent Male Uwear fashion show at the coolest place on Earth, South Beach. Seven luscious lugs in form-fitting and package-revealing funwear that left virtually nothing to the imagination – and definitely gave us a few ideas about what we wanted to be doing the rest of the night, let us tell you. Kara Dion and Christina Ross were their usual fun & festive selves, and our very

dear friend DJ Chris Allen never left our side the entire night – which was a good thing, since we needed something stronger than Kofi to lean on once we espied all the goods, as it were. Thanks to some really good connections, we were allowed backstage to inspect the merchandise more closely – not that ANY of those packages needed to be seen close up to be appreciated. Yesh, babies!

While we're on the subject of Male Uwear, did you know that the boffo boutique and erotic emporium boasts over a thousand Friends on their MySpace site, and that those friends include such luminaries as the devastatingly divine designer Andrew Christian and the sensationally sexy model from JDMA, Paul Vandervort? Sweeties, you can spend an entire week just viewing the MySpace pages of all of their friends – most of who look as though their entire wardrobe was bought at Male Uwear. Ain't nothin' wrong with that, 'cause it's HAWT!

Meanwhile, out in the Gay Southwest, one of our very favorite femme mimics – the lovely, talented, vivacious and vixenish Nancy Taylor – recently added a new tiara to her enormous collection by becoming the very first Miss Crystal Latina FFI, a direct preliminary to Miss Texas FFI that's going to be held

July 16-29 in Houston at...well, Crystal. Nothing like the home court advantage, doncha know. Nancy is shown in our cruizy photo just moments after she was crowned, and we just know that deep down inside she's wondering if she'll still have time to get some tacos from the truck outside. Oh, no....that was we that were wondering that. Nancy was just being glamorous, as always! Next up on the FFI pageant calendar is Miss San Antonio FFI and Miss San Antonio FFI at Large, which will be hosted by Layla Larue at Heat on Wednesday, April 1. Congratulations to Nancy Taylor for yet another well-deserved win!

Finally, one of the things that we love about the warmer temperatures is the fact that, if you're really patient and know just where to look, you're almost bound to see some hot guy running around in wet underwear. Well, you know, the sweat and all and all...BUT, if you just can't wait that long – or, if you're tired of being detained by Houston's finest because of exactly where you're looking – then you can always find satisfaction at EJ's, where the club and Roxanne Collins host a Wet Jockey Shorts contest each and every Saturday night for your viewing and, maybe, dining pleasure. Roxanne carries a huge, really big bucket of water to make sure that everything is as damp (ahem) as possible, and the beautiful babes that she lures out of the audience make the entire evening just about the most fun you can have with your clothes on. Our best gal pals Kourtney Van Wales and Regine Simone are front row and center each Saturday night, and have been known to add to Roxanne's deluge when the need (or whatever) arises.

SAN ANTONIO

Birthdays are just about our favorite things – especially when they're someone else's – so, when we found out that our very best gal pal, Shady Lady, was having a natalversary celebration at her home bar, Heat, we naturally dropped everything that we were doing, put on our very best frock, went through the drive-thru window at Nordstrom so we didn't arrive empty-handed and drove quickly to the North Main Strip to join in

the festivities. Looking oh-so Liz Taylor (except not in a wheelchair,) the fave femme mimic was toasted, roasted and otherwise boasted by her dear friends Layla Larue, Scott Ross, Brady and Heat honcho of the head variety, Randy, in what was – according to the birthday gal herself – one of the best birthdays that she's ever had in all her mumble-something years on the planet. We're thinking her 21st in Laredo was the other memorable one....

Speaking of memorable, that's what one particular evening at the Saint was for two other San Antonio lipstick and lashes ladies, as the enormously-talented Alexis Nicole Whitney and Sicily DeSante added new bejeweled head-dresses to their collections. That's right, sweeties, a night of pomp and pageantry resulted in Alexis being crowned the new Miss Texas Latina FFI at Large, while Sicily had the lite-sized version for Miss Texas Latina slapped on her heav-

only head. Both of the girls now qualify for the official Miss Texas FFI and Miss Texas FFI at Large pageants being held July 16-19 at Crystal in Houston. Surrounding the newly-crowned monarchs is a bevy of beautiful babes, including Miss Texas FFI at Large Chevelle Brooks and Miss Texas FFI Layla O'Hara. Congratulations to Alexis and Cecely from all of their friends at This Week's Tea!

Between birthdays and pageants, we needed someplace calm to hit and hide-out in for a while, and decided that the 2015 was definitely the place for us. Despite the crowds that pack the party palace, there's something sooooo serene about the San Pedro suds palace that soothes our savage breast, as it were. Of course, though we're soothed

and calm, our pulse still races whenever Chris is drawing his liquor gun on us, usually because we're thinking of other things we'd love for him

to draw on us. Chris is one hot hunk, honeys, and the very thought of him right now has got us all a-twitter.

Finally, we were driving down San Pedro the other day when we noticed a huge, really big truck pulled up alongside Memories II and Electric Company with a bunch of burly boys lifting and toting to beat the band. Being the inquisitive people that we are, we were forced to pull on to Laurel to find out what it was all about. Well, it seems that the beverage barn was getting a new pool table for Mimi to lie across seductively and for

the fierce femmes that form the Memories II Posse to practice busting some balls on. That Barb...always thinking of others!

Our Fileman this week is a tasty little morsel by the name of Torey that hails originally from Washington state and is now residing in Los Angeles after a lengthy stay in Dallas in pursuit of his dream of becoming the next big thing in Hollywood. An enormous fan of horror films, he has dedicated his career to that particular genre, and is now working with Clive Barker of Hellraiser fame. Hopefully, he'll get star billing soon... we always hate it when the cute ones are killed-off!
