that bothered by it. He has a career outside of music and has little patience for the politics and nonsense it takes to be a headliner in the circuit scene and that's just fine with him. He admits it is a cut-throat business and he doesn't like to "play the game" just the music.

Thus Motown area native DJ Bill Bennett has found his niche playing in discerning clubs

to a strong following. He currently resides in Miami, but has residences in NYC and San Diego. He is known in club scene for his original compilations and remixes and has an enviable catalog of work with Inaya Day ("Breakaway"), Suzanne Palmer ("Fame"), Abigail ("Forever Young" which just hit #1!), Madonna ("Frozen") and Amber ("Sexual") to name a few.

If you haven't caught DJ Bill Bennett in NYC or San Diego recently and if Brazil isn't in your travel plans this October, you'll be thrilled to know he will be in Houston's South Beach on September 5th as part the Big Muscle World Tour. Although this isn't DJ Bill Bennett's first time to spin at South Beach, Houston will be his only lone star stop on the tour so block your calendar and save the date for your one chance to catch him on Texas turf.

In case you are unfamiliar with DJ Bill Bennett, he was named "North America's #1 Leather DJ" by Instinct Magazine in July 2009 which he seems shyly pleased about but too modest to admit. When asked whether he caters to this crowd or if he has a leather bent, he admits he has played at IML for 7 years running and that may be where the affiliation is coming from. He categorizes some of his following as the "week-end leather crowd" familiar for their blue jeans and t-shirts. Since coming on the scene 12 years ago, he recognizes he was never really accepted by the circuit venues but he is not all

For his Big Muscle Tour, he developed his album "Big Muscle of the Rhythm" from scratch. The album is very sexual in nature and is unmistakably conveyed through the beats with such songs as "Sexual High", "Cum" and "Touch Me, Feel Me". When it comes to collaboration, his work sells itself. Suzanne Palmer, for example, had no interest in doing remakes at all. Yet DJ Bill Bennett had it in his mind she would be perfect for his "Fame" compilation. After convincing her to just take a listen to it and how it fit in with the album, she called him and wanted in. The album is definitely a high sexual energy experience with a touch of darker reality ("Reason") and positive vibe. An unexpected treat were the leather inspired visuals of the album insert to complement the songs.

When asked about his observations about the current dance and music scene, he notes there is no community anymore and the scene in segregated. Younger gays patronize straight

by Brett Vander

clubs since social conventions have changed and they are welcome in more venues and no longer have to limit themselves to gay venues; gay bars are perceived as stigmas and relegated to older gays. Bars are also having to compete with the internet for business. People can stay at home and meet new friends online. Clubs survive on people drinking alcohol and he laments meth and the internet are killing the bar scene.

With the advent of the internet and online music and promotions, the music industry itself is quickly changing. With small record labels collapsing due to changes in the way business is done, especially online, the industry overhaul is all too apparent. His observations and life experience translate into creativity. One of his songs, "Reason" written by Houston's own Royal Lush and M87 Productions, tells the story of man who ends

using drugs and dies based on his life experience and loss of friends all too familiar to many in the gay community.

As for his style, DJ Bill says he plays for the audience, not for himself. Of course he has a plan and a playlist for each gig, but watches the crowd and their response and keeps 2-3 songs ahead of himself. Some DJ's have their playlist laid out for the evening and the crowd is going to hear what has been selected for them regardless of their energy level. To him, being a great DJ means you have a connection with the floor and the continuum of energy. He organizes his tracks based on energy level so there are no big jumps or changes and the transition is smooth and palatable. He admits he has to play some tracks that aren't his personal favorites, but the audience loves. However, even on those tracks, he adds his personal touch and lays a beat behind a song and lays the song over it. Something familiar, yet something new. And if you leave the dance floor feeling spent and sweaty like you just had a great cardio workout with DJ Bill Bennett, it's because you did. The fact that he taught aerobics classes for 15 years and used music that never dropped has definitely influenced his music.

When asked about what the future holds for this beefy mixmaster, he says the West Coast is calling his name so stay tuned. In the meantime, you can catch him at South Beach in Houston on September 5th.

A BUMP IN THE KNIGHT

TREVOR KNIGHT TALKS TO TWT

WWW.JETSETMEN.COM
WWW.ONTHEHUNT.COM

Long time friend of TWT, and personal friend of mine, Trevor Knight took the time to let TWT pick his brain in preparation for his return to Texas. This Time Trevor Knight is going to "do Dallas" on August 28th. Trevor Knight first hit the adult movie scene at 22 years old, where this Irish, Boston born stud did his first film for Studio 2000, called The Seeker. Since then he has been in loads of flicks ranging in the astronomical numbers when it comes to adult film stars. Trevor Knight, who is now 28, has shown time, and time again that he has not lost his edge as he has a film coming out for Jetset, and another waiting to be titled with Falcon. As we interviewed Trevor he was in Philadelphia just finishing up a shoot.

With the boys in the back ground begging Trevor to take a turn at them one more time. This machine that is Trevor Knight, confesses to TWT that he was stroking his 10 incher at a couple of his twinks on the set, and they were just begging for it, "my dick is like crack, these kids just go nuts for it" and Trevor then spills the rest of the tea on the set. "I have always been good at fucking. The directors know I can blow a load, smoke a cigarette, and I'm ready to knock another one out. You guys only see one cum shot, but usually in a day; I nut about 6 to 7 times on set. Many wasted money shots" as he laughs heartedly.

So, after the vivid description of a days work on the set, we asked Trevor about the amount of work he has done and how many studios he has worked for. We also asked about his latest movie, his loudest screamer and his favorite adult film star that he likes to plow. Now, we did not get a response to this answer till we called him back on a Sunday, like he asked, as he quickly blurted that out along with "I'm getting my dick sucked, later dude"

Sunday came around and we dialed up Trev and caught him at his house in sunny California, where he lives the good life in LA. So, we resubmitted the aforementioned questions and this is what he said. "I have done over 63 titled adult films with multiple scenes in most of them. I have fucked for every studio but Raging Stallion, they do some strange shit over there, but if the right offer was made I'd be happy to work with them as well. Out of all the porn I have done, hands down I would have to say the best love that I got when on set is from Tommy Blade, hands down the best, this kid's ass gives me the best love ever

just a phenomenal lay. He was so hot when I laid into him in Velvet Mafia. Now, you asked about the worst screamer, and I have to admit, I think it just happened when I was on set in NYC. I can't remember his name and he kinda ran off pretty quick, but they all pretty much scream, loud." For good reason as the stats on Mr. Knight's Excalibur tops out at 12 inches with it hooking to the left ever so slightly. This college build, hunk of sextastic studliness is a bottoms delight.

To wrap up this interview we asked a couple questions about his views on gay for pay porn stars, what movie of his just hit the shelves, what we should expect in the future from him, and about past and future Texas appearances. With a sharp bass in his voice, this man chimed in as quickly as we finished drilling him with the last set of questions with "I do not like them at all, gay for pay actors. I have gotten into fist fights on the sets with these clowns. I have been offered the reverse roll by straight studios and I have turned them down time and again. I'm gay and I do gay porn." Another reason why TWT loves them some Trevor Knight, all gay, and all men. With a sigh in his voice he giggles a little and starts up "My latest movie on shelves is Big Dick Society II, Dickmitized with Jetset. I came up with that name because, like I said before, my cock is like crack and they all want more once they get a taste. I am currently working as a director as well with Man Hunt for their On The Hunt as we film in a raw unedited sex style adventure with a very hard core, armature feel, no editing here. I started out in Texas 4 years ago when I did a show for The Bonham Exchange. That is when I first met the gang at TWT Magazine. Since then I have made 5 trips to Austin and have done meet and greets at Midtowne Spa there, and performed for Oilcan Harry's during Special events like Splash and sometimes just because they have so much love for me. I have to thank my Texas promoter and booking agent Rusty Korea at Bad Metal Booking for getting me all the work in Texas. I can't wait to "do Dallas". I am hoping to return soon, to pay a visit to Houston and I would love to return to San Antonio. I will always have a special place in my heart for Austin, and can't wait till you ring my phone for another appearance there."

Trevor Knight can be seen this very Friday night, August 28th in Dallas, at Midtowne Spa at 7pm to 8pm for a toweled up meet and greet. Then he will be live on stage at RUSH from 10pm to 2am as he will dance multiple sets, sign autographs, DVD give away, and a special body shot set. Don't be surprised, as this stud loves nothing more, than getting out into the crowd and getting up close and personal with his fans. Keep your eyes peeled for the following weeks photo spread of "Trevor Doing Dallas". Until next time, stay fiercely hard

TEA

AUSTIN

Top of the list for ATX Tea would be the hot, so very "cowboy up", saw dust on the floor cover of the gang at The Rusty Spurs showing off their finest in Hee-Haw wears for the one and only TGRA event that is coming to Texas by way of Seguin this very Friday that this magazine hits shelves. On hand at The Spur Dane is sure to have his fluffy pink chaps on, in a ten gallon hat just ready to serve "it" up for all those

fine asses in wranglers that strut through the place on a very regular basis. Speaking of stuffed wranglers Peter, Ruben, and Robert are sure to be there to show their TGRA Pride. This weekend is guaranteed to be cowboy crazy-wild at The Rusty Spurs. YEE-HAW!

If variety in country bars is what you want in Austin then boot scoot your ass on over to The Rainbow Cattle Co. where they are always ready to rope you in and serve you up. People in the know have it already marked on their calendars for the Lone Star Bears' Last Splash party for September 4th at RCC and we are sure that these big boys are gonna get you wet.

Over at Charlie's the party is always wired for

sound as people fly about the famed 13th street bar. As DJ Rainbow cranks up the dance tunes

the Man Watch dancers writhe with sexual static in the back ground. We catch up with party goers Bert, Cristian, and Angela. From the looks on their faces it appears that Charlie's has the party buzzin with excitement. Former Miss Gay Texas USofA, Jacqui DeShawn was captured by

Isaac's roving lens as she judges a competition recently.. Lovely!

As we make our way by cab, via JR, the gayest clown cabbie we know, we arrive on one of our most favorite streets in Austin. That's right we are talking about 4th street. When you exit your ride on 4th you can just smell the gay excitement in the air. As we stroll into Rain on 4th we run into our good friend Bobby Cook who was already working the crowd into a frenzy as he was parading hot bois in their glory across the stage. We also got to seal the deal with Bobby and we are proud to say we are media sponsors for his Pre-Splash Big Gay Brunch that will be held at the Belmont on September 5th. This shin dig is going to be the shizz. With clubs like The Rusty Spurs, Rain, and the Octo Tea Dance involved, and tunes being dished out by DJ Bens. This is sure to be something to get your splashers a splashin. A event TWT will be sure to attend.

Finally, As any habit would have, TWT's habit after leaving Rain is to turn right, past the gay hating waterfalls of Qua, and head right on into Oilcan Harry's. As we are comforted by the warm hospitality of the staff at OCH we took special note of the one and only, so, so, sexy former TWT Cover Hunk Ashton, who just celebrated his 23rd birthday working behind the bar last weekend. We tip our hats to ya Ashton and wish you many more sexy birthdays, and we will be collecting on those b-day spankings that

you are owed. Next week at OCH as advertised in the very front of this rag, they will be playing host to the Last Splash Kick Off Party on September 4th with the one true gawd of gay DJs, Tony Moran. This party is sure to bring the sexiest of dancing bois out and we will be front and center to snap away with our TWT cruise cam.

DALLAS

We begin our antics and actions this week over at the Round Up where our very best bud, Jerry, was celebrating his birthday at the back bar, which was expertly tended by Voice of Pride previous celeb Jason Huff. Joining Jerry were a group of his friends with celebratory cupcakes.

Nothing like a bite-sized mouthful to make your feliz cumpleaños a memorable moment! Apparently his friends all had to be there so they could take turns and work shifts administering birthday spankings since it was far too many for just one man to administer. The Round Up has plenty of Man-Candy running around and we are sure we will see many of handsome hunks in Seguin for the TGRA Rodeo! You know how they represent - especially with the founding of TGRA and the history Round Up shares in all that!

We are not sure but the partiers for Jerry's bash MAY have stopped in at the Eagle for some tools to impliment those fabulous swats to the derriere.. just ask Jerry, he has what you need.. and maybe what THEY needed too!

Just check with Mr and Miss Charity America.. they too know the value of proper attire and s t a g e presence!

Cherries has been very popular since the Grand Opening some weeks back. We'd love to talk to them more often but just to share some of what Cherries has to offer, we present Brandon and Lillie partying the house down! If you recognize lovely Lillie, she can be seen over at the S4 where she mans the door of the bustling disco ala 2009. Have a fun drinks at the hotspot and tell them TWT sent ya!

Speaking of the s4, check out how packed their dance floor was this past weekend, S4 not just

home to the Rose Room but some fierce fanny-bouncing beats, too!

Trumormongers have reported, and we look forward to those reports, that the former Crew's Inn location will soon become "BJ's"! Our roving

reporter and all around swell camera stud, Brett sent this image to tease us into a tizzy!

This evening RUSH celebrated their second anniversary and the response to the evening's star, Trevor Knight, has been overwhelming! Trevor also made a quick appearance at Midtowne Spa and is featured in a quickie interview with Rusty a few pages earlier in our issue. We can assure you though, tonight at RUSH won't be a quickie! So excited are the bar staff and friends that even Whitney Paige got in on a little of the action!

Pictured with Stephen and Jerry assisting the "eyes of Texas" in preparations for Trevor's Big Ten Inch.. appearance! Happy Anniversary folks..

shake Trevor's.. hand for us and say howdy from his TWT fanciub!

We just cannot wait for Paul Kraft's latest events, Wavelength and Frequency, Both Dallas PRIDE events, Paul and his co-workers can throw an event! Also, be sure to check out our special Dallas PRIDE issue, with memories of PRIDE and more!

Over at Alexandre's, we caught up with Nathan from Union Jack with his friends from Medieval Times who said their names were Princess and Green Knight. Hunnies my name was She-Ra once and I think I ruled a Jungle... that's the thing about our Gay society, we can be Princess,

Green Knight, She-Ra, Junior Samples or Kourtney Paige Van Wales. Wait - that last one is taken.. so sorry! Come in the Alexandre's and enjoy the ambiance of one of Dallas' slickest clubs, we always look forward to what the club has to offer.. Medieval Times and all!

Finally, we caught the last Linda Petty performance at Pekar's and are looking forward to her joining the Main Event for an upcoming performance! Pekar's is unique to Texas, not many live venues are around the State and we look forward to showcasing them in the future with several other live libation lounges.

Prepare for PRIDE, Dallas.. it is going to be fierce! Wait.. didn't we all vote that fierce was NOT the descriptive word to use any more .. what was it we decided was the new term??? Hmmm.....

HOUSTON

The coolest place on Earth, South Beach, is in preparations for their Military Ball, but before we

can get ass dressed in blue.. we have this weekend's party with former TWT Coverman, Brent Corrigan! Brent will be in the Space City tonight and tomorrow, Saturday.. tempting you with his "Zac-ish" goodlooks and we are sure Chris will appreciate them as much as WE appreciate this sexy stud mufin's himself!

Bubblicious Sunday's have been making Meteor's amateur strip competition really rock the house. On a Sunday, you know Bubblicious is going to get the spirit and roll with the best of them! Marcy's Man Watch dancers were caught another night while Isaac and Glenn were on

tour in Houston, and moist just doesn't describe how they made us. Judging from the shot here.. we are sure the Meteor Showers shows with Kofi are certain to get your

juices flowing. Meteor Diva-a-matic DJ Barry can attest to that.. yes ma'am sister woman! We still are searching for an image of Kofi, the night SHE took a Meteor SHower! A You Tube video surface but as of this time the still images are under lock and key ala a Kardassian scandal!

Boris and Gentry are anxiously awaiting the return of regular Texans game at George, your Country-Western Sports Bar! Although the boys

of summer, the Astros, are among their fav's there is nothing like the helmet-knocking excitement when the pig skin is flung down the field! George is a long-time TWT supporter and we just love our "athletic" support!

With Hurricane season in full swing, we slung ourself up to the Guava Lamp bar alongside Warren, Cookie and Jeff to partake in one of the concoctions

ourselves. If you can't beat 'em.. drink 'em, that's what we say! Woody says to look forward to some exciting Labor Day fun at his oasis in the summer heat.. with acts having graced their stage such as Lady Bunny and Sherry Vine alongside the delectable Toddicus, we cannot imagine what is next!

Finally, we hit tax-free weekend HARD at Male UWear where Aeris and Rick showed us some of the newest merchandise in stock. We left with plenty of sexy clothing but will be returning for September's month long sale.

SAN ANTONIO

We stop in first for some pre party shenanigans with our good friends at Zebras on Main st. just blocks in-between the Silver Dollar and Heat. They always have the hottest assortment of everything gay. From cute outfits and greeting cards of the GLBT variety, to hot ass sexy flicks of porn stars galore like Trevor Knight in Big Dick Society II-Dicktimitized and cock rings and lubes, we are talking about fully stocked for his and her pleasure. As we looked and pointed at extraor-

inary sex toys we snapped off a couple pictures of Ricky and Frankie at the sex-a-torium to show all of Texas how we roll in TX.

Speaking of rolling, we did, with our cute boy toys from Zebras over to The Silver Dollar where we sipped our cocktails in the comfort of the of some artc style A/C and chatted it up with the hard as a rock and my cock, Jeff. This stud has nothing to hide and is an open book for all to look at. You can catch Jeff behind the bar on Mondays and Tuesday at the Dollar and the rest of the time as a shot boy. Soon to take it all off

for a TWT Files photo shoot. We also want to make mention of the wonderful show that goes on at SD every Sunday with the talents of Autumn Summers, Tencha and the gang as they serve up some of the best drag in San Antonio every week.

Just down a block we pop in to The Heat where we are always whisked right in by friendly door staff and on this particular night we had the pleasure of bumping into the ever so funny, Shady Lady. San Antonio just would not be the same

if Shady Lady was not here to perform, and that she did over at the Heat, and we love her for it. Shady will be joining Bunny Andrews, Jason and all the HEAT staffers for the upcoming Black and Light Party, complete with glowtoys at the door. Glow toys are so much fun and versatile too! Just ask Paige Taylor.. resident expert on such matters!

Next door, at The Saint, its show biz as always. As mentioned last week, we have a stunning, and mucho gorgeous photo of the ever so fine Silkie O'Hara Munroe. Silkie was fresh from her 1st Alternate placing at Miss Gay Texas USofA (see photo page just prior to this) and had just celebrated her natal-versary! With the building jammed to the rafters of adoring fans, the night was complimented by the very talented show cast of the Saint. It is no wonder this bar carries the title "Showbar of the Southwest". So You Think You Can Dance competitions starts on Wednesdays at the Saint with cash prizes.. Check out the contests, competitions and Showgirls!

The Closet, SATown's newest Gay and Lesbian establishment continues to rock the world of their competition! We hear Seth has been working hard planning events and activities to please the patrons of this particular potent potable emporium. The Closet is among a few new clubs coming to town and opening their doors for our Gay-folk. Look for more of them in TWT in the coming weeks!

Finally, we are proud to announce that our dear sister, Cyndi Woods is the new Miss Gay San Antonio, recently at The Boss, she dazzled the Judges that included former Texas Title Holder Donet McKim and former Miss Gay Texas America, Jade DiSanle. Cyndi is on her way to the State

competition later this year in San Angelo. We wish her the best of luck, love and lashes!
