## GROOVELINES by DJ Chris Allen

Howdy disco citizens! It's time for your weekly dose of Groovelines – your source for what's hot and hip in the land of electronic dance music and beyond.

Over at iTunes, and hot for digital download, is the brand new studio album from **Depeche Mode**, *Sounds of the Universe*. - due for release in the U.S. on April 21st. This is the band's 12th album and first in 4 years. *Sounds of the Universe* is described in the official DM press release as, "eclectic and energized. The band's new release is their most dazzling and diverse album in decades. Recorded in Santa Barbara and New York, Depeche Mode returned to using a lot of vintage gear, from analogue synthesizers to drum machines,

in order to conjure up the retro-futuristic arrangements featured on the album. Lyrically the release contains many of the group's enduring obsessions plus more overt black humor than any of their previous collections. Highlights on *Sounds of the Universe* include Martin's velvet-lined Scott Walker croon on the sensual lounge-music ballad *Jezebel*, to the sci-fi gospel-blues hymn *In Chains* and *Hole To Feed*, which marries modern electronics to a floor-shaking, bone-rattling Bo Diddley beat. As one of the most influential bands of the post-punk era, with global sales in excess of 100 million, Depeche Mode belongs to a select premiere league of super groups who have survived from the early 1980s with their ideals, creative vision and core members intact. Formed in 1981, Depeche Mode - Martin Gore, Dave Gahan and Andy 'Fletch' Fletcher - continue to win critical and commercial acclaim across the world both in the studio and on the road.

All of the band's 11 studio albums have reached the Top Ten in not only the UK and USA but 20 plus countries around the world including Canada, Germany, France, Italy, Spain, Sweden, Denmark, Switzerland, and Belgium. Additionally, since their inception Depeche Mode's live shows continue to be a must-see attraction, with the group playing to 2.8 mil-

2009

lion people across 31 countries on their last tour alone. Depeche Mode will shut down Hollywood Blvd. in L.A. for an exclusive outdoor nighttime performance to be broadcast live on ABC's *Jimmy Kimmel Live* on Thursday, April 23rd. This will be Depeche Mode's first late-night talk show performance since announcing their upcoming Tour Of The Universe which stops in Dallas and Houston in late August. The band's special performance will feature a multi-song set for the fans on the boulevard including two songs to be broadcast on Jimmy Kimmel Live, one of which will be their new single, *Wrong*. To purchase and download Depeche Mode's new album *Sounds Of The Universe* head on over to iTunes. If the collectible hard copy editions are more your thing those can be pre-ordered at Amazon.com. To find out more about the band's current tour, upcoming television appearances, and more stop by [depechemode.com](http://depechemode.com).

Also due out next Tuesday at iTunes, just waiting suck on your bandwidth, is **Yes** - the new album from British pop stars Neil Tenant and Chris Lowe, better known as the **Pet Shop Boys**. Another super group from the 80's that has survived the tests of time, their global fan base growing every passing year. This clever new compilation of classy sassy songs from the masters of elegance and design is being compared by PSB fans to the group's incredibly successful 90's album *Very*. I believe Yes is way better. It is, polished pop music at its finest. Typical for these guys, I can't recall them releasing a single lousy or displeasing album ever. My faves here on Yes include *All Over The World*, *Vulnerable*, *King Of Rome*, *Pandemonium*, & *The Way It Used To Be*. Loyal to their fan base, PSB have

Yes, Pet Shop Boys.

come up with a few different versions of Yes for you to buy. The version of Yes on iTunes contains only one bonus track (a PSB dub of the debut single *Love Etc*) but it does offer a track by track commentary by Neil & Chris. The (as usual) visually stunning video for *Love Etc* is also available for purchase at iTunes. Amazon.com has the limited edition 2 disc version with all of those bonus dub mixes on it. There is also a very expensive but incredibly fabulous hand signed version of Yes available on vinyl exclusively at the [vinyfactory.com](http://vinyfactory.com) for the hard core collectors. Ya gotta check that one out even if you can't afford to buy it. The vinyl version of Yes is a stunning piece of pop art meant to be displayed in all its beauty. To learn more about the new album Yes and all things PSB stop by [petshopboys.co.uk](http://petshopboys.co.uk).

You can hear me play these hits and more every week at South Beach & Meteor in Houston and at Halo in Bryan/College Station. On April 25th I will be djing the WET party at East Beach in Galveston. WET is a 501c event. Proceeds will directly benefit Galveston families still in need in the wake of Hurricane Ike. I will also be spinning The Majestic Party at the Paramount Theater in Austin on June 5th. Don't forget to tune into Hypersonic Radio every Saturday night at 10 on 101X in Austin or streaming on the web at 101x.com. Hypersonic Radio is central Texas's hottest electronic dance music mix show hosted by Jason Jenkins, Jackie'Oh, Toddy B, & me - Chris Allen. For more info head over to [djchrisallen.com](http://djchrisallen.com). Deep in the heart of Texas, that is the Groovelines for now. You know the golden rule boys and girls - play it loud and disturb the neighbors!

**Remember, life might not always be the party you had hoped for, but while you're here you might as well dance.**

## Lady Clover Honey's Blog

Documenting the busy, glamorous life of a NYC Drag Diva.

It's Fiesta time in San Antonio, and my natural instinct was to document the on-line presence of someone from the GLBT community in the Alamo City or, at the very least, find a humorous little something that in some way related to what's going on throughout SA in the week ahead. Surprisingly, there's nothing...nada. Maybe people are too busy hanging their piñatas.

But, because it's Fiesta, I still wanted to provide you all with the evidence of an interlook that features a large, barge-like, brightly festooned parade entrant that was a little bit caliente, a lotta gay and a whole cornucopia of camp. And then I found Lady Clover Honey!

For the one or two of you that my editor always refers to that may not have even a clue just who in the hell is Lady Clover Honey, to both of you I say that LCH is a Manhattan-based television personality, transgendered socialite, drag diva entertainer and stand-up comedienne with a busy, zestful social calendar. I know this is true because that's what the Lady says she is in her

**Blogography.** She further shares with us that her name, Lady Clover Honey, loosely-translated means "Lady with Abundance of Sweetness." Okaaaaayyyyy....

The purpose of her blog is to document and share her varied and unique experiences as a Lady, which include television production, movie sets, live performances on grand stages to funky downtown haunts, comedy clubs

and cabaret rooms – plus the socials, balls, premieres and parties that are the hallmark of a true socialite. And I gotta give it to the old gal, she's about as ubiquitous on the New York gay party circuit as cotton candy at a carnival – and she looks about the same as it, too.

Name a New York City event, and Honey is there, bedecked in the latest freak frock and cozing up to congresswomen, on-camera personalities and behind-the-scenes gaffers and best boys, models and hugely-endowed boy toys that simply make Madonna's most recent ex, Jesus, look malnourished. She is, in a word, a fixture.

Part of the appeal of Lady Clover Honey's corner of the 'net is the simple fact that she's so full of herself that it comes across as the best of satire. "It was time for my fabulous hosting and number-calling for Center Bingo" is declared in one entry, while in another Honey kvells how "much fun (it was) to add a little of my special kind of glitz and glamour to" some famous party or another. She really believes this shyt. And that's what makes it such a camp.

All in all, Lady Clover Honey may not have been my first choice for the Fiesta edition of TWT, but one look will tell you that her blog is as vibrant and showy as the Battle of Flowers Parade and as hilarious as Cornyation – which makes her the perfect subject of this column.

**You go, abundantly sweet lady!**

**Work-safe?** Yeah. In fact, I wouldn't be surprised if your co-workers all huddled around your monitor whenever you access the site. It's kind of like a car wreck...you just can't NOT look.

**Bookmark?** Nah. It's a hoot, but you probably won't want to look at it to often...kind of like that car wreck.

**Loadability?** Wellllllllll...sister is getting on in years.

**Linkage:** Just to herself. Well, she is a glamorous Drag Diva.

## Aries/Taurus Famous Birthdays:

Victoria Beckham, America Ferrera, Luis Miguel, Carmen Electra, Robert Smith, Valerie Bertinelli

### Aries (March 21-April 19)

Keep your wits about you and don't let things get out of control. Today is a good day to set your mind straight and finishing a recreational project you have been working on. Consider the wishes of a partner before making any decisions. Mercury in your own sign signifies trouble with a mate or companion. You are ruled by Mars. Check with Cancer before proceeding. Count on the Number 15, it's a winner.

### Taurus (April 29-May 20)

Your chances for success could not be better. Someone new will spot you out of a crowd and it will be the beginning of a new friendship. Fun and games are featured tonight. Mysteries you have been working on may be solved. You will find that spending more time with a loved one will be very satisfying. Your ruling planet is Venus. Put your trust in Aquarius. Your hot Number for today is 7.

### Gemini (May 21-June 20)

You'll get an exciting last minute invitation. Great leaps forward are foreseen in life, in career, in your love department and financial matters. Put your trust in your intuition and learn by teaching others what they have been lacking in knowledge of. You will find that spending more time with a loved one will be very satisfying. Mercury rules you. Sagittarius proves to be very dependable. Today's lucky Number is 21.

### Cancer (June 21-July 22)

Find a quiet spot to relax to get things straightened out in your mind. Put your enthusiasm to work and go after something you have always wanted. You may have been the one at fault in a recent feud with a loved one. All usual and familiar matters are speeded up. You could be more accident prone than usual. You are ruled by the Moon. Consult with Taurus in the evening. Take a chance on the Number 4, it's a winner.

### Leo (July 23-August 22)

Speak firmly and to the point with those you deal with daily. There is opposition from co workers that momentarily puzzles you. This is an educational day, even if you occupy a rocker. It will be up to you how you want to follow through on a relationship with someone new. The more articulate get the prizes at this time. Ruled by the Sun. Libra plays a key role in your life today. Your best bet is the Number 2.

### Virgo (August 23-September 22)

It will be up to you how you want to follow through on a relationship with someone new. You can advance your beliefs under prevailing aspects. Aim for the prizes that life is ready to distribute. Don't let personal affairs get in the way of doing business. Don't let someone teasing you get in the way of your school work. Mercury is your ruling planet. Another Virgo will see both sides of the picture. Take a chance on the Number 6.

### Libra (September 23-October 22)

Family objections can multiply and come through your frame of reference as limiting. Pesky doubts about your current relationship with a member of the opposite sex may trouble you. Your deliberate actions may be covered up in one way or another. A relative will make an intelligent concession. You are ruled by Venus. Check your plans out with Capricorn. Count on the Number 9, it's a winner.

### Scorpio (October 23-November 21)

Someone new will spot you out of a crowd and it will be the beginning of a new friendship. A new idea should bring you some extra cash if you are clever at promoting it. All conditions are go! Conscience and spiritual matters are on your mind. Keeping a loved one happy is featured. Your ruling planet is Pluto. Virgo is in the picture. Your hot Number for today is 19.

### Sagittarius (November 22-December 21)

You should be holding your own on the money front. Rumors about a loved one may cause undo concern. Keep in mind that life has a lot more to offer than just what you want. An older Taurus of the opposite sex does care and will show it. Double check your work, you may have done something wrong. You are ruled by Jupiter. Gemini proves to be very dependable. Take a chance on the Number 22.

### Capricorn (December 22-January 19)

It's a good time for communication, love and expressing your personality. New discoveries will give you great insight to a past problem. You and your loved one shall find a new similarity. Give yourself time to think things out completely. Take a chance on financial dealings. You are ruled by Saturn. Leo is helpful with decisions. The Number 15 is a winner.

### Aquarius (January 20-February 18)

You'll overcome the odds and come through a winner. Communication with the opposite sex becomes more dramatic. Expect an unknown treat to arrive. Question anything that baffles or mystifies you. A bad report at work is signified by The Moon in the house of Scorpio. Your ruling planet is Uranus. Gemini has some say in today's scenario. Today's lucky Number for you is 36.

### Pisces (February 19-March 20)

There are many questions asked but few answers given. There should be some extra money coming your way that should sweeten everyone's temper. You will be in the spotlight today with friends. All conditions are go! Make love while you have everything going for you in that department. Your ruling planet is Neptune. Aquarius plays a key role in today's activities. Count on the Number 11.

## ASK THE MAN

Dear Man:

I get to read all about you online. Where I live, Las Vegas, we don't get your publication. A buddy of mine went to Dallas, found your magazine and brought it back with him. Now here is my situation. I'm bi-sexual. I have a girlfriend but love to top twinks - the younger the better. Now I love to bottom also, but only for masculine males. I've been doing this for some time now, over 2 years. At first I kept it a secret from my girlfriend, but recently I was laid off from my company. Well now I have turned to escorting. Also my girlfriend and I have done Amateur Porn to make money. Well we went out with a couple recently and the husband wanted to suck my dick. My girlfriend said to go ahead. I was surprised, to say the least, so I let him. Well my girlfriend and the wife went at it, and I ended up banging the husband. I am considering getting into gay porn. I hear that many of the performers are straight or bi. How do I go about finding a company to work for? Loves to top and bottom in Vegas  
Vegas

**“...I kept it a secret...”**

*You can go to any Porn site. They all have information for people interested in being in porn. Send in your photos, face pic, body and of course a full frontal and backside. Make sure you are erect in your photo. They will contact you and meet with you. Be prepared to work with many different types. Money is money, honey. Just stay safe. You don't want to end up giving your girlfriend something that she and you will regret later in life. Also, once you do this, there is no turning back. Send me your pics by the way. I will tell you if I think you have what it takes.*

Dear Man:

My partner and I want to have a civil ceremony. Our families and all our friends stand behind us and support us completely. We even have someone willing to perform the ceremony for us. The only problem is, being that we live in Texas, it is not recognized. We've considered going to another State but then know when we return, it won't be legal. Any ideas? Feeling helpless in Houston.  
Helpless

*Although, even in 2009, many states don't recognize same-sex marriage or civil unions, I say have your ceremony and make it the most beautiful thing you can do. Go all out. Register at your local retailer, if they are willing to do so. Make the most of it. It's very unfortunate that we live in a country as rich as ours, yet there are still many battles ahead for the GLBT community. Times are slowly changing for us, but it is going to be a joint effort on our part. Many people within our own community battle each other and this is part of the reason why we don't have the laws in our favor. Maybe if we stopped hating on each other and learned how to work with each other, we would end up with more people on our side and in support of such things as same-sex marriages. I say turn lemons into lemonade and go forth and conquer. Don't forget to send me an invitation. I will be more than happy to support you and your partner. I stand behind you and your family and friends 1000%. Many blessings to you and yours.*

# WET

## GALVESTON

***Big news, Texans! Angela Snell and her partner Laura Villagran are hosting their second annual WET Galveston event next weekend on April 25, 2009 - an event that has not only been historically exciting and successful but which, this year, aims to heal the wounds Galveston Island suffered as the result of the devastation wrought by Hurricane Ike in September last year. And they're getting a tidal wave of support from businesses across Texas that want to help with their efforts.***

Snell and Villagran are a two-person team of go-getters that are dedicated to Galveston, and are committed to making it a GLBT hotspot akin to such noteworthy meccas as Palm Springs and Key West. Through their businesses and in every daily interaction, Galveston is paramount in their minds. And, mind-boggling as it might seem, it all began just a little more than a year ago.

In January 2008 Laura and Angela hosted the official grand opening for the Galveston GLBT visitor and community center in the Strand Historic District. The Gay Islander Visitors Center, located at 302 Rosenberg at 25th Street, is designed to serve as a comprehensive travel and lifestyle resource for the GLBT

community, and is the first of its kind in South Texas.

But then, on September 08, 2008, Hurricane Ike devastated the Center with a 10-foot surge of water in the building. The center was only one of the many businesses and homes that were lost and damaged due to Ike as thousands evacuated the Island, much of which was submerged due to the storm's tidal surge. And though reconstruction and clean-up efforts have been hard, according to Snell, "Galveston is coming back rapidly with new businesses and opportunities."

WET Galveston is a celebration of the island's re-birth, but it's also a pep rally and fundraiser for the work that still needs to be done. So, this year, WET Galveston will be raising money, not only for GLBT causes and organizations such as Galveston Pride and The AIDS Coalition of Coastal Texas, but for the City of Galveston's Ike Recovery Fund as well.

According to Angela, "Our AIDS Coalition suffered devastation to their building and food pantry. Many are in need of assistance for prescriptions and, hopefully through our efforts, we can raise a few dollars to help. We want to show all of the Galveston community how powerful our gay dollars are when a disaster strikes. We believe that our GLBT community has a strong impact in Galveston's economic recovery and growth. We are rebuilding our homes and businesses here locally with great vision in the future of our investments."

This year, Snell and Villagran are teaming up with the founders of the Osito Foundation, Rod Castle and his partner OscarVelasquez, who have pledged both moral and financial support to the event. "Rod and Oscar have been great friends to Laura and me during our recovery in Galveston," stated Snell. "Their Foundation is dedicated to helping children with HIV/AIDS, presenting Teddy bears to children all over the nation when donations are made. Their participation with us at WET this year will be a blessing! We know that there are probably a handful of children in Galveston County that need assistance. We intend to find them."

Today, the Center is being renovated, homes rebuilt and people are returning to the Texas gem know as the Oleander City. Business-owners and residents alike are viewing the devastation of Ike as a new beginning - one which will see Galveston return better than ever from the trials that it has faced. And, if Angela Snell and Laura Villagran are any indication, this new and improved city is off to a great start.

"In 2007 the Houston Chronicle named Galveston as one of the friendliest destinations on the Gulf Coast," declares Snell. "Galveston is a hot spot for the GLBT community to travel to on weekends from Houston and surrounding areas. Laura and I are proud to be residents and business owners here, and we are dedicated to the recovery of all of Galveston."

**WET Galveston takes place next Saturday, April 25, from noon to 6 pm on Galveston's East Beach. The official Kick-off Party, featuring a WET Idol contest, takes place on Friday, April 24 at the Pink Dolphin - made famous in international coverage of Hurricane Ike - while 3rd Coast Beach Bar hosts the official after WET Party on Saturday beginning at 8 pm.**

## Academy Porn's Awards, The GayVN! by Mario Maros

Hollywood and the world have the Academy Awards. For those of us into Porn, we have the GayVN's! Naked Sword is the Event Sponsor of this Magnificent Ceremony, which was held in San Francisco at the Castro Theater on March 27th to a sold out crowd. It was a who's who of the porn world that delighted the crowd. The Show had 3 Hosts, Comic Superstar Margaret Cho, Alec Mapa from ABC's "Ugly Betty" and the ever gorgeous Supermodel Janice Dickinson herself played Host's to this years 11th Annual GayVN's. But it seems like everyone was here to see if the God's would shine down on Raging Stallion Studios and it's epic "To The Last Man". Not one to disappoint, the Gods shined on Raging Stallion Studios, as it took in an unprecedented 18 GayVN's, which is a record for Raging Stallion Studios. Studio President Chris Ward was beyond himself with all the wins. "We really made fantastic movies this year and I am very proud of our entire staff and list of top A Actors." There also happened to be an after party by Raging Stallion, where over 2,000 people waited in line for hours it seemed to get in. "To The Last Man" took home 13 Awards which included top honors for Best Picture, Best Directors- Chris Ward, Ben Leon and Tony Dimarco. Best Actor nods went to RSS Exclusive Ricky Sinz and Performer of the Year went to RSS Exclusive Logan McCree, which has been won by Raging Stallion Studios for the past five out of six years. Supporting Actor winner was a tie with RSS Scott Tanner for "To The Last Man" and Trevor Knight for "Endgame" by Dirty Bird Pictures. Best Top went to Ricky Sinz from RSS and Best Newcomer was won by Jackson Wild. As far as best Bottom, it was won by hottie Brent Corrigan.

Other wins for Raging Stallion Studios were, Best Threesome- "To The Last Man" Performers Ricky Sinz, Scott Tanner and Logan McCree, Oral Scene- Jackson Wild and Ricky Sinz, Best Screenplay- Tony Dimarco for "To The Last Man". Editing, Art Direction were also won by Raging Stallion Studios "To The Last Man".

Cinematography nods went to Chris Ward, Ben Leon and Tony Dimarco. The Music Award went to JD Slater and Nekked for "To The Last Man". DVD extras and Best DVD Special Edition as well as won by Raging Stallion Studios. As far as Best Sex Scene-Duo, this award was won by real life partners Logan McCree and Vinnie D'Angelo for their lovemaking scene in "The Drifter" by Raging Stallion Studios. Now I have had the pleasure of watching this film and let me tell each and everyone of you reading this, I have not seen a more sensual yet intense love-making scene in any movie in quite a number of years. This is a must DVD for anyone to add to their collection.

Not to leave any of the other winners off the list, cutie Ralph Woods won Best Actor for a Foreign Release in Bel Ami's "French Kiss", Fetish Performer nods went to Tober Brandt, All-Sex Film went to "Breakers" by Titan Media. Titan Media also took home the Best Solo Performance by Tommy Ruckus and Jackson Wild in "Home Invasion". Best Fetish Film went to "Folsom Prison" by Titan Media and HD Feature went to "Breakers", also by Titan Media. Best Group Scene was won by Black Scorpion Video's "Sex Hiker" which featured Zack Randall, Pistol Pete, Dallas Reeves, Rocco, Zackary Pierce, Braxton Bond and Carlos Rio. Pro-Am Film went to Brent Corrigan's Summit by Dirty Bird Pictures. Best Leather Film was won by Hot House Entertainment's "Verboten 1 & 2". Foreign Release was won by Lucas Kazan Productions "Italians and Other Strangers". Best Ethnic Themed Film was won by All Worlds "Blackballed 6-Under the Hood" and Ethnic Themed Film-Latin was awarded to Falcon Studio's "Roman's Holiday". Falcon Studios also picked up the Best Classic DVD for it's release of "Best of The 70's".

Best Bear Film was awarded to Raging Stallion Studio's "Centurion Muscle 5: Maximus". Bisexual Film went to All Worlds "Shifting Gears" and Amateur Film was taken by ChaosMen Video's "Edge Series Volume 2". Dirty Bird Pictures was also the winner of Best Twink Film for "Just the Sex 1 & 2 and Best Cum Shot by Barrett Long for "XXX Amateur Hour 6". Lucas Entertainment was given awards for Best Non-Sex Performance Lady Bunny in "Brothers Reunion" and Best Packaging for "Return to Fire Island".

Colt Studios took home the Award for Best Solo Film for "Colt Minute Man 31: Hangin Out". Sex Comedy was won by Hot House Entertainment's "Paging Dr. Finger". Alternative Release was won by TLA Releasing film "Wrangler: Anatomy of an Icon". Other awards given were Site of the Year, C1R.com, Web Performer, Leo Gamiani, Amateur Site, ChaosMen Video.com, Bear Site, ButchBear.com and Twink Site, BelAmiOnline.com. I highly recommend any of the above Studios mentioned as all of them put out excellent work as witnessed by the list of all winners. You can't go wrong in watching any of these films.

Now this event always has some sort of controversy and this year's Awards was no exception. Michael Lucas from Lucas Entertainment who had to storm the stage to scold the GayVN and it's judges for awarding Brent Corrigan the Best Bottom Award. Mr. Lucas was upset that Corrigan, who was underage when he worked for Cobra Video took home an award. It seems as this show never has a quiet moment that is for certain. Now all I have to do is start packing and get ready for next years 12th Annual GayVN's. Until next year, we salute the GayVN's. Let just sit back and see what any of these Studios do to outdo what was done this year!
