Howdy, Texans!

It's the final weekend of Fiesta in San Antonio, and one of the Alamo City's hottest clubs, Heat – get it...hottest clubs....Heat....moving on – is bringing in two world-renowned DJ's to close out ten days of fun and frivolity that make SA such a happenin' place each April. Our coverman, Roland Belmares, provides the hip-swaying, groin-gyrating tunes tomorrow night that have kept the party going around the world for close to a decade, while our feature fella Seth Gold works his twelve inchers to perfection this very evening. Clubs throughout San Antonio will be laying it on thick this weekend, so hop on into your ride and make a bee-line for the River City for a party that you won't soon forget.

San Antonio's not the only town that'll be rockin' this weekend, as Galveston welcomes WET Galveston 2009 on the island's East Beach – a six-hour dance party in the sun and on the sand on Saturday that's devoted to helping the city's residents continue their recovery efforts after Hurricane Ike. There's nothing better than dancing on hot sand, and there's nothing better on the Island than being WET!

Rounding out our content this week are This Week's Best Bets, Chris Allen's Groovelines, This Week's Web, Ask the Man, a tasty edition of This Week's Porn that features my currently-favorite object of affection, Dimitri Romanov, This Week's Scopes and, of course, This Week's Tea – which returns to its regularly-scheduled format of tidbits and tales after a trial-run (read brain fart) of photos only that registered more negative comments in our suggestion box than George W used to get in his inbox. And it's all right here in a handy little handbook that'll fit right into your back pocket...or down your boots, if you don't like panty lines on your Wranglers!

Until next week...we're This Week in Texas!

GROOVELINES by DJ Chris Allen

Howdy disco citizens! It's time for your weekly dose of Groovelines – your source for what's hot and hip in the land of electronic dance music and beyond.

Over at iTunes, and hot for digital download, is the new two track single from New York club icon **Larry Tee** – *My Penis / My Pussy*. Is your iPod ready for some double penetration? If you have a conservative sense of humor this one just might fly over your head or offend you. Me, I am fine with it. This hysterically fun EP features the vocal talents of the annoyingly well-known **Perez Hilton** and “the world’s most famous transsexual” **Amanda Lapore**. And let me tell you, I use the word

“talent” hesitantly here. First up is Perez’s track – *My Penis*. Gotta say, this one pulls the giggle trigger. The original version is hilarious. The remixes take it to places one might have never imagined it going. Diggin’ the line, “My P 2 the E 2 the N to the I to the S - Suck it!” My favorite mix of *My Penis* is the Edu K Schlong Dong Silver Mix. It is relentless. A dance floor winner on its first play, a filler on its second. There is also the Tom Budiansky Remix with its dirty bass and nasty electro groove. Also, relentlessly delicious. Now let’s talk about *My Pussy*. OMFG I never thought I’d ever say that, publicly. *My Pussy* features the

one and only Amanda Lapore on vocals. I am torn between the progressive Fukkk Off mix and the late night Mom & Dad mix. Both have incredible catchy riffs and a lot of NRG. *My Pussy* is also available

on Amanda Lapore's full length album *Fierce Pussy. My Penis / My Pussy* is from Larry Tee's forthcoming album *Club Badd*. Other Larry Tee releases available on iTunes include *Licky* featuring *Princess Superstar* and *Hipster Girl* featuring **Mel Mario**. Head over to myspace.com/nylarrytee or larrytee.com to learn more.

Another great club track out on iTunes, just waiting to suck on your bandwidth, is **Body Rock** by **Oceana** on Tommy Boy's Silver Label. There are 2 remix packages available for

Body Rock. Part 1 features mixes from Luke Johnstone & Wayne G, Manny Lehman, Twisted Dee, and Nicolas & Sibley. Part 2 features mixes from Dave Aude, Tony Moran, Jamie J Sanchez, and Rafael M. And of course the slammin' Manny

Lehman dub is album only, ya can't purchase it by itself. All the mixes rock the floor right but both packages together are a tad on the pricey side totaling out at 18 bux. Oceana's *Body Rock* definitely has the potential to be a huge hit for the summer of 2009. Other noteworthy releases include newbies from The Chemical Brothers, Fischerspooner, Discobitch, F.L.G., Chin Chin, and I am totally falling in love with the new one from La Roux - *Quicksand*. All that

and more, this week on iTunes.

You can hear me play these hits and more every week at South Beach & Meteor in Houston and at Halo in Bryan/College Station.

FYI, Saturday, April 25th I will be DJing the WET party at East Beach in Galveston. Proceeds from WET will directly benefit Galveston families still in need in the wake of Hurricane Ike. This bad ass beach party, hosted by Special K from KRBE in Houston and Marsha Mellow from The Parrot, runs from noon til 6 pm. I will also be spinning The Majestic Party, a fundraiser for AGLIFF, at the Paramount Theater in Austin on June 5th following a special screening of *Priscilla, Queen of the Desert*. Don't forget to tune into Hypersonic Radio every Saturday night at 10 pm on 101X in Austin or stream it live on the web at 101x.com. Hypersonic Radio is Texas's hottest electronic dance music mix show hosted by Jason Jenkins, Jackie'Oh, Toddy B, & me - Chris Allen. For more info on all of these events and happenings head on over to djchrisallen.com.

Deep in the heart of Texas, that is the Groovelines for now. You know the golden rule boys and girls - play it loud and disturb the neighbors!

Remember, life might not always be the party you had hoped for, but while you're here you might as well dance.

This Week's WEB

Sissy Dude Vintage Love

Ya know how, when you're sitting at the 'puter at four in the morn'ing after an intense night of partying and your mind wanders and you end up clicking on hyperlink after hyperlink until you haven't got a clue where you started or where in the heck you were going, you suddenly find yourself gazing at a page full of stuff that makes you kinda ooooh and aaaahhh and sort of go wow, but just as easily makes you go "Huh?"

Well, that's what happened to me the other night, as I started trolling cyberspace in search of God only knows what and found myself at a little site called Sisy Dude that, according to its creator John Webster, "is a visual blog whirling in sexuality & mystery. All of my interests and obsessions take you on a totally transplendant journey of annoyance and self-discovery."

So, that's what that was. I thought it was just really weird.

sissydude

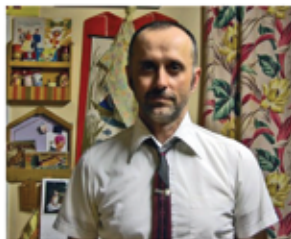

In update after update, Sissy Dude provides you with a visual cornucopia of images erotic, esoteric and completely ephemeral that will make you laugh, make you guffaw and sometimes even make you horny. It's like being inside John Webster's mind on acid, only there are no toxic side effects. I think.

Not heavy on the chatter, Sissy Dude is more of a wham bam blog, where the author feels the content of his posts speaks for itself. And that content runs the full spectrum of imagery that includes porn, songs, artists, YouTube outtakes, advertisements, classic film clips and even vintage post cards.

According to his i2i Art bio, "John has a quirky eye that, mixed with his penchant for pop culture and his years of painting

and design, gives his (work) a unique...feel." And he brings that penchant and quirkiness to his blog, creating a phantasmagorical online world of color bordering on fantasy that truly echoes the gay experience and makes one wonder why we ever let the party end.

During one recent update, for example, we're treated to an assortment of images of the author posing in his too-too-retro kitchen with expressions ranging from oblivious to comatose for no other apparent reason than that he had some room on his photo disc – this, after a posting of a Polaroid photo from the blog Popular Sizes that should definitely have left more of an impression on him.

John Webster began his online life in the guise of one Johnny Wacker with a site that the folks over at Think Pink Radio dubbed one of their "fave naughty blogs." Through several transmogrifications, we are now left with a big old sissy dude whose thoughts, feelings and ideas so easily translate into the visual art that he is noted for. As with his art, the vibrant colors, edgy sexuality and skewed humor in his blog is a true bright spot in a sometimes dull world.

Amazing what you can find at four in the morning....

Address: sissydude.blogspot.com

Work-safe? Nope. You just can't run the risk that Mr. Webster is in one of his more erotic moods.

Bookmark? Yeah...it can be a real day-brightener.

Loadability? PDQ

Linkage: A few....and those sites are almost as sick as the Dude is.

ASK THE MAN

Dear Man:

I need some advice. I'm 17 and gay. I have a boyfriend in high school. We want to go to prom together, but are being told that we can't by the school. We have even gone to the school district but they aren't being very positive about it. Any ideas on who to turn to?
Running out of time.

Time

In some cities, they have gay proms for students from all schools to attend. I know it would mean a lot for you to attend your high school prom. Have you spoken to both of your parents and seen what help they can be? Maybe if they go speak to your school or even the superintendent of the district they may be able to do something. I know this is off topic, but in San Antonio this week, a young gentleman was able to keep his hair long because of his Indian heritage when the school wanted to cut it. I know it's not the same thing, but even he was able to prevail. Best of luck and I hope you get to dance with your honey. Stay strong.

“you may pick up a woman...”

Dear Man:

I have to get this off my chest. I'm a lesbian who loves sex. I go out to the bars all the time and pick up strange women and bring them home and have sex with them. I can't help myself. I'm a nymphomaniac when it comes to sex. I've tried counseling to no avail. I just can't stop. What would you do if you were me?

Girl crazy

Girl!

There is nothing wrong with you that isn't wrong with me. I love sex myself. Can't get enough of it. Now the only difference between you and me is that I'm a gay male. I use protection all the time and you should also. Just because you are a woman does not mean you can't get any sexually transmitted diseases. Also be very careful because one of these days you may pick up a woman who may turn out to be psycho. Just take care and protect yourself. I would not want any harm to come your way.

Dear Man:

My friends think I am an alcoholic. Now I love to drink but don't think I have a problem. I party a lot but can hold my liquor. Do you think I'm an alcoholic?

Questioning

Questioning

Honey if you have to ask then, yes, you have a problem. Just because you can “control” your liquor does not mean that you don't have a problem. I have plenty of friends that tell me they don't have a drinking problem, they just like to drink. Oh please, you have a problem I think to myself. But I don't judge them. After all it is their life. Have you spoken to someone in AA about your questions? Check your local Alcoholics Anonymous organization and sit with a counselor or through a meeting and see if you meet any of the check points. I hope you don't drink and drive. I care and don't want to see anyone injure themselves or anyone else for that matter.

Want your questions answered honestly? Email me @ MRTWTMAN@AOL.COM and I will be more than ready to give you what you want. Don't want to hear the truth? Move on and just enjoy the letters sent to me. Happy Reading! And until next issue...Play Safe!

A close-up portrait of a man with a short, buzzed haircut, smiling warmly at the camera. He is wearing a light-colored, vertically striped button-down shirt. The background is a plain, light grey color.

Native Texan Roland Belmares is
One Mighty DJ

One fateful 1996 night in Austin, a young man found himself surrounded by pulsing music, flashing strobe lights, and thousands of people under the spell of that night's DJ. That young man instantly fell in love. The event was Meltdown, and the kid was Roland Belmares. He instantly knew he had to figure out a way to channel all of the amazing energy he was experiencing, and that was the night Roland Belmares decided to become a DJ.

So began Belmares' humble origins as a DJ, spinning at pool parties and minor venues in and around Austin, TX. Building a name for himself as a DJ who takes his art seriously, whether there are twenty or two thousand people on the dance floor, it was Belmares' dedicated fine-tuning and attention to style that caught the ear of Ben Parsley, founder of Austin's former biggest circuit events, Perfect Day and Meltdown. The incredible impact Belmares made on audiences at both Meltdown and Perfect Day secured him a position on the discerning partygoer's "Hot List" of circuit DJs.

Since that time, Belmares has been called on to play several events throughout the US, from Los Angeles, San Francisco and New York to Houston and Miami; traveled north of the border to play in Vancouver, Montreal, and Toronto; and, broke into the international scene with dates in Rio de Janeiro for R:evolution, the Original Brazilian Pool Party, as well as the Elektra Disco Party in Sao Paulo and, most recently, a hugely-successful performance at gCircuit in Bangkok, Thailand.

Then, of course, there are major circuit events that Belmares returns to year after year – events such as White Party (Miami), Winter Party (Miami), White Party (Palm Springs), Alegria (New York), ROXY, (New York) Fireball (Chicago), Crobar (New York, Chicago, Miami), Babylon Tour (nationwide), Coliseum (Ft. Lauderdale), Gay Day's One Mighty Party (Orlando, FL) - at which Belmares consistently delivers to his legion of fans a unique blend of high energy and tribal vocals.

With a growing fan base spanning coast to coast, it was only a matter of time before Belmares was called upon to mix CD's for the industry's leading dance labels, including Dance One, 4Play Records, Centaur (Global & Party Groove) and Harlequin Records.

As for what lies ahead for Belmares, it appears he's dedicated to dance music beyond simply maintaining his status as one of the scene's top rated DJs, and is putting his name in the ring as a remixer/producer. Roland's talent as a remixer includes work on projects for many of today's dance floor divas including Pepper Mashay, Pat Hodges, Kristine W, Abigail, Debby Holiday, Billie Myers and most recently, Amber.

DJ Roland Belmares continues his rise through the ranks of the world's foremost DJs with recent and upcoming events including this weekend's Fiesta Finale tomorrow night, April 25, at Heat in San Antonio. To keep up with all things Belmares, visit his website at djrolandbelmares.com and his MySpace presence at myspace.com/rolandbelmares.

by Josh Kidd

If you haven't heard of Seth Gold, it probably means you're over 30. If you're in your twenties, well then, kid, you need to get out more.

In fact, earlier this year, Out and Instinct Magazines both named Seth Gold the next "It" DJ. In its final issue, Genre labeled Gold "America's Hottest DJ". And it's not just because of his good looks. Gold has something most other DJs don't – the ear of the young gay crowd.

His previous national gay club tours – "The Varsity Tour" and "The Black Out Tour" – were smash hits and this year, Gold is back on the road with his "Spring Break Tour". But this year, Gold is unveiling more than just the hottest new dance floor beats. The young DJ is also an entrepreneur with a brand new underwear line.

The Spring Break Tour hits Heat on April 24.

Before the magazine folded, Genre named you "America's Hottest DJ".

Yeah! It was a real honor. It's too bad the magazine has ceased publication. It's a real sign of the times.

What is "Americas Hottest DJ" playing on his dance floor?

The economy is playing a big part in what I play on my dance floor today. People need a pick-me-up. They're going to the dance floors to escape problems. So I'm playing upbeat, happy music. With Pride around the corner, I'm also looking for new tracks that celebrate freedom.

What do you say to those who don't consider DJing an art?

Anyone who doesn't consider DJing an art hasn't experienced a first class DJ. I'll never forget the first time experiencing Manny Lehman and thinking to myself "how did he do that?"

What do you say to those who say the dance floor is dead?

Mine is anything but dead.

What special skills do you have behind the booth that today's other young DJs do not?

I put a lot of preparation into my sets before my gigs: secret mashups and acapellas. My being almost 100 percent digital also gives me an edge. I combine my laptop with CDs, so I can do a lot of really cool stuff with my sets that people who are strictly digital or strictly CD may not be able to do.

What are today's clubgoers looking for on the dance floor? How is it different from what they were looking for five years ago?

Five years ago it was all about one consistent tribal or house beat. Now you'll hear songs that are 130 BPM and songs that are 102 BPM. And if a DJ is good, he'll keep the dance floor going all night by playing all types of music and BPMs and not just one monotonous set.

It's been said that the last generation of superstar DJs had it easier. The big events – White Party, Black Party, Winter Party, Zoo Party - were created by event committees and all the DJs had to do was fly in and spin. Many of today's young DJs create and organize their own events. When did DJs become event organizers?

Some DJ's just want to play music, and that's fine. But today marketing and imagery is just as important to an event as the music so I make sure to have a hand in those areas as well. I don't want to rely on promoters or venue owners who may not be as in touch with my audience as I am.

Are your tours the reason that you became America's Hottest DJ?

My tours are definitely a big part of what makes me unique and attractive to venues. Without them, I think I'd still be successful, but they give me that something extra.

Is that why you're unveiling new briefs – to give your fans that something extra?

I was approached by a major underwear manufacturer to design my own line. I didn't immediately sign on the dotted line, though. It was my go-go boys that convinced me to jump into the underwear arena. They were my inspiration.

That makes sense. Go-go boys certainly know a thing or two about briefs.

They really do! They gave me really great advice on what worked and what didn't work and why. My briefs aren't only for go-go boys, though. The briefs will make everyone look and feel sexy.

What are the perks of being "America's Hottest DJ"?

I get to work a lot, and financially I'm in a better place now.

Does being a DJ help your social life?

Not exactly, but it does make it easier for me to get someone to talk to me, at least initially.

What's next for DJ Seth Gold?

I'll be traveling the country on the Spring Break tour all spring and summer. I can't wait to see all my boys in Sacramento!

This Week's Scopes

Taurus Famous Birthdays: Kelly Clarkson, Tom Welling, Sheena Easton, Jessica Alba, Jerry Seinfeld, Cloris Leachman

Aries (March 21-April 19)

If a change of assignment is your goal, it is a fine time to discuss it with the person in charge. Resist the temptation to say things you wish you had kept to yourself concerning a loved one. Abide by the tried and trusted methods of others. Aim for the prizes that life is ready to distribute. It may be a good time to veg out in front of the TV tonight. Cancer proves helpful on a project. Cash in on the number 23.

Taurus (April 20-May 20)

You've been working your fingers to the bone and it's high time for a break. Keep your wits about you during work today. Visit here and there in your own neighborhood. A personal decision could go a long way toward nailing down your security and peace of mind. You may have been the one at fault in a recent feud with a loved one. Libra figures prominently in the day's activities. Your best bet is the number 16.

Gemini (May 21-June 20)

Play it close to your vest if someone starts talking about a sure thing. Refuse to be budged from any perch you have been occupying lately, philosophically. Relax for a while and let the day's pressures slip away. Ask questions if you aren't sure what your partner has in the back of their mind. Be cautious of meeting new people today. Libra is helpful with decisions. The number 2 is a winner.

Cancer (June 21-July 22)

Family objections can multiply and come through your frame of reference as limiting. Tingles of attraction that you feel for a difficult member of the opposite sex can alarm you. The discovery of someone you know will create a pleasant situation. If a change of assignment is your goal, now is a fine time to discuss it with the person in charge. Let your mind go wild, you've got the right touch. Another Cancer is in the picture. Your hot number is 9.

Leo (July 23-August 22)

Learning something new will give you ideas for a future project. Your deliberate actions may be covered up in one way or another. Relationships with relatives or friends of your beloved will go well. Although strings may be attached in a new deal, it shouldn't slow you down. The social side of your job can be served well. All conditions are go! Libra gives the nod of approval. Take a chance on the number 6.

Virgo (August 23-September 22)

Relaxing with a hobby should lift your spirits this evening. Romance is highlighted and you'll take center stage. Friendships and day to day working relationships contribute much. Meeting someone new will spark a new interest. The accent should be on the beauty of your surroundings. An older Pisces of the opposite sex does care and will show it today. Aries is in the picture. Play the number 3 to win.

Libra (September 23-October 22)

Don't let personal affairs get in the way of doing business. Don't let someone teasing you get in the way of your work. You need to make a fresh start. A burden may be lifted. Demonstrative love won't go begging under the current cosmic trends. Express your natural warmth and generosity. Aquarius plays a key role in your life. Take a chance on the number 17.

Scorpio (October 23-November 21)

Go ahead and spread your wings. The approval you give others will mean a lot and you can expect to see many smiling faces. You will feel closer to your beloved. Aggression won't get you in trouble if you are sure of the facts. Call your competition's bluff, it will pay off. A major career change for the better is featured. Taurus plays a key role in your life. Take a chance on the number 8.

Sagittarius (November 22-December 21)

Keeping family members happy may prove to be distasteful. Serenity is reached in arrangements, household chores, organizing belongings and relaxing with a good novel. Tingles of attraction that you feel for a member of the opposite sex can alarm you. Be prepared for a deal you've been working hard on to collapse today. Double check your work, you may have done something wrong. Cancer gives the nod of approval. Take a chance on the number 2.

Capricorn (December 22-January 19)

You have untapped talents, now is a good time to test them out. You'll get an exciting last minute invitation. Under prevailing conditions, you aim to please your loved one. Take care of your bills before they take care of you this evening. Tonight you should be able to relax. A burden will be lifted. Pisces figures prominently in the day's activities. The number 23 will pay off for you.

Aquarius (January 20-February 18)

Get some advice from a close friend. There should be a good meeting of the minds where you will learn much. You may have been the one at fault in a recent feud with a loved one. The money picture is not as bleak as it originally appeared. Consolidate all your recent gains. Check with Sagittarius before proceeding. The number 1 will pay off for you.

Pisces (February 19-March 20)

Don't let the stockpile of work get you down, it's not as bad as it appears. Neatness takes a black eye this evening, it's a good time to clean up your act. Resist the temptation of putting your stronger opinion on the line with a loved one. You could encounter slippery types who want something for nothing. Family objections can multiply and come through your frame of reference as limiting. Aries is in the picture. Play the number 4 to win.

This Week's

TEA

AUSTIN

If you haven't already done so, there's still time to dash right on over to the Rusty Spurs to register for this weekend's huge, really big Heart of Texas Bears UnRun 5 weekend, a celebration of all things humpy and hirsute for both the humpy and hirsute and those that love them. The Spurs is the site of both the opening and closing festivities of the annual event, with the opening salvo of the Bears' scavenger hunt tonight and a farewell beer bust and BBQ on the club's magmagulous patio on Sunday afternoon. In between, there'll be all sorts of contests, private parties, tours and sporting events that are sure to make even the tamest amongst you just a little bit wild, and the entire weekend is the perfect way to get acquainted with some manly men that give so much – so very much – to the community. And be sure to buy just as many raffle tickets as your budget allows, 'cause all proceeds from the sale of those tickets go directly to People's Community Clinic, a primary care clinic dedicated to improving the health of Capital City residents for almost forty years.

Meanwhile, over at Charlie's, our very dear friend Cyndi Woods made a rare super special guest appearance at Jame's Super Sunday Show and all eyes were agog at the mammothness of the maven's mammaries and other feminine features. La Woods was in town from the Big Apple visiting her best gal pal Jacqui De Shawn before heading down to SA for Fiesta, and we were so very glad to see the old girl looking so splendidious. Also looking rather splendidious was our beefy bud,

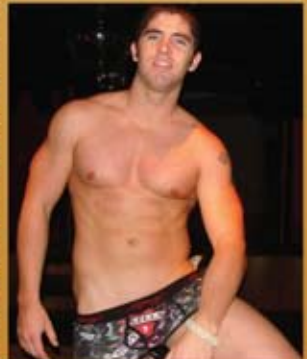

Rudy, who was completely exhausted from spending way too many

hours online enjoying Charlie's brand-spanking-new and too-too-trendy website – a site that is so colorful and vibrant that you'd almost think you were still at the club when you view it.

Speaking of vibrant and colorful, if you haven't been to 'Bout Time lately you are missing an incredible treat. Honeys, the club has been totally revamped from the top of Travis' beautiful smooth pate right down to the tasty tootsies of our favorite mixologist James, and even their website has been revamped, remodeled and reduced to reflect all the chic changes. There's now live music each Monday night with BT Live, fab femme mimic revues each Saturday and, even more importantly, the club's infamous and world-renowned Turn 'Bout show this coming Sunday. We're definitely gonna be on-hand 'cause there's nothing we love more than watching James and Travis tuck all their business into their dance belts.

Finally, and speaking of dance belts, there isn't one large enough to contain the impressive talents of one of Marcy Fletcher's studliest stallions, Guy Mitchell, who we recently ran multiple times into over at OCH. In fact, the Manwatch Dancer has so much talent that we could see it from the control tower at Bergstrom and were absolutely certain that it was one of those new-fangled Airbus A380 double-decker airplanes coming in for a landing. In fact, we were quite surprised that Ed Hardy made undies with enough give to sufficiently cover it all. We're thinking about adding an addition to our garage just to house the thumbnail photo of it. Ahem.

DALLAS

We just love being POPular, which is why we just adored the recent POPular swell soiree over at Rush that celebrated all things notorious...which, you know, is, like, a synonym for popular...and such. At any rate, it was a fab fete made even more spectacular by the combined presence and talents of the incomparably beyorgeous DJ Guillaume who, as Gaea

is our witness, made us melt into a veritable puddle a la the Wicked Witch with just one glance at us over his massive twelve inches. How in all that is gay any one person can be so endowed with so much beauty, acumen and personality we'll never know...we do know that the marvy mixmaster is now at the head of our list of people we would most like to be stranded on a desert island with. Or, in a palatial suite at the Moorea Beach Club...with only a flimsy towel between the pearl white sand and our hot, moist flesh...Was it good for you?

Speaking of being good for you, James and Ralphie over at Illusions are always very good for us, mostly because they both know that once we enter the Maple manse we want a ginormous refreshing adult beverage and a perfectly packed pouch at eye level to soothe our savage breast...or, something. Of course, since James is one of the few people that we know that still remembers the Landing, he would be painfully aware of our needs... since we've had them for at least that long, doncha know. Very special This Week's Tea congratulations go out to the club's honcho of the head vari-

ety, Eddie, who celebrated his mumble-something natalversary just this past week with a cake as big as Texas and several dapper dudes at least as equally endowed. We just love ya, Eddie!

While we're on the subject of love, we absolutely worship the fagulous Hung Dinger supper club over on Throckmorton that is literally packing them in – packing them in, do you hear – virtually every night of the week with their supremely sublime combination of campy atmosphere and salivatingly sensational menu items that can be selected from one of their many 12-inch record bills of fare. And the shows that are presented post-repast are a little bit of The Birdcage right here in Texas. But what we really, truly and absolutely adore are the stunningly studly proprietors, Brian and Royce, who could definitely satisfy our appetites better than anything they've got on the menu. Just ask Ivana...she

knows just how incredible Royce tastes. Ahem. We caught up with the randy restaurateurs just the other night, canoodling with the irrepressible Wayne Smith, who came back from hiatus to throw a little Half-Breed for dessert and may have just found herself a permanent gig. You guys rock!

Finally, please meet Tim and Ron, our very dear friends over at the Resource Center of Dallas. They're the very first faces you'll meet when you enter the building, and they divinely donate their time to make sure that everyone is handled with the greatest of professionalism. Incredible people like them are what make the Resource Center such a valuable part of our community!

HOUSTON

So, we're sitting with our best gal pal, Mr. Kofi (the fab femme mimic, not the kitchen appliance,) over at JR's the other night, commiserating over our woes and worries and wondering whether the stripper might accidentally reveal something that'll prove that he's Jewish and allow us to certify that fact, when four fab fellas by the names of Chad, Ferny, Greg and Chavo gathered around us and began treating us like the gaylebrities that we think that we are – which is

to say, they were idolizing us. So, after we discovered that none of them were Jewish, we sat back and chillaxed – just as Greg instructed us to do – and had ourselves a gay old time. Just like the Flintstones. Except we were all wearing shoes. And didn't have any jewelry made out of bones. On us. At the time.

Speaking of time, it tends to go so quickly, and never more so than when we're being catered to and pampered by South Beach's very own Sean, whose

talents behind the bar and in various rooms of our palatial swankiendra overlooking Hermann Park are absolutely legendary. We've just never known anyone that is so good with their hands, doncha know. And those hands are be-

ing put to very good use getting the club ready for next week's huge, really big Fireball: Feathers and Leathers X soiree that is going to be so hot that it'll smell like a new car showroom and pillow factory combined. Which is pretty much how the rumpus room in our aforementioned swankiendra smells on Monday mornings....

While we're on the subject of Monday mornings, those are laundry days for us – a chance to rinse out all of our delicates and assess our current stockpile of intimate apparel so that we know whether or not Tuesday means a trip to Male Uwear to replenish our stock... well, we like to give our dates something to remember us by, so we run out. At any rate, the boffo beautique is hosting an uber-special Softballers in Briefs fashion show tomorrow night at JR's at 7 pm, an erotic event that features our beefiest ballplayers modeling the latest in Unico underwear. It's the perfect chance to see virtually all of the equipment that these athletes bring to the plate, and you may even find a bat and some balls that will suit you to a T!

Finally, Kara Dion called us up the other night and reminded us that, since it was Thursday, it was three buck Long Islands over at Guava Lamp and that she and Toddicus had exactly nine bucks each and it'd be really great if we could join them so they'd have tip money.

Never wanting to stiff a potent potable pourer – which is completely different from never wanting a stiff potent potable pourer – we naturally agreed and immediately dashed right on over to get in on the action. By the time we got there, the divine duo was down to three bucks each and we were beginning to feel a little left out. But you wouldn't believe how they made it up to us...such dear and good friends!

A Star on the Rise

"Entrapment's" Dimitri Romanov
by Mario Mares

MICHAEL LUCAS' ENTRAPMENT

Michael Lucas, world-renowned adult film director and CEO of Lucas Entertainment, has signed versatile 25 year old Russian newcomer Dimitri Romanov to his illustrious stable of gorgeous exclusive men. Dimitri met Michael several months back in Russia and Michael saw in him the talent – namely a handsome face and fat, uncut mantool - to become a star. With an enormous appetite for sex, Dimitri is versatile and enjoys both aspects of being a top and bottom. "In this day, you have to have versatility in order to be valuable as a performer," states Michael Lucas. Apparently, Dimitri has what it takes.

Romanov's first film for Lucas is "Entrapment," based on the gay sex shop arrests that took place in New York City for many weeks at the beginning of this year. Also featuring Vin Costes and Ryan Raz, Romanov has two totally intense sex scenes in his cinematic debut, playing an innocent bystander amidst the turmoil of the arrests. Hot and muscular Vin Costes is the first to have his way with Dimitri. Licking his way up his smooth toned body and back down again, Vin enjoys giving him oral pleasure but also enjoys having his pole worked over by Dimitri. Vin flips Dimitri over and slides himself full on and gives Dimitri what he's wanted all along. Dimitri ends the scene swallowing Vin's load. Meanwhile, away from the drama, Isa-

iah Foxx and Andrew James roll around in bed and go straight to deep-throating each other's fat tools. They turn this into a 69 and then Isaiah bends over and Andrew works him over until ejaculation. Not far away, Officer Lars Svenson, annoyed by twink Kayl O'Riley, forces Kayl to his knees and feeds him before using his hot ass-ets and ejaculating all over his face. We then move onto the kitchen, where Murphy Maxwell goes down on Trae Angle before Trae whips Murphy around and takes a taste of his ass-ets. Trae proceeds to place Murphy on top of the kitchen counter and tops him ruthlessly. Undercover cop Ryan Raz proceeds to dirty talk to Dimitri as his Russian captive, degrading him endlessly while Dimitri pleasures Ryan with his hot mouth. Ryan even feeds Dimitri his toes and he eagerly laps them up. Hot anal sex ensues, with Dimitri being worked over by Ryan.

Michael Lucas has outdone himself in capturing the essence of New York City and its war on the gay community. I highly recommend the Director's Extended Edition DVD, which has plenty of extras, hardcore trailers, behind-the-scenes footage, cast interviews, weblink and a no regional coding playing worldwide. You can go to www.LucasEntertainment.com to purchase "Entrapment" or any of your other Lucas Entertainment favorites.
