# GROOVELINES

by DJ Chris Allen

Howdy disco citizens! It's time for your weekly dose of Groovelines – your source for what's hot and hip in the land of electronic dance music and beyond.

Over at iTunes, and hot for digital download, is an amazingly inexpensive compilation of dance music from the underground label 303lovers titled *30 Tech House Tracks*. And they're not kidding with that imaginative title; there are exactly 30 tracks total. 1 more than 29, 1 less than 31. The cool part about this is the price. You get just over three and half hours of dance music for only \$9.99. No joke. It's a really sweet deal. According to Wikipedia, "Tech house, like progressive house, represents a fusion of house and techno.

However, whereas progressive house tends to incorporate atmospheric, ethereal, almost ambient sounds and is often mixed to varying degrees

with trance and progressive trance, tech-house tends to have more in common with soulful deep house, traditional Detroit-style techno, and contemporary minimal techno, with which it is often mixed in practice." Close enough for me. On *30 Tech House Tracks* you get samples from 303lovers artists like Alex Kenji, Gianluca Luisi, Kolombo, Lewinger & Rocha, Libex & Marshall, Manuel de la Mare, and more. *30 Tech House Tracks* is a killer sampling of what this awesome underground label has to offer. What a way to get us hooked! For more info on 303lovers and their catalog of artists head on over to 303lovers.com. If ya wanna subscribe to really great, and locally produced, tech house pod cast check out *Between The Sounds*, produced by The Mexican From Mars aka Chris Garcia. I highly recom-

The soundtracks to many of John Hughes' movies spotlighted groundbreaking alternative and electronic music from artists like Yello, OMD, The Specials, Kajagoogoo, Wall of Voodoo, Belouis Some, Wham, General Public, Kim Wilde, New Order, Oingo Boingo, The Thompson Twins, Sigur Sigur Sputnik, The English Beat, and David Bowie to name a few. ## ASK THE MAN

Dear Man:

I'm a big fan. I love the letters that people send you. I may not always agree with your response, but you are entitled to your opinion. Now for my question! I am a young gay male. Well recently while out partying, my best friend and I got a little drunk and ended up having sex. The problem you may ask? Well my best friend is a girl. It felt good at the time. Having sex with her, touching her soft parts of her body excited me more than any man has. Am I crazy? Am I straight? Am I confused? Luckily for me, we are both still best friends. We have not repeated this but I do think about having sex with her again. What should I do? I don't want to jeopardize our friendship. Out of my mind in Midland

Midland

Thank you for the kind words. And thank you for respecting me enough to know that yes, this is just my opinion and not that of anyone else. Also, it's nice to see you get to read our nice publication in Midland. You probably came across it online or in Dallas, Ft. Worth or Austin. But now for my answers to your

*"Am I confused?"*

questions! So you had sex with your female best friend. I believe, in my opinion, that you both have such a connection that this is why you enjoyed it as much as you did. Now does this make you straight? That I can't answer. What is it about the intimacy with her that you found intriguing? I myself have had relations with women. But then I realized that I loved men and what they can bring to the bedroom so to speak. It does not mean I hate women. In fact, I love women. If it wasn't for women, we would not be here. I have nothing but the upmost respect for all women. Even lesbians for they are women!

But back to your questions! What are you feeling deep inside your being? Only you have the answers to your questions. I know I'm not being very helpful right now, but many times you need to dig deep inside your own self to find the answers that you seek. Keep me informed on what your decisions are.

Dear Man:

What is the attraction to men who are still intact? I mean, I myself am circumcised, I just love men with foreskin. Am I weird?

Addicted to skin

Skin

No honey, you are not weird. This is actually a question that has been ongoing for centuries. In my personal beliefs, those who are cut just have a deep fascination with those who are opposite them. Many times the same goes for those who are still skinned. They love men who are cut. As long as they keep themselves clean, it really does not make any difference to me whether a man has his skin or not! I myself don't have a personal preference either way. Skin can be fun sometimes. Some people like vanilla and some like chocolate. Well, I give me variety any day.

Want your questions answered honestly? Email me at [MRTWTMAN@AOL.COM](mailto:MRTWTMAN@AOL.COM) and I will be more than ready to give you what you want. Don't want to hear the truth? Move on and just enjoy the letters sent to me. Happy Reading! And until next issue...Play Safe!

# GAY-CATION!

by Michael Knipp

There are vacations, and then there are Zoom Vacations – gay getaways that, according to the Chicago-based company's co-founders, Joel Cabrera and Bryan Herb, "expand the mind, invigorate the soul, and re-energize the imagination."

Created in the months after the Sept. 11th attacks – the owners say the tragic events that transpired that day motivated them to spend their lives celebrating their passion – Zoom travels to some of the most spectacular spots on earth to deliver its LGBT customers custom experiences they can't get anywhere else.

"Zoom Vacation tours are multisensory, experiential journeys that blend adventure, luxury, culture and style," says Herb, a former high school English teacher, about Zoom's one-of-a-kind itineraries, many items on which wouldn't be feasible on an independent expedition.

For example, on a recent trip to Rio de Janeiro, guests had the option of hang-gliding into a chic beach party. In Peru, an elaborate and exclusive dinner was held at a private, palatial mansion. And on a trek to Africa, travelers arrived by elephant-back to a gourmet candle-lit dinner on the banks of the Zambezi River at Victoria Falls, one of the Seven Natural Wonders of the World.

"We believe that gay people desire exciting excursions and adventure by day, and would like to end their day in the finest way possible, ensuring comfort and luxury throughout their vacation," Herb says.

While most of Zoom's travelers are professionals who range in age from 25 to 65 – with the majority of them between ages 35 and 50 – Herb says that "this demographic is searching for something more than just big parties. They appreciate the care and details we place into each trip. They want to see the world in a comfortable way, which allows them to truly be themselves, and make new friends along the way."

"But they also like to let their hair down and have a great time cocktail-ing, dancing or meeting the locals," says Cabrera, who spent 10 year as a lawyer before launching Zoom.

Of course, in a recession, you'd think these two entrepreneurs would be worried that gay travelers might be more discretionary with their pink dollar, but that's not the case according to Herb, who said in a recent Chicago Tribune article that despite the down economy business is up.

And there's a good reason why.

"Thoughtful details are put into every Zoom trip to make sure our guests are well looked after and pampered in physical and emotional ways," Cabrera says.

Take, for instance, a 40th birthday party Zoom planned at a palace in Prague, where staff dressed in Victorian-era clothing and guests were decked out in festive black and white. Before the fête kicked off, revelers were picked up at a Four Seasons hotel by a lineup of horse-drawn carriages. At the end of the celebration, a cake was brought out to the birthday boy by a pair of Bel Ami porn stars wearing only pants of the Victorian period.

But while Zoom Vacations cater to individual needs, Herb and Cabrera recognize that gay families and friends want to take trips together, an experience that Herb says "becomes a platform on which they strengthen their own relationships and enjoy stress-free time together."

"The LGBT community seeks vacations that allow them to get the most out of the destination and experience, while completely being themselves," he continues. "They seek adventure, melded with comfort, style and authenticity."

Which is what they'll continue to get with Zoom as the company constantly enhances its offerings with recent additions like the Gay Pride celebration in Madrid; the 2010 Gay Games in Cologne, Germany; and other exotic locales, such as China and India – all unique travel experiences that gay people can't access on their own for the price Zoom offers.

As for Herb and Cabrera, Zoom is just the beginning of something bigger for them.

"In five years, I see us doing more than just providing gay travel," says Herb. "We would like to have written a book and have our own gay travel show."

Until then, however, the vacation-planning business partners are content globetrotting with the LGBT community, "enjoying the best a destination has to offer and creating long-lasting memories."

# Carnival Thrill Ride Rio Throws a Gay Party

By Bryan Herb

Every year thousands of people zoom to Rio to celebrate the world's greatest celebration of dance, culture, good times, and good will. It's the standard against which all other carnivals are compared. Never ones to miss a good party, it is no wonder that thousands of these tourists are gay.

However, this is definitely a time and place where the lines between straight and gay are blurred. It would not be uncommon to see a man and woman walking hand in hand through a street parade and then see them suddenly in a three-way lip-lock with someone from the crowd. In fact many of the locals say that during Carnival (Carnaval in Portuguese) everyone is "a little bit gay".

The specific dates change every year, but the 2010 Carnival festivities officially start on Saturday, February 13th and ends on Fat Tuesday, February 16th.

Throughout Carnival, the streets of Rio have a spirit and vigor which has everyone enraptured for four days of infectious dancing and indomitable partying. At any given moment multiple street parties are taking place in various parts of the city. For gay travelers, there are two gay parades (bandas) that meander through the streets of Rio's gay area in Ipanema, plus a massive nightly block party that consumes the street, Rua Farnes Amoedo. These are perhaps the most popular unofficial parades in the city, with music, dancing, drinks, food, and above all, people having the time of their lives. This is in addition to the elaborate circuit-like dance club raves that take place late into the night and into the next afternoon.

One would think that with so many drunk, dancing, partiers on the streets that drama would inevitably ensue. However, the opposite is true. It is a time when differences are forgotten, and when what makes each of us unique is celebrated. Experiencing Rio's Carnival is like entering an altered reality in which all the inhabitants have two goals; to make each other happy and to have fun. Carnival's gay travelers seem to appreciate this more than anyone.

Of course the week's main celebration takes place at the Sambadrome, the samba dance parade competition televised to hundreds of countries and viewed by millions of people worldwide. Fourteen samba schools prepare all year, each creating as many as 30 elaborate floats and 1000s of spectacular multi-colored costumes. The result is an unparalleled two night parade and dance party. It is the type of over-the-top splendor and artistry that one must see to believe, and certainly something everyone should see in their lifetime.

*Zoom Vacations offers gay men and women an incredible trip to Rio for Carnaval, February 12-17. The escorted tour combines air and ground travel, hotel, exclusive concierge services, and plenty of unique experiences accompanied by fellow gays. ## Another Day In Paradise!

by Mario Mares

[www.ManOfAustin.com](http://www.ManOfAustin.com)

Ever have one of those days when you just want to get away? Find a nice place where you can go hibernate and just get away from everything? Well what if I told you I had found such a place? A place where one can go and just get away from the maddening crowds? A mystical place where you can go and just leave the world behind you?

There just happens to be such a place. It is located right in the heart of San Antonio Texas. It is a very mystical place where all of your worries go away. You don't have to worry about anyone bothering you for your autograph if you are a star studded celebrity or want to feel like one. The Painted Lady Inn is just that place and a whole lot more. They have been around for more years than I can even remember. I've lived in San Antonio all my life and have known about this wonderful place but for just a few short years. Owned and operated by Carlos Ortiz and Jacob Olivares, The Painted Lady Inn is located at 620 Broadway, right in the near middle of downtown San Antonio. San Antonio's very own riverwalk, which has been expanded, is just 1 block away from here. You can go and catch a barge and enjoy the entire riverwalk and the downtown area of San Antonio. It will take you to our Rivercenter Mall where you can enjoy hours of shopping at many of your favorite shops. It will also take you throughout many of our finest restaurants alongside the riverwalk.

Reminiscent of an intimate European hotel, The Painted Lady Inn is an artsy bed and breakfast. This 9 room Bed and Breakfast has been a jewel for many people who want to just get away for a weekend or come and stay for a longer period of time. It has been housing for many celebrities whom shall remain nameless in order to keep them safe from fans. If you knew all who have stayed here, there would be no rest for them. Each of our suites are uniquely designed, and are fashioned after a popular artist, writer or someone admired throughout history. You have everything and more you can want when staying with them. You can choose from a Jacuzzi suites or standard guestrooms. The choice is yours. Rates vary from \$129- \$229. Prices are subject to change during holidays and special events, so make sure you call and ask ahead of time.

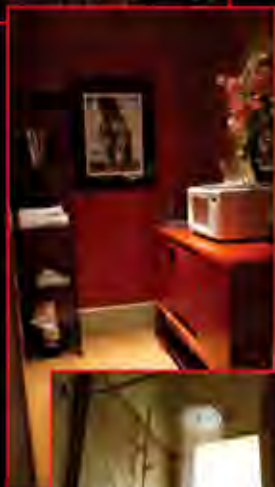

Many other amenities make up this upscale hotel style bed and breakfast. Full service breakfast in bed or on the rooftop, whichever you prefer the choice is yours. The popular homemade Texas size Peach Muffins, which will be delivered the night before, are absolutely a hit with all our guests. Plush Robe's, free hi-speed internet access, TV with

DVD, stereo with cd player, refrigerator, coffee maker, microwave, iron and board, blow dryer all make up just some of the many amenities offered. We also have special treats that are services that can be included in your check in or at the time you make your reservation. In room Massage, luxury gift basket, flower arrangements, fruit and cheese platter, a chocolate covered strawberry and champagne set up can also be part of your getaway, for a price of course.

Owners Carlos Ortiz and Jacob Delgado have owned The Painted Lady Inn for the past 6 years.

Now what separates The Painted Lady Inn from most other establishments? It's unique atmosphere. Motel like with full service amenities minus a full out restaurant comprise this oasis like Inn. Each room is different, no 2 alike. The best kept secret of the Inn is our rooftop. With a view of downtown San Antonio and a hot tub as well. Just imagine yourself on the rooftop on New Year's Eve. As the clock strikes midnight, you get to see all the fireworks shooting off from San Antonio's Tower of the Americas. I'm told by Carlos that somehow they have one set up that shoots off and comes towards The Painted Lady Inn and bursts directly overhead. How wonderful to have friends who will do this for you.

Each New Year's, we also put out a variety of foods and champagne and welcome all our guests to the rooftop to witness the fireworks. 3 patios also are part of the Inn. 2 in the front facing Broadway and 1 out back is where you can go outside and kick back and have a cigarette if you are a smoker. No smoking is allowed inside any of the rooms or within the building itself, just outside. Another big reason to stay with them is Fiestal "Every year, many people are trying to make reservations months in advance to stay with us", explains Carlos to me over brunch. "It's very difficult to get a reservation during this time because many of our guests come back year after year and they make it a standing reservation. We contact them first and then if they decide not to come this year, we go down our long list of people who want in". Both parades go directly in front of our Inn. If you have not witnessed the parades from up above, then see about joining us and checking it out.

The next big event is the Rock and Roll Marathon in November. Sunday November 15th is the day for this year's Marathon. Carlos recalls last year as people were running down Broadway, how they were taking off clothing as the day progressed. "It was getting warmer throughout the day and when they first start early in the morning, it is rather chilly. Well, Carlos goes out there and starts collecting items and then as joggers ran by they were throwing their discarded garments on the pile Carlos had created. They donated everything to the Homeless Shelter." They are ready this year to do the same.

Carlos and Jacob on behalf of the Inn have given to many charities and organizations in the past few years. Some of them have included the San Antonio AIDS Foundation, Beat AIDS and the American Cancer Society just to name a few. "We love being able to give back to the city of San Antonio and its community" said Carlos. Jacob stands behind everything that they do and have done and will continue to do for the city. If you happen to be a visitor to the Inn, you'll get a chance to meet Marilyn, Carlos and Jacob's dog. She is the most precious thing you have seen. So please make sure you take the time to go to their website, [www.thepaintedladyinn.com](http://www.thepaintedladyinn.com) to take a more detailed look at everything they have to offer.

Contact them through the website or call them @ 210.220.1092 to make your reservation today.

# Erección

Directed by Ben Leon

Make My Next Trip  
To Argentina

When one thinks of hot Latin men, you really should think of heading down to South America. Once there, make your way to Argentina. The ethnic groups are European, mostly Spanish and Italian. You won't be disappointed once your flight touches down and you see what this country has to offer. My reason for telling you all this is simple. I have in my collection of Porn, Raging Stallion's newest movie. Well it's new to me anyways.

Errección was shot on location in Buenos Aires. Even though the actors don't say much, that's quite alright. We enjoy all the moaning and groaning that they do in each scene, why talk? They are all very gorgeous men. Director Ben Leon sure does know how to select the most handsome men on Earth. He does not miss with this one! There are different types of men in this movie, from hairy daddy types, to smooth young men. Who needs to see the countryside when you have all these gorgeous men to look at and study!

In our opening scene, we have the beautiful Max Schutler, who has that boyish face but manly body, paired off with Nick Gurovich. Max knows exactly what he wants and waste no time in getting down to business. After having a brief make out session with Nick, Max heads south to what he's been lusting after, Nick's uncut cock. He shows Nick that he can take all of it and he does with such enthusiastic gusto. After awhile of pleasuring Nick orally, Max heads over to the counter where he climbs up and then Nick proceeds to top him. At first it seems as if Nick is not sure if Max can take him, but once he sees that Max has no problem with his size, Nick tops him mercilessly. He then flips him over and continues the assault

**RAGING STALLION**  
STUDIOS  
@RAGINGSTALLION.COM

on Max's beautiful backside. The scene ends with Nick coming all over Max's chest.

Lucas Ronda and Pedro Andreas comprise the next scene. Pedro with his piercings and tattoos and Lucas, who is more the daddy bear type trade blowjobs at the beginning. Pedro also rims lucky Lucas before topping him. They are paired off very well as Lucas lunges back for more and Pedro is more than a willing top to give it to him hard and fast. They then switch over to the good old missionary position where Lucas finally shoots while being topped by Pedro and then Pedro finishes off all over Lucas lower half.

Max, surprisingly, not being finished after Nick is in our next scene. This time however, he is paired off with both Fernando and Diego DaSilva. Max shows them what a good time he can give them by sandwiching himself between them and giving them both blowjobs. They try to have their way with him orally, but had no idea that Max is a deep throat expert. Diego gets to top Max first while Fernando still shoves his tool down his throat. Fernando then takes his turn at topping him. It is nice to see how Max loves being used by these 2 hot gorgeous men. They take turns on him and in him and Max is only too happy to oblige them. They end up by both shooting all over his chest and then Max finishes himself directly after.

Pedro is doing some sunbathing when he spots Nico Aragon through a window. Pedro makes his way inside and immediately starts kissing Nico. Nico lowers himself down to blow Pedro and soon thereafter, Pedro returns the favor. Being the ass connoisseur that he is, Pedro eats Nico like it's his last meal on earth. Nico loves pushing his ass

up onto Pedro's face but then the real fun begins. Pedro takes Nico and the look on Nico's face is nothing short of pure ecstasy. They then switch over to the missionary position and Nico is spread even wider if this is even possible. Nico has an earth shattering orgasm while Pedro is still topping him.

The final scene has Juan Blas and Daniel Marvin already in action. Daniel is the much bulkier of the 2. Juan is the first to drop down and give Daniel an intense deep throat of a blowjob. Daniel then reciprocates the favor and matching Juan's oral abilities. They seem to be in competition with each other to see who can do who better. I'd call it a tie. Daniel then decides he's had enough of Juan's cock and now needs to do some rim time. Not to be outdone in competition, Juan proceeds to do the same to Daniel and opens him up as well. In what only Raging Stallion can do, it's Daniel who is on the receiving end of the stick. Juan pummels Daniel in a Jack Rabbit style and then decides he wants some action also. He rides Daniel up and down and maintains his erection the entire time. These 2 go at it with such intense passion, it's like watching old lovers go at it. May all couples be so lucky to have such passion between them.

*This is a 2 Disc DVD. The second disc is full of cast interviews, bonus solo footage of Diego, Fernando, Nick and Juan. Behind the scene footage is also included along with the usual scene selections and trailers. A bonus scene from Manhattan is also included. Raging Stallion Studios always delivers the goods. I highly recommend Ereción to anyone wanting to take a trip down Argentina way, if even in your mind. ## AUSTIN

This week the whole TWT office staff blasted up IH 35 to the capitol city to find a little release at some of the greatest gay hot spots around. First on our stop was Rusty Spurs. We were immediately greeted by Brenda and her fabulously fag-tastic crew with cocktails and hugs. Congratulations are in order to Jim and his crew on a wonderful 1st year of drink slinging. This fine establishment has been tearing up 5th street

with country in the air and infectious grooves from The Otherside while they blast rock, punk and all that requires the banging of ones head. Speaking of banging, and things to bang with, we came across Ross hugged up next to Jan as our faithful leader was off to the side discussing 12 step groups with Brenda to help with their shared Fam Town addiction on Face Book. The first step of course, is to admit you are powerless over FB applications, but we see no recovery in these girls future as word on the street is that they both are now using multiple accounts just to "plow" each other.

After a couple two steps and several cocktails we made it over to CP and rub shoulders with the new owner. That's right after many years of dedicated service to the community, Warnen sold CP. The new owner has big changes in mind and is starting with the name of the bar as he gets ready to change it to THIRST. Be sure as sugar though that Da-

mon will all ways be there to dispense the drinks to the loyal patrons of Guadalupe and greet one and all with that cute smile of his.

Speaking of smiles, nothing puts one our face more than the Man Watch dancers at Charlie's. As we caught Richard and Mario getting their own smile fix while hugged up on Aubrey. You can catch these studs tearing off there clothes every Thursday with hostess Miss Kelly Kline. Don't worry about showing up early either, as Charlie's has nothing but great munchies coming right out of their kitchen to subside that hunger for ManWatch meat.

On the last leg of our whirlwind tour of Austin we slide on in to Rain on 4th

where we were just in time to get down with Bobby Cook and Texas De La Rosa for shots and tantalizing young bois tearing there clothes off for cash and fame. If armature removal of clothes is not enough, the patio will be sure to cool your heels with its multiple lounge areas and mister fans, so you can kick back and take in the night's delights.

To finish our tour out we rolled past the mosquito breeding waterfalls that lay in between 4th's fabulous gay bars and headed into Oilcan Harry's, know world wide as OCH. That is right we said it, WORLD WIDE! We are pleased as pudding to report that for the second time in

three years OCH has been voted by OUT Magazine one of the Top 60 greatest gay bars in the world. You can see why, with studs like Able peeling his clothes off and sporting his new briefs purchased at Skivvies, and totally dashing studs like Ashton holding court on the patio while serving up the most tasty drinks. If that's not enough, they also have the ever so fine, Rixy posted up in their totally renovated Sidebar @OCH slinging Mojitos on Mondays. Congratulations OCH on another stellar year of service to the Austin Community

# DALLAS

Our dear friend, Zav was at JR's celebrating the anniversary, once again, of his 29th birthday along with his party crew Nadia, Katie and

An'trease. The Fab 4 were spotted all over the strip including HungDingers and S4 terrorizing and celebrating but for some reason we could never get An'trease to wipe that smile off her face

until a few hour into the next day! Purveyors of the potent potables - Stephen, Marcus and Josh seemed to be grinning also.. was it just the natalversary of Zac or just the awesome atmosphere with the handsome drink-slingers on staff??

Meanwhile, over at HungDingers Dale and Art were busy celebrating their 27th anniversary

with their friends Manny and Jim. Who says gay relationships don't last! They may be like a Six Fags roller coaster camp ride on occasion BUT some do work, hunnies! Across the room, Dal-

las and now Ft. Worth showgirl, Ivana Tramp was hanging out by the boys' room participating in the summer youth outreach program, uh huh, and kitty nabbed Will. Can we say cougar? Meeooooow in our best Eartha Kitt as Catwoman tone and growl. Mikael from the Resource Center of Dallas and HIV prevention guru (aka condom man) was taking a break from the bruschetta to educate Shannon

and Ivana about condoms, especially the benefits of ribbed ones. They each left with homework assignments and a Rough Rider of their very own.

The Rose Room was proudly represented by Layla LaRue in the Miss National Entertainer of the Year Contest in Louisville, Kentucky recently, placing as a finalist in yet again another National Pageant! With Mr. Gay Texas USofA, RK LaRue at her side, she presented a flawless package, and we aren't talking about the one on RK either! Layla is pictured here with an adoring fan at the Rose Room. Not to be outdone, Celeste Martinez lines up the boys who care about HER twinkling toes, including another SMU swim team shot boy. What is it with the chicas in Dallas and

all the action this week??

Finally, the Eagle's AWOL Event was filled with representatives from many groups and organizations calling The Eagle home. Including SLUTS (No, no.. not Ivanna Tramp and Skyla Myles..Southern Ladies Under Tremendous Stress!) represented by Larry and Pancho. TGRA, the Leather

Knights and more participating in some maneuvers that had us blushing. Well, maybe just getting flushed with a little color, Daddy!

Another moment in HTown history, the return of Bubbalicious to the stage on Sunday at Meteor

A long time friend of TWT, we hear Bubbalicious kept it calm until after the midnight hours.. after all it still WAS Sunday.. and the dee - liciousnes had just begun. The greviled voice galpal coached the crowd through the new Meteor Showers, featuring lil' boy blue. We expect to dig on DJ Chris Allen and love on the liciousness that is the emcee every

# SAN ANTONIO

Breakfast is so important to the start of our day, so we headed out in the sweltering, foundation-sliding heat to schwinging downtown by the final resting place of many Alamo defender and stroll on into the monstrosity dance hall, The Bonham Exchange. Breakfast is served, mine with 3 olives please.. I am extra hungry this morning! We were greeted by friendly staff at the door, while the Happy Hour grooves began to restore our faith in recover brunches... err afternoon teas. Marcus and DJ Dru were also enjoying a tasty cocktail they prepared for the potent potables

to flow again while pounding some beats and checking ID's for the oft wrapped-around-the-block line..

Geared up after Breakfast, and with energy ala Patsy and Edina on a spree, we did a little boutique browsing. Whether we are on Main or off Main street, we all ways like to step into On Main Off Main shop to check out all the wonderful knick-knacks and wildly assorted adult pleasures geared just for our proud community. We never found Nick's nack but we did stumble across our good friend Tony rummaging through the well-stocked merchandise looking for the perfect gift

for a special someone, and natch he immediately included a copy of TWT with Mark Dalton's signed cover. Tax -Free weekend is a coming and we need some new.. spiral notebooks. Watch out! We fight like we were in Filene's Basement in a crowd of cheap brides on sale day. Last year we struggled over a pair of Andrew Christian boxer briefs with a hirsute bear at Zebraz and look him down, baby. but we digress..

As we part ways with Tony we come to the new digs of the Silver Dollar, where Peter and Paul have shown this fine city that it does not need to be crammed in between to mega bars to survive. The Dollar is setting it off every day of the week with top notch service and shows run by Autumn Summers on Sundays. They have been scooping up their fair share of the crowd off the strip and packing the

house in the multi-bar, drink dispensary. They have become a party magnet of incomparable strength, as it has been drawing in the hottest of studs and the most hardcore party-goers of the city, like Syreeta Munroe, who never misses the opportunity to step out and get a little boot scoot trade, err.. well ANY boot scooting trade.

Heading on down the strip and stopping by The Saint, we come to find our good buddy, Big Daddy Matthew, holding court with some of the finest femme fatales in the club. With a quick slap to the ass as if a football player

were breaking huddle (it is pre-season NFL, ahem and you thought we were all fluff?!), our attention was quickly grabbed by Mikey, who was also soaking up loads of love inside The Saint from all the hunks that stumbled about. As you can tell from the smile on Mikey's face it appears to us that his love sponge was soaking up all the love he could handle..

Finally, Congrat's to the HEAT's own Layla LaRue on the finalist placing at National EOY in Louisville, Kentucky! You did us proud, once again, sistah! We'll have images from the Annual White Party, with only the sheerest white costuming. next issue.. sorry for the A.I. moment...

This hot stud comes straight from the Austin set. This capitol city dweller is no shy guy. You can catch him in the Student Body Strip off at OCH and Bobby Cook's Amateur strip off on 4th at Rain on any given Thursday, while he shows off his wide assortment of undergarments, that he so affectionately has a passion for. This world traveled, ex-army stud enjoys his time off by traveling to new destinations and knocking the stuffing out of a softball. Tony plays left field and bat second in the line up for the Shady Ladies, and all his study sports can be best recognized on the field by the # 24 he as he will be doing his best to drive "it" home, when The Shady Ladies venture to Milwaukee for the 33rd Annual NAGAAA Gay Softball World Series on August 29th thru Sept. 7th
