WHAT HAPPENS WHEN A FORMER ABERCROMBIE & FITCH MODEL  
TEAMS UP WITH AN AMERICAN IDOL ALUM  
TO RE-MAKE AN 80S POP SONG?

## AMERICA'S POP MODEL TR Releases "Give Me Tonight"

by Peter Hoffman

Why, a new dance floor phenomenon, of course! TR and Frenchie Davis' cover of the Shannon classic, "Give Me Tonight", is skyrocketing up the Billboard charts.

It was TR's idea to re-vamp the song. *"I knew I needed to find a powerhouse diva with attitude that could take the song to a new level. When I heard Frenchie belt out the first verse, I knew I had found my singer."*

TR divides his time between New York and California, where he is expanding his repertoire with additional tracks that fall into his newly created Dance-Hop genre. He has his sites set on being the new guy face of dance music, a distinction Frenchie Davis supports. *"Let's be honest," she said from her home in Los Angeles. "He ain't bad to look at."*

**Have you been compared to Marky Mark?**

TR: Wow, funny you say that. Somebody just told me the other day that I resemble Mark Wahlberg. I like to think they mean that I can pass for his much younger brother.

**You even sound like him.**

We both have the Bean Town accent. Actually, I'm from Rhode Island, but its close enough that we sound the same.

**Marky Mark went from rapper to model. You went from model to rapper.**

(Laughs) That's true. Modeling allowed me access to a lot of powerful people in the entertainment industry.

**Let's start from the beginning. How did you get started in modeling?**

I landed my first two major campaigns when I was two years old.

**What were the campaigns?**

Gerber and Fisher Price. I was just a cute little baby eating from a baby food jar and playing with toys.

**You went from modeling diapers to underwear?**

Yeah, for some reason I've always been cast in campaigns that require very little clothing. I don't get it.

**What was your first major adult gig?**

I landed the Ralph Lauren and Abercrombie & Fitch campaigns at about the same time.

**Is it true an executive from Abercrombie & Fitch discovered you on the street?**

I was approached by their creative director, Sam Shahid, on the street in New York City. I was literally buying a hotdog at a stand. I totally thought the dude was trying to pick me up but he was legit and featured me in several campaigns. Like they say, only in New York, kids, only in New York...

**Were you featured in the catalog or in stores?**

I appeared in their catalog a few times and several of my images were displayed in stores too. It was an amazing experience. I would get calls from friends all across the country who saw my photos in malls. They were a bit scandalous but sex sells clothes, right?

**What did your family say about your provocative A&F images?**

They were proud of me. Of course, I only showed them the less racy spreads.

**What was the best thing about being a model?**

The best part was traveling around the globe, meeting a lot of interesting people and being treated like a celebrity.

**The worst?**

Dieting.

**We hear a lot about the seediness of the modeling biz. Did you experience any of the darker side?**

I would see models starving themselves to squeeze into a pair of 28 jeans for a shoot. I always thought of eating disorders as a girl thing but male models fall victim to it too. That was never for me. I'm an eater.

**What about partying?**

I couldn't believe the amount of partying that went on. I swear those guys party harder than the music industry.

**How did you go from modeling to music?**

I was approached at a fashion party by a music label executive who told me I was marketable and that he could develop me as musician. I recorded a demo for him and was signed the next day.

**Did you always know you wanted to pursue music?**

Music has always been my true passion. I would spend hours listening to records and watching music videos as a kid. I never really fantasized about walking down catwalks. But sometimes the road to get to where you want to be can be a winding one. Modeling lead me to my music career. Truthfully, I don't think my music career could have been possible without modeling.

**Why?**

I wouldn't have realized that music was even a possibility for me. My success in modeling gave me the courage to go beyond what I knew as real.

**Is it a difficult to get people to take you seriously as a musician?**

Sure, I still have to prove myself as an artist. People always want to put you in a box. I'm seen as 'the model'. But this pretty boy can

lay down some serious vocal tracks too (laughs).

**How did you connect with Frenchie for GIVE ME TONIGHT?**

My agent is friendly with Frenchie's manager. When I was searching for a female lead for the track, my agent suggested Frenchie. She sent me her vocals and I knew right when I heard them that she was the voice I was looking for. She is amazing.

**Why re-record the Shannon classic?**

'Give Me Tonight' was my favorite song growing up and I thought it would be cool to re-record it with some hip hop beats. Also, this is the 25th anniversary of the song. I wanted to re-invent it for today's dance floor.

**What sound are you bringing to today's dance floor?**

I call it a dance-hop hybrid. I'm adding the sexy hip hop beats to dance music - TR style!

**Hmmm... Dance-Hop sounds similar to Marky Mark from the 90s.**

(Laughs) We're back to the Marky-Mark comparison? I guess you can say I'm trying to bring back the flavor of the 90's but with a new millennium twist.

**What's next for you as an artist?**

I'm hitting the road! This is really exciting for me. I enjoy performing my music in front of a live audience so I can't wait to begin touring.

**Will you have an open door policy on your tour bus?**

Hell, I'm single if that's what you want to know.

**Do music and modeling define TR?**

No, I wouldn't say that. Sure, my career is important to me just like it is for most people. However, my family and friends are what is most important to me. They give me the strength to keep going.

**If you could choose one thing - money or fame - what would you choose and why?**

I've been on both sides and I think I would have to choose money. Fame doesn't last. With money comes power, opportunities and the thing I crave more than anything right now - less stress.

"Give Me Tonight" is being released on Dauman Music ([www.daumanmusic.com](http://www.daumanmusic.com)) and distributed by Federal Distribution, in association with the Universal Music Group.

Everything you achieve is earned. You have great powers of perseverance and tenacity. Conflicts with others are common-place, despite your best efforts at harmony. You are steadfast in adversity and take pride in coping with life's challenges. You have an all-or-nothing attitude, usually your giving your all for nothing and still there are no takers...

## **Taurus** (April 20-May 20)

You have a practical and down-to-earth nature, coupled with a strong desire to create secure and stable circumstances in life. Possessions and financial matters are important to you and, generally, you like to manage your own finances. You know how to enjoy yourself and can, on occasion, indulge in sensuality. You tend to prefer the status quo to change, and can be quite inflexible and stubborn when you want to, be adventurous, try new things, but keep it out of the Animal Kingdom.

## **Gemini** (May 21-June 22)

You have an intellectual attitude to life, with mental alertness and an enthusiasm for learning. Always curious, your interests can range from the sublime to the ridiculous. You enjoy change and variety with respect to friends and acquaintances and maintain an active social life. You are someone who lives in the present and for the moment. Playful and mischievous, you can, at times, be superficial and inclined to flit from one thing to another. The stars are aligned to bring you great success in love this month, but nothing has ever stopped your meteoric stupidity from screwing things up.

## **Cancer** (June 23-July 22)

You have strong personal powers of attraction and desires. Deep and long lasting feelings, emotional constancy, loyalty and stability are important to you in close relationships. However, difficulties in love can come about from possessiveness or jealousy. There can be a tendency to over-indulge in the good life and to risk weight gain. Artistic appreciation and talent is possible in tactile creative expressions such as sculpture or ceramics. Canceroers are quick witted, engaging, bright and the proverbial life of the party. Thus, we have reason to doubt your claimed identity. You have been reported to the authorities.

## **Leo** (July 23-August 22)

While you are someone who feels things deeply, you experience some difficulty expressing your innermost feelings. Rather than freely showing your emotions, you tend to keep them under control. A serious person, you know and accept your responsibilities, especially towards your family. Other people are inclined to look to you for support, as you have an inner strength and maintain a cool head under pressure. You are ambitious for success and professional advancement. Paper can cut, and words can hurt. Which is why you should burn any mail that comes this week...

### **Virgo** (August 23-September 22)

Naturally philosophical, you are a seeker of knowledge and wisdom. You are interested in broadening your horizons and mental focus. To satisfy this, you will probably travel or pursue higher education. You can also be blunt and tactless. Sometimes the dreamer, you tend to think the grass is greener elsewhere. On occasion, you can ignore pressing priorities. People tend to know where they stand with you, as you are open and frank, you like the good things in life and you know how to enjoy them, but you're prone to bullshitting and you're a cheap bastard...

### **Libra** (September 23-October 22)

You have a highly charged emotional life and tend to act or react according to your feelings. At times, you are prone to bouts of moodiness or irritability, and arguments in the home environment are commonplace. There can also be disputes and fights with family members. Positively, you have a protective instinct that leads you towards creating a safe and secure home for yourself and your loved ones. You need to keep yourself busy around the home in order to burn off excess energy. Being born under the star sign "Libra" means that you love to end up on top – but from what we heard at the bar last night, you don't mind starting from a different position.

### **Scorpio** (October 23-November 21)

There is a need for you to form associations with people who have a clear sense of who they are and where they're heading in life. You are a responsible person, with a strong sense of responsibility towards others. You probably prefer few but sincere friendships in life. You have an inclination to seek contact with older or experienced people or those of a wide-age difference to you, hummm... simply stated I think your a gold diggin whore...

### **Sagittarius** (November 22-December 21)

You value freedom and the ability to come and go as you please. Honesty in love is important, and you strive to be truthful and open. Sometimes you can be too frank or even insensitive to another's feelings. You desire association with others who share an enthusiasm for fun and outdoor activity, or an interest in philosophical discussions. You have a friendly and positive attitude in love, but don't like being tied down or restricted, unless its in the bedroom, or the tree in the park.

### **Capricorn** (December 22-January 19)

You act with great self-assurance and self-confidence, especially in areas that are familiar to you. You have an enterprising spirit, coupled with the capability to demonstrate leadership and initiative. You like to take charge of situations and to exercise your authority over others. At times, there may be the tendency to act in an arrogant or domineering fashion towards other people. Your mean and self centered and think you should always be on the A list... truth be told you wouldn't even have made Schindler's Sht List.

### **Aquarius** (January 20-February 18)

You have your own unique ways of doing things and the ability to find innovative solutions to problems. You have a strong urge to act independently and will rebel against any restrictions imposed by others. Other people shouldn't presume to tell you what to do, as they will get a swift reaction. You assert your right to act freely and according to your own truth. You will also stand up for others, especially your friends, when they are being attacked. You are sharp, a quick thinker and good at puzzles. However these are your only good traits, you pick your nose too much and your to attached to your fleshjack ...

### **Pisces** (February 19-March 20)

Whenever you are faced with confrontation or aggression, your first instincts are to wait and see what happens. You prefer to avoid conflict and feel uncomfortable with competitive or aggressive situations. In general, you find it difficult to assert yourself and others can sense this and take advantage of it. You can easily be diverted, therefore you have to work hard against straying away from an objective. You are the eternal optimist, seeing the best of any situation. Any attempt to find solace through meditation and aroma therapy is destined to go wrong. Start smoking.

# THE VISITOR

RAGING STALLION  
STUDIOS

by Mario Mares

THE VISITOR  
*Raging Stallion Studios Sci-Fi Epic*

The group ABBA said it best, "These Walls have witness all the anguish of humiliation. And seen the hope of freedom glow in shining faces. And now they've come to take me. Come to break me. And yet it isn't unexpected. I have been waiting for these visitors. Help me! Now let us not get the two confused. Well this visitor is just one! His name is Epoc and he is the brain storm of none other than Raging Stallion Studios Director Tony Dimarco. A Sci-fi futuristic 2 disc 2 hour plus DVD starring Raging Stallion Exclusive and GAYVN Performer of the year Logan McCree and 2010 Raging Stallion Exclusive Austin Wilde. Other Raging Stallion Exclusive's in "The Visitor" are David Taylor, Bruno Bond, Angelo Marconi and Junior Stellano. Cole Streets, Damian Rios, Dominic Pacifico and Lucky Daniels round out the entire cast. The scenes are hot and sweaty and full of hot man-sex to the likes of what any fan of Raging Stallion Studios DVD'S are all about.

McCree's character, Epoc, is a scientific researcher from another world who comes to study the male species. Specifically the sexual appetites of the male species of our world is what he wants to learn about. His travels bring him to San Francisco. Where else would anyone who wants to know about male sex would one go? He first encounters Angelo Marconi and Junior Stellano, making out in front of a building. They get heated up and instead of going somewhere private, they choose the next best place, the alley. Angelo, smooth chested, loves nibbling on Junior from top to bottom. Hairy chested Junior loves to reciprocate and they take turns on each other. Junior has had enough foreplay and proceeds to fuck Angelo against a wall, bent over a garbage can and drills him within an inch of his life. Junior fucks Angelo as he shoots all over his body. Junior then pulls out and cums all over Angelo as well. They dress and leave but Angelo turns back, sensing that they were being watched. How correct he was to sense this.

Inside a club and it's pumping music and grinding men on the crowded dance floor, our next pairing is set up between Dominic Pacifico and Austin Wilde. They are so engrossed in each other that they do it right there in the club by the speakers. While they are getting hot and heavy, Epoc notices that someone sees him and as soon as he notices this, the man is gone. Wilde and Pacifico trade blow jobs and then Wilde fucks him senseless. Dominic explodes all over himself and Wilde soon does as well. Epoc, after witnessing both of these couplings, only wants to be part of this thing called sex between two men.

He returns to his station for more experimentation. He watches men having sex on a large screen. You just have to love all this new modern age technology. Even Adult Industry Corporations are using them now. He makes his selection and pleasures himself until he ejaculates all over his tightly toned tattooed body. But he realizes that this is not enough and decides to make the actual trip down to Earth. Epoc materializes in front of 2 men who are getting stoned. He makes his way back to a leather club and finds Daddy of all Daddies, Bruno Bond playing with a tied up Cole Streets on a St. Andrews Cross. But this time, Epoc joins in and proceeds to find out what male coupling is all about. He sucks on Cole and kisses both Bruno and Cole as well. It is a great pairing of all 3 men, each different in their own look. Bruno, hairy and looking and playing the role of Master to the T. Logan, tattooed and tight torso and Cole young and slender and a very eager and willing bottom and slave.

Epoc still hasn't completely found what he has been searching for yet. But then Epoc finds what he is looking for, two men in love. He comes across David Taylor and Lucky Daniels. They hurry back to their apartment and David proceeds to devour Lucky. Lucky has got to be the most sexy hungry bottom and it shows as David fucks him. Lucky can't seem to get enough of having David inside of him and receives David's dick like a man possessed. Anyone who is lucky enough to work with Lucky Daniels will be very lucky indeed. A bright future and definitely a Best Bottom Award are in the future for this young man.

Epoc returns to his lab one last time, still hungering for what is missing in his life. The mystery man who saw him earlier. Epoc returns and finds him and they connect. Damian Rios is the man who captures Epoc's eye. They go back to his apartment and both eagerly suck each other and flip flop on the fucking. Logan gets to fuck Damian first and then makes sure he gets his share. He proceeds to let Damian cum him until he cums all over himself. Damian pulls out and also cums all over him. They collapse, intertwined into a glowing light until they disappear. Do they return back to Epoc's laboratory? Maybe there will be a 2nd DVD later on down the road. Only Raging Stallion Studios and time will tell.

This is a much different style of movie by Raging Stallion, yet it hits the mark like all those before. Tony Dimarco is an expert at his art and should be rewarded. You can go online to [www.raging-stallion.com](http://www.raging-stallion.com) to purchase this online or call 1-877-327-0707. Add this to your collection of DVD'S. You have not seen the last of any of the actor's mentioned above in this feature nor it's Director Tony Dimarco or Producer Chris Ward. Other credits include, Music by JD Slater, Nekked, Dominic Pacifico and minor9. Photography, Geof Teauge and Kent Taylor and Graphic Design P. Cooper.

# AUSTIN TEA

This week in Austin we reflect to last week, as we once again traveled outside the downtown gayness to visit our friends at Bout Time. We were pleasantly greeted by Joe, Peter, and

Marshall. Ahh Marshall, a very long time friend of TWT, and one of our most favorite reasons to visit Bout Time. As always the scene was laid back and just down home feelin'. Even though this cute bar lies out side the ring of gayness that dwells in downtown Austin, its flame sure is burning bright all the time. Good times are had here all the time.

Now that we are pumped and primed and ready for a downtown-a-go-go, we shoot straight on over to Rusty Spurs to catch up on some of the 3 in 1 fun-atorium that houses Colors and Emerald City. For those of you who did not know, the owner of this bar, Jim, is one of the best dudes around in Austin. In fact, has been noted as one of the top 10 most influential gay activists in ATX.. We also wanted you to know, that in no way did Larry "swashbuckler" Dane from Jim like a "Somalian Pirate", it was really a carefully thought out, good will exchange on both parties ends. I'm just a mess of a hot mess, and had to complete my, "bar owners to be messed with" list, Jim feel honored to be my completing piece and I hope there are no hard feeling. Just watch what I write about David Green.

See Jim here it goes, David Green is an owner of Charlie's. All the other things that I could say about David is strictly off the record due

to the graphic nature of the writing it would take to just describe one of the many "good times" David and I have had. All that comes out in my new book "Cock of the Walk". Back to Charlie's, it's really not the bar owners that make this club anyway, it's all those gaytastic customers like David and Letty who grace the doorway. Gay men, lesbians, show girls, college guys, the list just go on. With all that

you have to have some fagtastic doormen like Glenn, Joel, and Russ. The staff at Charlie's also wants us to let you know that they are looking forward to playing host, as always for Thanksgiving Day, and hopes you make it out for some scrumptious vittles.

Over on 4th we stop into Rain to grab a few shots. With the disco dance floor packed,

and every other space that a body could be in. We let the cruise cam do the talking as

# AUSTIN TEA

we grabbed a hold and snapped this fabulous picture of Zeus and Mike. The best dressed were at Rain this night and beautiful people abound, like Jerominoe and Amancio. Rain sure is a great place for a man to get wet... ahem.

Over at Oilcan Harry's the party continues to bump as the return of Larry Davis has thrown a spark into the air. It's evident as well, as we can see this little spark, all lively like, al-readystripped down, and going for it all. OCH is also playing host this weekend to their first of many to come. Find-Fred.com sign up parties. To kick this off they are debuting DJ Paul Kraft as the Friday night DJ. This is another chance for Austin to come out and shake their ass.

blast dancing to the beats dropped by guest, DJ Rocky B. As word got back to us, this night was a record for this location and literally was a sell out night. Congratulations on your grand opening Sister's Edge II. Enjoy some images from the evening ala Isaac "Aye Mira" Sanchez.

Hey GIRL! I really mean, HEY GIRL, over at 113 San Jacinto, Sister's Edge II shot right out of the gates last Saturday for their grand opening. Spearheaded by GM Margie, as

seen here, with Darren, Eddie, Bobby, Rose, and Randy, the gang at SE2 managed to service over 1,500 people walking in through the doors to show their support for the new "Ladies Bar" in Austin. Louie, Brandi, and Mari had nothing but mad love for the bar and had a

# DALLAS TEA

Last week was a great weekend for going out in Dallas. The weather was nice and there was a charge in the air that gave us the boost we needed to make this week's run in Texas all across Dallas. We started out our club tour at the super sexy hot spot, BJ's NXS. Great drinks and even better eye candy hanging at the door. With Frank at the door with the trusted doorman Michael we almost forgot that we were thirsty. If your looking for good times at BJs, we can truly say the fun starts at the door.

while you get some fantastic entertainment by the queens who take their stage during the evening. We had a wonderful time topping off our tanks, and the service, and company of Brian and Clinton was superfluous.

With our camera in hand and our energy levels at maximum we rolled around the corner to The Round Up. This country hot spot on the lovely manicured strip a la Dallas is always a must go. Studs in wranglers every where, and great drink prices always get us in the mood to slide across the floor for a little boot scoot' in. While there we also so happened upon the Cedar Springs Merchants Association. It looked like serious business so our trusted camera man Brett snapped this nice picture and took off to wrangle up some other action.

Over at the Eagle we always know what to expect when we walk in. Leather Daddies, hot "Boys" and always a command of respect flows through the air as this bar likes to keep it's customers in line. First in line this night was Boy John being lead by his faithful Daddy friend Sir David. Just look at John in the down position, I think I might trade my puppies in for

one of those, I might be able to have better luck when it comes to training.

We took a break last week in between our club jaunt to refuel with some great Italian cuisine at Hungdingers. We just love to eat at this cute little spot. Great service, great food and all the

Last on our run through D-Town our cruise cam slides off the strip and over to the new Brick. This hot spot will play host to some dynamite parties and seems to just keep on keepin' on. The club was packed and the drinks were flowing, and the entertainment was non-stop. We were dazzled this night by the graceful and stunning Camille. The rest

of the night was spent laughing and carrying on over longneck beers and heavy flirtation with all the fine menz that walked through the door. At last we had to leave through the very same doors, and as we did, we made sure The Brick was on our daily planner for a quick return back.

# HOUSTON TEA

Our sinfully sexy Houston Flyboy, TWT representative, Bob, races across Houston this week to bring us some super sizzling tea to entertain you. We sent our cruise cam out to In -n-Out first to catch up with our friends out there. This neighborhood like bar is a sure fire fun spot when comes to knocking a few cold ones back and have a good old fashion good time. We catch this dashing duo, Be and Travis

having a marvelous time while celebrating Travis's 29th birthday. Travis tells us that he feels he may be looking a tad on the old side, but from where I'm sitting I can assure you with the hand I'm typing with,

and the other that has a bottle of Wet lube in, your looking juusst fine.

With an itch in our hitch, and the need to gig, we step on over to The 2020. This monumental dance hall continues to amaze the gay Jesus out of me with the multitudes of people who flock to this spot to showcase there moves. They are just crazy packed, and with our busy schedule, were not able to stay long and show off some of our own moves. I can promise you though, next time I'm in H-town, I'm bustin' out my new move, "The Twit", it's

a gayed up version of the running man, kid-n-play kick, with a touch of soldier boy, and a flair of vogue. This will be followed by me passing the hell out from being to damn drunk and having no business acting such a fool, but I'm still going to do it anyway.

Now you may be saying to your self, "Why is

TWT at Guava Lamp so late?" The explanation is simple, because they are having a Top DJ Contest every Saturday to find them selves a new DJ. Here we have the host of the competition Special K, and last weeks winner DJ Novem. The finals for The Top DJ Contest will be held on the 28th. We caught up with, super cool, loves us long time, bar owner Woody, posted up with Eric as they watched all the DJ hotness going on this night. By the way, we did partake in the fabulous

\$4 Long Island Ice Tea and it was tasty as always, all 6 of them.

Last party on our dance card last week was South Beach, the coolest place on earth, but also the hottest supplier of fagtastic pretty faces and party people. Just ogle this picture of Jeremy, Josh and Jared. All hot, and all of their names start with the letter J, and all have now become my new screen saver for the week. Everywhere we turn inside SOBE there are fabulous things going on, and this week, on the 21st, they will be celebrating their 8th year anniversary. Happy birthday guys, keep making our fantasies come true.

# SAN ANTONIO TEA

OMG, that's a texting abbreviation for holy shit or something like that. What ever it means, you can place that by the night we had last Thursday at the Silver Dollar. We were fortunate enough to be invited out to see the Queen of the Silver Dollar pageant and the place was packed ass hole to belly button with all of San Antonio's most gayest and influential people in our community. The contest this year had 21 contestants and was said to be the most successful Queen of the Silver Dollar pageant ever. With Skip manning the cruise car, he was able to snap this picture of Bubbles, the winner, and some of those who turned out to make this event so successful. In no particular order we have in this picture Carlos, Rick, Paul, Jeff, Greg, Ram, Matt, Rodger, DJ Dru from the Bonham, Bubbles, Monica, Chata (as in Chata F%\*@ up), and general manager

Peter down front. We are pleases as poppers that this event went off so well and a special congratz to Miss Bubbles on grabbing the title, the crown, and our ass. We are sure to be back for more next year.

Down a couple blocks the Heat was fired up as Erica Andrews and the show gurls were doing there thing. The club was packed to the girls with flawless boys running around shirtless, and there was electricity in the air as all who were around the dance floor waited in great anticipation for the guest Diva of the night, as were we.

The one and only Shae Shae La-Reese was there to stun the crowd and show San Antonio just what perfection looked like. While pursuing a pic of LaReese, we ran into a diva that tried to diva us down, but that didn't phase our photographer because moments

later, with all the class in the world, Miss La-Reese stepped out for this super hot picture. It was a pleasure seeing Shae Shae, and we can't wait til she makes it back to Texas. That's the thing about these 'classic' girls, they know when the paparazzi are calling and how to croon to them.

Just next door at The Saint they too had their own show going on. On this last leg of our tranny chase through San Antonio I was looking for something grand with out attitude and something grand we did find. A grand personality with even grander ta-tas, Tera Matthews was ever so happy to stop -n- pop a pose for

our cruise cam right in the middle of her MC-ing duties this night. The Saint this week, Thursday, has a

special guest and long time girlfriend of TWT, Leandra Lang. Ever so pro, Kourtney and Leandra posed for this picture with out complication and send out there hugs and kisses to all the San Antonio boys out there.

Our last stop on the strip was over at Essence. With some great drink prices and massive floor space, this place has become the ultimate hot house of cruisers. We catch

Therin hanging out and hanging out with Alex and Steven. Essence and its new owner have sure proven to us that this establishment is no joke.
