# GROOVELINES

by DJ Chris Allen

Howdy disco citizens! It's time for your weekly dose of Groovelines – your source for what's hot and hip in the land of electronic dance music and beyond.

Over at iTunes, and hot for digital download, is the new remix single from Moby titled *Mistake*. This EP contains 11 different versions of the song and is priced pretty reasonably at 8 bucks. Personally I am digging the electro groove going down on the Lifelike remix. It is quite club friendly. Unfortunately, you have to buy the entire package to get that particular mix. That's right, this track is "album only." Why does iTunes always pull that crap?

Oh yeah, to make money. Duh. Including the Lifelike mix, there are 3 album only mixes on this ep. And of course, they are the best mixes on the release. The Maxime Dangles mix offers a more progressive trancey sound while the Funkagenda remix has more Gary Numan / Killers vibe about it. You might also like the Yuksek remix, the Shout Out Out Out remix, or the Soundfly - Rusty Egan remix. *Mistake* is the second single from Moby's amazingly awesome full length album *Wait For Me*. Moby will be performing live in Houston on October 3rd at Warehouse Live and in Dallas on October 4th at the Palladium Ballroom. For more info, head on over to the interactive site, [www.moby.com](http://www.moby.com).

Other noteworthy releases this week include the full length album *24/7* from Gusgus, *West End Girls* by We Have Band, *Kaleidoscope* by Tiesto, *To Be The One* by Dash Berlin featuring Idaho, *I Gotta Feeling* from the Black Eyed Peas - Taboo's Broken Spanglish remix, *Midnight Sessions* from Worldwide Groove Corporation, *Evacuate The Dancefloor*

by Cascada – the PH Electro mix, *Back To You* from Oscar G – the Friscia & Lambroy Club Mix, *Heartbreak (Make Me A Dancer)* by Freemasons featuring Sophie Ellis Bextor – the Angger Dimas remix, and

Loopt, MySpace, and Facebook.

A quick reminder for all of you electronic and dance music acts and producers who have product available to purchase online - send me your disc or press kit for review, via USPS, to 115 N Main, Bryan, Texas, 77803. You can also e mail a download link to [djca.groovelines@yahoo.com](mailto:djca.groovelines@yahoo.com). If it kicks ass then I'll let the world know. Let me have it Texas! Send me your best. I dare you.

*Precinct* from the Stanton Warriors – a serious tie between the Plump DJs mix and the AC Slater mix – both rock it right. Great stuff. You'll find those floor fillers and more online at iTunes.

## Heartbreak

(Make Me A Dancer)

Deep in the heart of Texas, that is the Groovelines for now. You know the golden rule boys and girls - play it loud and disturb the neighbors! The scene can only grow and thrive if we participate in it folks. It exists because we make it so. Be active, support your local talent. Buy, don't share.

**Remember, life might not always be the party you had hoped for, but while you're here you might as well dance.**

You can hear me play these mentioned hits and more every week at South Beach & Meteor in Houston and at Halo in Bryan/College Station. Be sure to tune into Hypersonic Radio every Saturday night at 10 pm on 101X in Austin or stream it live on the web at [www.hypersonicradio.com](http://www.hypersonicradio.com). Mark your calendars for October 24th when I will be joined by 80's pop star Tiffany, Jay Arseno, American Idol finalist Kady Malloy, and my pal Toddicus on the main stage at this year's Galveston Pride festival. For more info on these and all other up-coming DJ

A REVOLUTION IN ONLINE DATING...

LEFT TO RIGHT: RAY BROWN AND RAJESH LAHOTI

A revolution is happening in the online m4m community. Tens of thousands of men are joining FindFred.com, a site for gay men breaking new ground in terms of design, usability and member connections.

Why is everyone buzzing about FindFred.com, and what makes it one of the fastest growing m4m sites in the world?

*"We aim to be the 'iPod' of the online industry," said Rajesh Lahoti, CEO and founder of FindFred.com. "There are dozens of m4m sites out there, but we're doing our site differently...thoughtfully. We are revolutionizing the gay matchmaking scene by focusing on design to make the user experience fun and easy. Most other sites are focused on selling you toys from their stores. It's become so difficult to login and see profiles on most sites. We focus on simplicity. On our site members can search guys, browse results, see a full profile, email a member, start a chat and request a match score on one page - no pop ups. Our members love it. We are striking a balance of great design without being over designed."*

Much like Apple, FindFred is truly innovating. The visual profile is intoxicating. What was once a mundane chore is now visually stimulating. Even Facebook has to take note of the simple Visual Email that lets you browse emails, read them, reply to them with a new "In-Line Reply" and see who sent them without a pop up or screen change. Even the Quik-E is easy where you can store three canned replies and send them with a click. Finding Fred will definitely be easier to use and easy on the eyes.

Fred is that one-in-a-million guy that's out there - your "perfect match" - your new best friend - your chat buddy. Unlike many dating Web sites, FindFred.com matches its users based on the visual profile allowing them to pick their personal quirks, physical traits and turn-ons. The site is designed

to foster friendships through this cutting-edge technology that has (finally) made online dating fun and just for the LGBT community.

Basic membership is free on FindFred.com and covers all functions, offering up to five matches a month. A premium membership of \$5 each month is also available (with no contracts) and allows unlimited matches. As a special offer, members can use promotional code TEXAS and receive a free premium membership through 2009.

Ten percent of all revenue (generated mainly through non-intrusive advertising) will be donated back to charities including AIDS organizations, equality & advocacy groups and gay performing arts groups. FindFred members are able to nominate organizations they think need the support. The creators behind FindFred.com have already given more than \$1 million to LGBT causes throughout the past two decades. Says Lahoti, "Our charity component has received many member emails. Our members won't touch eHarmony because of their association with Dobson's Focus on the Family group. Why should they have to sue our oppressors to take their money? Now they have a viable alternative that also gives back to our community."

Though the site does make it easier (and worthwhile) for gay men to meet, FindFred is designed to get you out there, in person, with that special someone you meet online.

*"Chemistry happens live," Lahoti said. "FindFred is designed to help you get that first date. Join the revolution. You never know who you're going to find."*

# NoH8 Comes To Dallas

Dallas Event Images by Brett Vander Photography

Aaron, Malcolm, Tommy, & Cordey

**NO  
H8**

LA based fashion photographer Adam Bouska and his partner Jeff Parshley co-founded the NOH8 campaign in response to Proposition 8 in California which amended the state constitution and outlawed same sex marriage. To fight this proposition and express the silenced voice of the GLBT community, they came up with the idea to visually represent having no

voice by duct taping shut the mouths of their models along with writing "NOH8" in black and red on their faces and capturing the image. From it's humble beginnings with participation of friends, the campaign has grown to over 1,700 participants and it continues to expand as more people participate and support the cause. Notable participants include Kathy Griffin, Margaret Cho, Steve-O (as both a bride and a groom proposing to himself), Dr. Drew, Taylor Dayne, Kim Zolciak, Michael Emerson, Isaiah Washington, Guillermo Diaz, Andy Dick, Meghan McCain, Tara Reid, Jack Mackenroth and Fran Drescher just to name a few.

Thanks to community collaboration, especially on behalf of the Dallas Tavern Guild, North Texas GLBT Chamber, llume and American Airlines among many, the couple was able to be invited to Dallas during gay pride weekend to exhibit the NOH8 collection for the first time in a state outside of California. During their stay in Dallas, they photographed about 100 notable people in the local GLBT community and their allies at their temporary studio at llume. Later on the eve of Dallas pride, their exhibit opened at llume for its weeklong debut amid a wine and hors d'oeuvre gala. Featured were collage panels of people who have previously modeled, some of whom were in attendance that evening.

Stay tuned for the NOH8 images of Dallasisites at [www.noh8campaign.com](http://www.noh8campaign.com) which will be posted in the near future.

# ISRAELI AUDITIONS

AUDITIONS 31

**Lucas Entertainment  
Goes to Israel**  
by Mario Mares

***Michael Lucas has done what no other Director  
has done.  
Gone to Israel and made a couple of films...***

Gone to Israel and made a couple of films. That's right. Michael decided to go into uncharted territory with the world of Gay Porn and see what he could come up with. And he did come up with some fantastic new Stars. Why has no other Director thought of this? Well at this point, it truly does not matter. Lucas Entertainment has done it with Michael Lucas leading the way for a new frontier. The two films that were created are "Men of Israel" and "Israeli Auditions-Auditions 31" which I am showcasing this week.

The reason I am doing them backwards, "Men of Israel" was released first, is because in order to get to this groundbreaking film, I wanted to introduce you to a few of its stars. Not all of the men in Auditions 31 are in Men of Israel. That cast is much larger. With a cast of seven gorgeous men, Michael Lucas included, you won't be disappointed in Auditions 31. Many stars have come by way of doing one of Michael Lucas's Auditions films. The couplings in Auditions 31 are absolutely on point. All of these men have a great future in the world of gay porn, but one stands out above the rest. Matan Shalev, who has the most gorgeous ass that I have seen in quite awhile is going to shoot up to super star status rather quickly. The rest of the cast is made up of, Jonathan Agassi, Avi Dar, Ben David, Idan Shagev and Chen Shaout. All of these men have their own unique look as you see in the photos attached to this review. Go out and get yourself a copy of both "Israeli Auditions-Auditions 31" and "Men of Israel". You won't be disappointed with either choice or both! In our opening scene, Michael Lucas pairs himself with none other than the gorgeous Matan Shalev. Michael does a little bit of prodding, asking Matan about his first gay sexual experience. After the interview, the real fun begins. Michael gives Matan what he knows he has wanted, his

dick. Matan is no stranger to oral sex as shown here. Michael proceeds to lube up that gorgeous ass of Matan's with spit and we see nothing but sexual pleasure and enjoyment on the face of Matan. Matan actually screams when Michael first enters him. Michael does Matan in as many positions as he possibly can making him cum first and then Michael finishing off by feeding Matan his load.

Next up is another scene with Matan but this time he is paired up with the gorgeous and very sexy Avi Dar. Avi goes to town on Matan's dick while he is being spanked by him. After they go back and forth on each other, rimming included, it's time for the fucking to begin. This time Matan is the one doing that and Avi has no problem being on the receiving end of it. Matan gives it to him, showing he is just as good a top as he is a bottom. They both have explosive orgasms.

Scene 3 has Michael again, this time paired off with Jonathan Agassi, who is a hot bearded hairy chested man and Michael is very turned on by him. Just watch the scene from beginning to end, you will see what I'm talking about. It starts off with Jonathan swallowing all of Michael's uncut monster of a dick. After this, Michael places Jonathan on all fours and proceeds to do what he loves to do with someone as hot as Jonathan, eat out that gorgeous hole. Finally, Michael gives Jonathan what he's been craving for, to be taken by Michael and that Michael does. Michael ends this scene by blowing his load into Jonathan's wide open mouth.

We then move onto Ben David and Idan Segev, where they first discuss gay life in Tel Aviv with Michael. These two twinks can't wait to get at each other so Michael steps out of the way to

let them tear at each other. They start off by making out and touching each other's bodies. Idan then deep throats Ben while spanking his firm ass. They switch positions and Idan face fucks Ben, then turns around and bends over for Ben's monster dick. They both enjoy themselves and Idan ends up laying back as Ben blows his load all over Idan.

It all comes to an end in Scene 5 with Michael topping Chen Shaout. Michael gives Chen his dick to feed on for awhile, before laying him on his back and getting his hole nice and ready for the final fuck of the film. Chen is very eager and backs up onto Michael's dick. Michael literally makes Chen cum while fucking him and then finishes himself off all over Chens body.

The main thing that I noticed throughout the film is that these boys of Israel truly love dick. They back up on it with such force it is something to watch over and over. They are all hungry for it and it shows. Running time of this DVD is 160 minutes of pure sex, with a little interview here and there. Extra's in the DVD are Cast Interviews, Hardcore Trailers and it is Playable World Wide. If you want your own copy of "Israeli Auditions-Auditions 31", go to [www.lucasentertainment.com](http://www.lucasentertainment.com) or dial there toll free number at 1-888-562-9125 to place your order of this DVD or any other Michael Lucas film. I will give you all the next installment of Michael Lucas film, "Men of Israel" next week. Until then, get online and order both of these today! You won't be disappointed in either of them. Until next week, keep hammering away at your tool!

# This Week's

# TEA

## AUSTIN

As so many times before, we fly up the I-35 at break neck speeds to land ourselves down town in the capitol city. Our first stop this time was Thirst right off of Guadalupe. We had a special "thirst" this week and we heard that there was some tasty trade swinging away inside so we thought we would check it out. As we came to the door of Thirst formerly know as CP, we were greeted by the beef cake at the door, Felipe, who frisked us and checked us, twice upon request, and then escorted us right in with his dashing smile. Then lo and behold like a little ray of chocolate sunshine we saw him there slithering and writhing on a pole. Yes sir, Jay was working it, the pole, our dollars and our last gay nerve as he teased till we could handle it no longer. We jammed our last single into the crack of Jay's booty and pecked him on the head and left in a hot bothered mess.

We love the Austin Bapstist Women perchance, as we were hunk cruising, we stumbled into a fabulous show being put on by them. It was their 23rd anniversary of the troupe, being feted in a special Hearts for Hope revue. These gals are constantly doing good things in the community

and it just fills our hearts with joy to see them time and time again on making great things happen. When it comes to good country fun and hot live bands we just love some Rusty Spurs, they always have great things about at Emerald City and Colors, housed inside this mega-plex, and great staff ready to please at the drop of a hat. Just ask Dane, he'll show ya!

Now, that we were ready to take it to a warehouse level of party proportions, we skipped on over to 4th street. As hot as we were from skipping, we headed into Rain to cool off with some bad ass drinks served up by our buddy Scotty. Fresh from his "Martini the Movie" showing recently, we

caught up with Robert L. Camina celebrating success on the patio with Matthew of OCH and some

good buddies. This is one reason why we love Rain. No matter what day of the week it is they are gonna party the wheels off the bus.

As we do, after a good time at Rain, we go and make it even better by sliding right on in to Oilcan Harry's just a bar hop away. Now some of you may have heard that the drag on 4th street is dead. Well you're wrong, it has gone mad! That's

right, OCH's Mascara show has gone mad and they are not ashamed. We caught these lovely divas just before curtain call, Brazil, Oddyssey, Denise, Goldie, Simone, and Cielo, and right after they gave us some face for the cruise cam, they dashed off and performed a set that could only be described as MADDENING. As we stayed to party the rest of the night away we danced our asses off to the grooves of DJ Bang. We also can't wait till tonight when Dallas Reeves, porn star extraordinaire hits the stage around 10pm. This Channel 1, Black Scorpion video stud is sure to get you thinking about leaving your husband and wiping out the joint bank account.

Preparations are underway for Ft Worth Pride, with special guest performance by Jonny McGovern. He of Rosie O'Donnel's Biga Gay Sketch Show on Logo and his infamous Podcasts. Jonny joins the celebration which we are

sure will include the likes of Chad and Michael or Jeff and Jada caught whooping it up at the faboo Rainbow Lounge.

# GALVESTON

Also working their Proudest to prepare for Pride are the residents of Galveston. It comes shortly after Ft. Worth's with the likes of recording artist Tiffany and our very own DJ Chris Allen. Certainly the island will be rocking just like it was the other night when these 2 rowdy boys dropped trou at 3rd Coast Beach Bar! Babies!

# HOUSTON

Although the hottest days of summer are behind us, South Beach remains the Coolest Place on Earth, they have the power to drop the temperature of the club 20 degrees in the matter of seconds as shown here.. The Fall is full of fun here!

Over at Meteor we caught up with the handsome Mike, Peter and Ian, who posed for our very own

Isaac recently. We do know Isaac was impressed particularly with Peter's Pecs... and we admit they made us take pause as well. Handsome men abound at Meteor, just ask Jose.. he of the handsome set himself!

We dashed in to the Mining Company for a little of what it is known for.. MEN and that is what we found in Alex of CJ Harrington's Muscles in Action. From the looks of things, Alex had a lot more in action than muscles, which cause an intense pounding in our.. chests. With flushed faces and wide-eyes, we sipped on our beverages and handed over several green backs to the buff beau of the moment.

Guava Lamp has long been one of our favorite hangouts. Often we have been slung up between the likes of Bubba McNeely, Kara Dion and Toddicus on more than one adventure there. Toddicus will be headlining in Galveston as well as onstage at this cozy spot in the coming weeks. With their SIN Nights and Thursdays full of long Island Iced Teas, we know where the party is at!

George plays host to all the games, in fact we often settle in on a Sunday afternoon and become entranced by the Texans or the NFL team of the day. Sports bars are always a great watering hole for handsome men, coupled with football on the brain and it become a HUGE melting pot of testosterone with a country/western flair. Just imagine the uproar and excitement when scoring! Umm a touchdown, that is.. no one would imply that about George! No Sir!

Tim and the guys at Male U Wear have the last few days of their September sale going on this weekend, we know you want to schwing through and pick up something special for Fall. With the latest in under things and more, including gifts and sexy things to show off, Male U Wear has all you need for some early Holiday preparations.

Also getting ready for the Holidays is Chris at Hollywood Super Center! He has all that you could need for a pre- Halloween celebration and more. Just check out his devil-ish grin, yo know he has something special for you to look forward to! Drop by and tell them TWT sent you.. and prepare for the party!

Congratulations are in store for the new Miss Gay Texas at Large USofA, Samantha DeSante, who was crowned recently at Club Crystal. Craig Henderson put on another excellent event, as witnessed by Taj Mahal, Miss Gay USofA at Large. Samantha will compete for the title Taj holds soon, and we wish her the best of luck from Texas' Tea!
