MEMORIES OF PRIDE

Dallas

As compiled by Brett Vander
TWT Magazine
DALLAS

The 26th Annual Alan Ross Texas Freedom Parade presented by The Dallas Tavern Guild is on Sunday, September 20 at 2pm. This year's theme is "YOUR RIGHTS, OUR RIGHTS, HUMAN RIGHTS". This year's Grand Marshalls are Dallas County Sherriff Lupe Valdez and Jesse Garcia of The Stonewall Democrats. The Honorary Grand Marshall is author, actor and AIDS activist Larry Kramer. Youth First Texas is this year's parade beneficiary.

The Parade stages are on Wycliffe Avenue between Maple Ave. and Cedar Springs Road. The Parade Route is down Cedar Springs Road from Wycliffe Avenue to Lee Park. Lee Park is located one block Northeast of Cedar Springs Road at the corner of Turtle Creek Blvd. and Hall Street.

The festival in Lee Park begins at noon. The featured speaker is Clive Jones, author and activist who founded the National Names Project AIDS Memorial Quilt and Co-Founder of the San Francisco AIDS Foundation. Featured entertainment is Anton Shaw and Her Band.

TWT asked people in the Dallas community to share their favorite Pride memories and explain what Pride means to them. The responses were diverse as our community and often fun but nonetheless personal and insightful.

Jeffrey Payne International Mister Leather 2009

What's your favorite Pride Memory?

My favorite Pride memory is the one I recently spent in San Francisco. It was my first time attending their Pride event and my being able to ride in the parade as International Mr. Leather was an honor and a huge rush.

What does Pride mean to you?

In my mind, Pride is the celebration of who we are as individuals, the recognition of our journeys and confirmation as to the strength of our community.

Michael Doughman Executive Director, Dallas Tavern Guild

What's your favorite Pride Memory?

My favorite Pride moment was when we had the float with all the past Grand Marshalls on it ride down Cedar Springs in 2003. There was such great history on that float and that moment will always stand out to me.

What does Pride mean to you?

Pride and the feeling that goes with it. Doing something that causes that lump to rise in your throat when it comes to fruition. Like seeing the American flag carried by soldiers or P-FLAG marching down the street.

Skyla Miles Miss LifeWalk 2009 among many titles

What's your favorite Pride Memory?

Falling in Turtle Creek after too many cocktails at the after parade party at Lee Park. Thank Goodness I have had emergency training in the event of a water landing. I had my handy dandy seat cushion in hand. After floating a while, I was retrieved with a large hook, then laid out on the lawn to dry, I ran to the bathroom,

fixed my "hair" and went back to drinking! Good times!

What does Pride mean to you?

Pride is being who you are with no regrets, shame or second thoughts. Pride is also a time for you to show your artistic side with dressing in outrageous attire (wait, I do that all the time). Well, anyway, PRIDE is a time to celebrate where we've been and where we're going! Cheers!

Alan Pierce
Owner, Round Up Saloon

What's your favorite Pride Memory?

2 or 3 years ago when it rained on our parade. We were all soaked to the bone, but our spirits were HIGH and DRY. Mother Nature handed us lemons, so we made lemonade! I will never forget that day, how wet we were, but how happy everyone was!

What does Pride mean to you?

Wow, that tingle deep inside that you know you could cry. We're not freaks, we're every day Americans, and we have the right to exist and be treated with dignity. And that means FULL Rights that every other American enjoys!

Jenna Skyy
Miss Texas FFI 2009

What's your favorite Pride Memory?

Discovering that you could buy turkey legs has to be my best Pride Memory. Tragic I know...skinny bit@h in full drag walking through the park after the parade in 100 degree weather...eating a turkey leg. The photos people wanted with me...not of me...but of me EATING that turkey leg.

What does Pride mean to you?

Pride to me exceeds sexuality and identity and is less about what or who I am, and more about what I can do...it's an action. I show my pride through service to the community, being a leader on behalf of the LGBT community, and entertaining as an artist. Aspire to make positive change in the world...and for that, have Pride.

JD Buchert
Co-Owner, Dallas Eagle

What's your favorite Pride Memory?

My favorite pride memory is Marching in the parade for the first time 22 years ago and feeling the intense pride of our community as we all came together.

What does Pride mean to you?

Pride to me is honoring our past and reaching our goals as a community together. Having gotten married this last year in San Fran, I cannot wait until it is a non issue to get married to whoever you love.

Blake Wilkinson
Queer Liberation

What's your favorite Pride Memory?

During the three years that I lived in Spain I was able to attend two Pride celebrations in Madrid. In one of the most advanced countries in terms of GLBT equality, it was refreshing to see such strong political support by politicians and parties who support Spain's Queer community 100%. I'm proud to call a country that treats GLBT people as first class citizens my second home, but my favorite Pride memory didn't occur until later that evening in one of Madrid's huge Castilian after parties!

What does Pride mean to you?

Pride is all about embracing who you are and showing it off. As our flag reminds us, we are a diverse and unique people with such a rich history and culture. Pride is an opportunity for our community to come together each year, however diverse we may be, to celebrate our uniqueness for all to see.

Lividia I. Violette
Member, Queer LiberAction and Member, Equality March of Texas

What's my favorite Pride memory?

I've never gone to a Pride event, this year will be my first and I'm very excited about it! There is a memory that I have that makes me very proud, on the 40th anniversary of the Stonewall Rebellion in response to what happened in the Rainbow Lounge, right

after the Million Gay March, people went to Fort Worth from the march to protest and show how much they care about LGBT rights, not just in Dallas, but everywhere. I was really proud of the community as a whole for showing their outrage at the heinous crime and their support for the victims.

What does Pride mean to me?

Queer/LGBTQA Pride to me is something bittersweet. I see achievements worldwide that I'm very proud of, such as same-sex marriage being legal in Spain and that Iceland has a lesbian head of state, but I also see room for much improvement on the global scale. I want, not just equality in the U.S., but worldwide

Todd Camp
Artistic Director of Q Cinema, Fort Worth's Gay & Lesbian International Film Festival

What's my favorite Pride memory?

My greatest Pride memory came when I rode in a convertible promoting The Texas Triangle (a now defunct statewide gay paper) in the Dallas Pride parade in 1993 with my then boyfriend, Doug, now my partner of 16 years. I had been out for about a year, it was my first pride and as we pulled into the crowded Cedar Springs bar area we gave each other a big kiss provoking a nearly deafening cheer from the crowd. For the first time in my life, I felt like I was home.

Gee Coffman
Buli Cafe

What's my favorite Pride memory?

My favorite pride memory is the first year. I was just coming out to my friends but hadn't told my fundamentalist Christian family yet. Uh oh! I came home all aglow with feelings of acceptance and happened to get a phone call from my Mom. I mentioned going to Pride and my mom said, "Hmph. Why do 'those' people have to flaunt themselves?" In that moment I knew I was coming out. My reply was, "From now when you talk about 'those' people, you have to talk about me." The silence that followed sounded like a closet door breaking.

What does Pride mean to me?

Pride is being able to hold your head up and be at peace with yourself and LOVE yourself no matter what. It sounds so cheesy, but if you can truly accept yourself, it's the path to love and tolerance of all people.

Marla Compton
GEAR Coordinator, Resource Center Dallas

What's my favorite Pride memory?

My proudest moment was the day I started my new job as the "real ME." I remember stopping halfway down my driveway and thinking, "This is not going to work." Then I sat in my car contemplating turning around, calling my old boss, and asking for my job back. That day, somewhere deep inside, I found the courage to go to my new job. I walked through the doors with my head held high as if I owned the place. I've never looked back since.

What does Pride mean to me?

WE have two choices in life; we can drown in a sea of pity or stand defiantly on a mountain of pride. I choose pride. It is pride that gives me the courage to knock on doors and the strength to rip them off their hinges when they refuse to open.

Jeff Germany
Mr. Charity America 2009

What is your favorite pride memory?

I have many favorite memories but my two favorite were the first time I was Mr. Charity America riding horseback with my Miss, Nicole Jabobs & I am looking forward to riding in the parade with my current Miss, D'Aundra Denny.

D'Aundra Denny
Miss Charity America 2009

What does Pride mean to you?

Pride means being proud of who you are and what you do for your community. I am proud to be part of Home For The Holidays Texas, Inc. which helps people with AIDS be with their families during the holidays.

Judith Dumont
Director of Administration, Youth First Texas

What's your favorite Pride Memory?

My favorite pride memory would have to be the first year I walked with Youth First Texas—the only non-profit organization in north Texas that serves LGBTQ youth ages 14-22. There were a few youth who had never been to pride, and they were so overwhelmed by the community who was cheering them on as they walked down Cedar Springs that they teared up and started crying tears of joy! They mentioned how they could never feel alone as an LGBT person due to that singular moment—the visual of 30,000 people being supportive finally communicated to them that who they are is valuable.

What does Pride mean to you?

To me, Pride means walking through this life with an unshakable belief that we are all deserving of equal opportunity and equal rights. It means standing together as a unified community, declaring that LGBT people and their allies are not going to stop fighting until we see our society evolve, dismissing the second class citizenry that is encroached upon LGBT people. I am a PROUD ally for this community, and I will not stop fighting for my LGBT brothers and sisters until change is made.

Blake Baker
Board Chairman for Purple Foundation - Dallas Purple Party

What's your favorite Pride memory?

Probably my first pride parade ever... I mean, where else can you see drag queens, dykes on bikes and leather daddies all in one place? Definitely something for everyone!

What does Pride mean to you?

Pride means bringing together all segments of the gay community to celebrate life and pay tribute to those who have fought for our equality. Though being gay has become so much more widely accepted, we still face many challenges and much more work needs to be done until we have the same rights as everyone else.

Robert Stahl
Alexandre's Bartender, Writer & Superhero

What's your favorite Pride memory?

My favorite Pride memory is from 2007, and my first opportunity to march in the parade. I got to throw out beads and trinkets alongside the Alexandre's "float", which was basically a beat-up old clunker with the bar's name spray painted along the side. I wondered if that car was even gonna make it to the end! But there was such positive energy coming from the crowd. I mean, they were really into it! It was an exhilarating moment that I'll cherish forever.

What does Pride mean to you?

To me, Pride is a day where we can get together with others like ourselves and share solidarity. It's a day to celebrate, to make new friends, and to put aside our own differences by banding together and showing the rest of the world that we are not ashamed or afraid of who we are and how we love. We're here, we're queer, so suck on your Lexapro

and deal with it!

Memphis Coy
Metroplex Metrosexual Supermodel-At-Large
www.facebook.com/memphiscoy

What's your favorite Pride memory?

I think I remember something that involved 8 fellas, 2 fantasies and a football game

What does Pride mean to you?

Walking an extra 18 blocks because there is not going to be any parking.

Kiwon
Woody's Bartender

What's your favorite Pride memory?

My very first pride in 1995, I was a country boy coming out to a city where it was great to see everyone supporting one cause here in Dallas.

This Week's Art of Strolology

Virgo Famous Birthdays..

Aisha Tyler, Jimmy Fallon, Sophia Loren, Nicole Richie, Rob Morrow, Tom Felton

Aries (March 21-April 19)

The urge for you to communicate is strong. You have a full range of emotions that need to be expressed. Generous and courageous, you are not afraid to lend a helping hand. It is important for you to stay physically active to avoid feeling moody and disconnected from others. Being by the water, especially the ocean, can be healing. Your personal color helps balance any restlessness you may be feeling. Wearing, meditating, or surrounding yourself with the color Cherry Tomato helps integrate the outgoing side of your personality with the spiritual and quiet side.

Taurus (April 20-May 20)

You are talented in so many areas that it can be a challenge deciding just what are to pursue. There is a lot that goes on underneath the social persona that you present to the world. You have an active imagination and carry many thoughts and ideas that you are trying to understand and assimilate. Your personal color helps you feel steady and safe as you make important decisions. Wearing, meditating, or surrounding yourself with Juniper helps dissolve any judgmental attitudes that may inhibit your growth.

Gemini (May 21-June 22)

People find you endearing and enjoyable. You can often be found in the entertainment business because of your wit and sensuality. You have a personal side that you do not share with everyone. Extremely bright, you can feel separate and misunderstood when people don't appreciate your thought process. Your personal color inspires you to express your total self and not just a limited persona. Wearing, meditating, or surrounding yourself with the color Rumpkin helps you integrate the emotional with the intellectual side of your nature.

Cancer (June 23-July 22)

A loving home and family are important to your emotional well being. You are a natural builder, and creating a strong foundation on which to build is imperative. You are not afraid to work hard to achieve your aims. Productivity and financial security are things that you take very seriously. Your personal color helps balance responsibility with playfulness. Wearing, meditating, or surrounding yourself with Lily Green reminds you to share your gifts and talents within your community and with the world at large.

Leo (July 23-August 22)

You have many gifts and talents. Your ability to make something out of nothing is awe inspiring. People like you, and when you feel centered, you can move in and out of professional and social spheres with grace and ease. You need a certain amount of independence and recognition to do a good job. Your personal color inspires trust and flow. Wearing, meditating, or surrounding yourself with Feldspar integrates your need for independence with your desire for a loving partnership.

Virgo (August 23-September 22)

People born under the sign Virgo are kind and compassionate. You have a giving and generous spirit. Artistically inclined, you want and need to express your talents. You long for a truthful and authentic life and are continually learning and striving to become a better friend, mate, and person. Your personal color helps you move through past hurts and anger. Wearing, meditating, or surrounding yourself with Veronica helps balance your life with discipline, self love and compassion.

Libra (September 23-October 22)

You are creative, magnetic and have a flair for performing, or doing anything that requires imagination. A healthy lifestyle and creative outlets that allow you to express yourself are vital. Your daily schedule is important. The sensual part of your personality can push you toward excess if you are not mindful. Your personal color vibrates to the many facets of your personality. Wearing, meditating, or surrounding yourself with the color Grapefruit enables you to feel balanced in the midst of the numerous changes that occur from day to day.

Scorpio (October 23-November 21)

Your gift with words and nuances can be quite dazzling. You need to be connected with nature and the outdoors. Although your mind is active and alert, being close to nature moves you toward wisdom and away from the trappings of over thinking. Miracles happen when you connect with trust and quiet. Your personal color helps you pierce through confusion and restlessness. Wearing, meditating, or surrounding yourself with Jester Red inspired patience and knowing.

Sagittarius (November 22-December 21)

You are talented and persuasive, and there is much that you can accomplish once you put your mind to it. You are a natural achiever, you expect to win and often do. You want to move around and connect with interesting and important people. As if in a game or a sporting event, you want to play with people who are on your level or better. Your personal color blends your depth with wisdom. Wearing, meditating, or surrounding yourself with Riviera reminds you to stay lighthearted and enjoy the game.

Capricorn (December 22-January 19)

Your ability to see things that others can't is quite extraordinary. You are a builder and an architect. Whether you are designing a floor plan or brainstorming conceptual ideas, you are capable of envisioning things before they even exist. Colorful and unique, you like to do things your way. There are times, however, when you need to leave room for the opinions of others. Your personal color encourages you to build your dreams.

Wearing, meditating, or surrounding yourself with the color Cognac helps you connect with the seemingly impossible and partake in the creation of beauty.

Aquarius (January 20-February 18)

You have a strong independent streak and know how to do things for yourself. Making decisions, following an outline, and doing anything that is cerebral in nature comes easily to you. It is important for you to honor the emotional side of life. Especially in regard to relationships and expressing your feelings. Your personal color helps balance the aggressive with the sensitive side of your nature. Wearing, meditating, or surrounding yourself with Burnished Lilac helps you to yield when necessary and increases your receptivity, flexibility and compassion.

Pisces (February 19-March 20)

You have a gift for writing and conceptual design. Many people born under the sign Pisces are involved with some form of charity. Your mind is naturally active, so you do not need an excess of caffeine or stimulants. Try not to let your vivid imagination turn into worry or negative thought patterns. Your personal color helps balance the mental, emotional, and physical aspects of your being. Wearing, meditating, or surrounding yourself with Rose Tan helps you focus and direct your creative talents toward the greater good.

This Week's

TEA

AUSTIN

Our weekly romp through the Capitol City had us

drawn with a passion for hunks in wranglers to the Rainbow Cattle Co. Julio, Peter, and Isaac were partying at the renown Bear hangout, ready to boot scoot the night away. With Splash in their rear-view mirrors, we hear the Bears are preparing for a flannel-ridden fall!

We hopped in JR's cab cab, busted down the block, and in no time found ourselves at the door of CP. Thirst? YES, we are at the haven of Damon and former TWT uber-hunk David. The club will be going Tribal later this month, we wonder if that means a near-nekkid David in war paint, ahh the fantasies. Be sure and schwing by the new CP ahh Thirst and see owner Damon, and maybe get a little Tribal.

Ahh 4th street, sweet, ever so sweet 4th street. The home addresses of everything tasty skinny twink and those who twink-watch. It is an Eagle Scout merit badge, ya know! We just love young college dudes and we always know we can find

you lurking around 4th street. We slide on in to Rain and skillfully dodged that block-long line and pranced right up to Scott and Casey, the most fun bartenders to walk this side of 4th street. We always love Rain on 4th, there is always some one to drink with and never a dull time doing it.

Would it be Austin Tea if we didn't tell you precisely how to get to Oilcan's? That's a big NO! So out of Rain, turn right. Go past the water fall, and low and behold you're at OCH, Oilcan's, the can, or formally called Oilcan Harry's. We winked

at the handsome doormen, hopefully one of them will grace our TWT Files soon, and blew in to find humpy hunk George shirtless and tantalizing us with his pec-tacularness. Super sexy porn star Dallas Reeves will be dancing down the house on September 25th, he of a couple Channel 1 or Black Scorpion Flicks. You might have seen his hotness in that quirky TLA flick, Another Gay Sequel.

The only thing hotter than the anticipation of sexy porn stars to arrive at OCH is what was going on right now just a couple blocks away. We grabbed a pedi-cab guy in a kilt and then got in to his cab, ahem, and pulled to a screeching halt out front of the 3 in 1 for fun The Rusty Spurs for the Capitol City Front-Runners wrestling event. Sexy studs

all lubed up and rolling in oil, with Dane dancing merrily about. Emerald City and Colors are a big addition to this area of town. Make sure you check with Bobby Hemby for the details, as a little class entertainment will tinkle the ivories and your senses. check out next week for a special coverage of this style of entertainment in Texas!

DALLAS

Everyone who is anyone, or who has been around Dallas' Gayfolk recently realize it is PRIDE celebration time in Big "D"! The Alan Ross Freedom Parade is but one of the high points, check out our Best Bets section for more information.

The party continues at BJ's NXS while preparations for this weekend have peaked. Willie, Blaz and Vega were captured by our own Brett

Vander in this cruise-camera image recently. All three enjoy the dancing men of BJ's NXS and we look forward to having a great time with them during the parade!

Woody's hosted the Cedar Springs Merchant Association's Thank Glaad It's Friday party and

we captured some exciting images of hawties in attendance plus some key members of the organization, too. Just check out Bill and Elliott! You can expect the sporty set to be celebrating Pride in style, maybe with one eye on the TV's as the

Cowboys play!

The Round-Up has many special events lined up for Pride and we expect many more handsome men in starched shirts to cross their threshold than normal this weekend! Recently they played

host to the Cedar Springs Merchant Association event and we snagged some sexy city slickers on camera for your viewing pleasure!

FT. WORTH

Over in Cowtown we see that the Rainbow Lounge is still on the grind. With it's stable of fine dancer boys it remains the hottest spot to catch a grinding guy or the gorgeous Whitney Paige making them grind for you! Our cruise camera caught a grinding gal for ya.. Miss Sierra Nicole Andrews! Feast your eyes on the lovely femme fatale.

Hold the presses; we caught some tea that was "hot" and fresh. We come to find Stampede has gotten the sparks a flying and seems to have really caught fire. No one was hurt as the gossip goes, and we hope that the local historic club will get up and running very soon.

Ft. Worth Pride will be coming soon, a week into October will see the trucks and floats lining up to parade proudly and merrily down the streets.

GALVESTON

It's been a year since the Island was rocked by Hurricane Ike, so many sad situations that reached far in-land before ending. Galveston has rebounded and a celebration was held on the anniversary of the tragedy. 3rd Coast Beach Bar have a perfect vantage point for the fireworks shooting through the night sky, we hope you were

there! Shelby St. John sure was, she of the diva set, and hostess for some of the sexy shows held weekly. She is pictured here, along with birthday boy Dustin, in a recent pic...

Galveston is gearing up for it's Pride celebration as well! Our own DJ Chris Allen will be on hand with a bevy of singers and stars to party and be proud! Check out the information our house DJ columnist has in his Groovelines section at the beginning of this very magazine!

HOUSTON

South Beach brought the "coolest" act in illusions to the pre-Britney tribute event recently. Nationally-known Britney mirror-image, Derrick Barry brought her act and winning personality to celebrate the festivities along with DJ Riley. Pictured here with our sultry sister, Kara Dion is Derrick, fresh from his stint at Divas Las Vegas, with former Texas, Larry Edwards.. but more on that in a "cool" minute. Special thanks to Kara, who diva-s it up at South Beach regularly!

The word on the internet this week, and we expect to hear confirmation any minute now, was that a certain Manager would be drenched in the Fa-boo Meteor Showers! We heard Kofi splashed through, but we had hopes for the handsome member of the management set would join her! Look how much fun Quintin of Marcy Fletcher's Manwatch men is having!

George is home to all sports lovin' cowboys and their fans! With the Texans taking to the field,

and the College games on all screens, the atmosphere is right pleasing to our senses. Just check out the grins on these satisfied Geore patrons. Both handsome and smiling...

Club Crystal plays host to many of Craig Henderson's events, we flash back for a hot moment to reflect upon Robert and Christina Ross as they viewed the crowning of a new Miss Gay Texas

USofA. Always full of the best in Hispanic style and culture, check out Club Crystal and tell them TWT sent you!

SAN ANTONIO

Horrific, smashingly horrific were the thoughts that flew through the heads of the TWT staffers as we went to review all the marvelous pictures that we had snapped. It appears that in every photo this week we have apparitions and ghosties butting their ugly heads into our photos. Strange as it may seem we will send them off to Ghost Stories on SyFy channel in hopes to find our cruise cam is indeed haunted by some spook or specter.

Lucky us we did find a photo that was insert-able into this weeks tea for the Alamo city. Not a shabby picture indeed as we welcome Dick's newest addition to his many gorgeous staff members at 2015. Just take a look at Christopher and that

killer smile of his. Take a detour off the strip and head right on over to The 2015 and say hi to Dick and all his gorgeous stable of boys.

We were also so blessed to happen upon Peter once again at the Silver Dollar. We just love this guy here. He always has a smile, willing to help

out at the drop of the hat and manages to manage the #1 boot scoot N boogie-a-torium in San Antonio. When Peter isn't behind the bar styling and smiling while serving up his drinks with his edge of flare you can catch him juggling bottle and blowing fire and other hot things through the air. If that is not enough, Peter even throws his son into the act over at SD and they both set the night afire with passion.

Finally last week we were danced to death over

at Heat night club as DJ Blain blasted down the house. With free glow toys at the door, and a packed dance floor of shirtless bois. TWT grinded and writhed to the rhythm most of the night. This year's Black and Light party was something we hope will be repeated. This party was most defined amongst epic award levels. Don't forget as well, every night, but Saturday night, you can catch a great show at The Heat with Erica Andrews, Shady Lady and all the fabulous drag cast that call this club home.

It saddens us that this week's tea was written in such short lines. Our quest to get the cruise cam de-bugged, exorcised or spiritually cleansed is in the utmost thing to do right after we get our H1N1 vaccine! Swiney, how we love ya, how we love ya...

HOT CHOCOLATE

Like Tea but sweeter and richer...

Legendary disco diva, Larry Edwards, known to some of you as Hot Chocolate, has been on the road once again, this time instead of Milwaukee as reported last week, she was down the strip as part of the Labor Day review "Diva's Las Vegas".

Larry's Tina is epic, and we are happy to see her on stage - on the strip - even on film! Yes, reports have Larry playing the legendary Sylvester... Larry is pictured here in "geish" a few years back with the legend him-

self. We have broken out in sequins, thrilling!
