# GROOVELINES

by DJ Chris Allen

FOR YOUR ENTERTAINMENT  
**ADAM LAMBERT**

Howdy disco citizens! It's time for your weekly dose of Groovelines – your source for what's hot and hip in the land of electronic dance music and beyond.

Over at iTunes, and hot for digital download, is the sensational new album from American Idol runner up Adam Lambert – *For Your Entertainment*. The album was released just days after his “shocking” and “controversial” performance on the 2009 American Music Awards. LM-

FAO! If it had been Britney they would have applauded, but instead it was a cute flamboyant gay man. Shit yeah! Welcome to the 21st century bitches. Adam Lambert is like a modern day Freddie Mercury – a precise often over the top and theatrical performer oozing with raw talent and creativity, who just happens to be out. Pretty much everything Clay Aiken isn't. Adam's debut is a highly entertaining and inviting blend of rock, pop, wave, and electronica. I think iTunes put it best.

“The most fascinating vampire that American Idol ever produced enters the arena without fear of judgment. *For Your Entertainment* captures Lamberts flair for the bombastic, a trait that made him a fan favorite. As the title track shows, Lambert's debut unspools like a big budget blockbuster with a synth heavy rock/pop soundtrack. Buffered with superstar cameos from Pink, Lady Gaga, Rivers Cuomo of Weezer, Matthew Bellamy of Muse,

## ADAM LAMBERT

and Justin Hawkins of the Darkness. Lambert emerges from the shadows and into the blinding center-stage lights. For Your Entertainment comes with the bonus tracks *Time For Miracles*, *Down the Rabbit Hole*, and *Master Plan*. The deluxe version of *For Your Entertainment* comes with two behind-the-scenes videos."

Didn't get the vampire reference but I did get the album. Guess it was a way to appeal to all those little girls that follow *Twilight*. Vampires are in they say. Again. For Your Entertainment from Adam Lambert - I luv it! Be sure to check out his website -- adamofficial.com.

Also digging the latest single from Tiesto featuring C.C. Sheffield - *Escape Me*. This one get reworked like a mofa by Alex Guadino & Jason Rooney, Marcel Woods, and LA Riots. Great track for the dance floor. Black Eyed Peas fans will flip over the *Invasion of Meet Me Halfway* remix ep. It features hot booty shaking mixes from DJ Ammo, WILL.i.am, Printz, and Richard Vission. Very cool release. Other noteworthy releases include *It Starts* from Alex Metric. *Make Me Dance* by B. Rich featuring Reece - the Heavy Feet Remix, *Take Me Back* from Fun Police, *Anjuna-beach* by Above & Beyond - the Nitrous Oxide Remix, and the full-length album from Jay Sean - *All Or Nothing*. Great stuff. You'll find those floor fillers and more online at iTunes.

I also recommend you stop by Masterbeat.com and check out the latest release from Georgie Porgie's label Music Plant - *Black Traxx 1.0*. This EP features the best of the best from Georgie Porgie, Tod Miner, and G Cavelle

Project. Highlights include *Bump and Tweak*, *Are You Horny*, and *Hands In The Air*. Also digging the mixes of *I'm The Shit* by Bebe Zahara Benet - the winner of season one of RuPaul's Drag Race, also available at Masterbeat.

You can hear me play these mentioned hits and more weekly at Meteor in Houston and at Halo in Bryan/College Station. Be sure to tune into Hypersonic Radio every Saturday night at 10 pm on 101X in Austin or stream it live on the web at

A quick reminder for all of you electronic and dance music acts and producers who have product available to purchase online - send me your tracks and/or your e.p.k. to [djca.groovelines@yahoo.com](mailto:djca.groovelines@yahoo.com). If it kicks ass then I'll let the world know. Let me have it Texas! Send me your best. I dare you.

Deep in the heart of Texas, that is the Groovelines for now. You know the golden rule boys and girls - play it loud and disturb the neighbors! The scene can only grow and thrive if we participate in it folks. It exists because we make it so. Be active, support your local talent. Buy, don't share.

**Remember, life might not always be the party you had hoped for, but while you're here you might as well dance.**

# HOROSCOPES

BY JAIME

## **Aries** (March 21-April 19)

News to do with a friend or loved-one could be quite a shock, they too are stunned by what they hear. If you're single, you're strongly drawn to a new colleague or neighbor, wild stallions won't be able to drag you away from the multiple love interest you may encounter this week, you are a carrier bag and life is one big supermarket.

## **Taurus** (April 20-May 20)

There are questions you want answered but because of the sensitivity of the topic, these aren't going to be easily acquired. It might be sensible to put out the feelers and make some discreet enquiries before getting into emotional or personal discussions. If you keep repeating it, it might come true. Sing a song inside and to hell with the dark clouds that await you.

## **Gemini** (May 21-June 22)

Teaming up with a talented person will help you develop your creativity and uniqueness. You have talents others envy and you will be making use of these now, as you work on something that means a lot to you. Many weeks have passed since the restraining order was placed on you, send a card to say hi.

## **Cancer** (June 23-July 22)

The desire to help someone make something out of their life could mean a personal sacrifice on your part. You will willingly put yourself out temporarily if it means you get to see a friend or loved one change their life for the better. You might have some ideas for the future of a special relationship. Today will seem like a good day for disregarding advice concerning things that are generally considered to be bad for you.

# AUSTIN CHRISTMAS LIGHTS TOUR

**Leo** (July 23-August 22)

The future you had imagined for yourself seems to be changing as you discover your romantic destiny doesn't lie where you thought. A partnership that had been fun isn't the pleasure it used to be. There's someone you are drawn to and you can't get them out of your mind, forget about them, buy some extra pillows and spoon with them...

**Virgo** (August 23-September 22)

The person who could benefit most from your love and affection isn't far from where you live. Join friends at a concert or movie. You need a break from all that is going on. You could be making a big deal out of nothing, knock off the servile act and admit that you are a cunning, underhanded wretch.

**Libra** (September 23-October 22)

If you hold back from telling someone what you want them to know, you might never get another opportunity. The chance for a heart-to-heart comes your way early in the week, be sure to use it. The time has come to reveal a secret you've held in your heart for a while. Your true powers lie in your great ability to organize people – against you.

**Scorpio** (October 23-November 21)

A senior colleague's evasive answers are making you nervous. It is entirely possible they know little more than you about a situation that's causing you concern. There's really no need to panic because someone appears to be secretive or cagey. The last few weeks have seemed like hell, get ready there is more to come...

**Sagittarius** (November 22-December 21)

You have a yearning for the unusual and unconventional. Over the weeks ahead you might expect sudden and spectacular romances accompanied by equally unexpected break-ups. You can take this trend as being fun, spontaneous and completely unpredictable, the quietness you're currently experiencing is unlikely to last long, so don't forget to be thankful for these quiet times.

**Capricorn** (December 22-January 19)

Don't be surprised if familiar surroundings and familiar faces somehow don't seem very stimulating or satisfying this week. Between now and the end of the month you might find yourself pondering your direction in life, the good news is, its one your comfortable with... face down...

**Aquarius** (January 20-February 18)

People you are introduced to this week could make a big difference to your future happiness. An old friend will be particularly helpful when you find yourself in the difficult position of having to be in two places at the same time. A potential mate will come to you this week and destroy your self confidence.

**Pisces** (February 19-March 20)

Finances should prosper in a modest way but it will be essential to avoid extravagance. Keep your spending as low as possible without actually stinting yourself. If your love life has been a little dull of late, you will soon be expanding your romantic horizons. The good thing about the internet is that no-one knows quite how disturbingly grotesque you, look.

*20 Years Later*

*"A chance encounter 20 years ago with a TWIT photographer changed my life forever for the better. Everyone will have their day; thanks to TWIT for making mine come true."*

Images and Coordination by Brett Vander Photography

C. Jeffrey Bowen has what many would consider a blessed life. Despite a childhood marred by mental, physical and sexual abuse and numerous moves, he has evolved into an educated man of means who is a partner in a successful company and is working on earning a Ph.D. Upon graduation from high school, he joined the Marines and was stationed in Hawaii where he pursued surfing and enjoyed life. Then he went home to Texas while on leave and a chance encounter turned into a series of fortuitous events that he credits for the good fortune in his life...

*"In October of 1988 during Texas/OU weekend I was home in Dallas on leave, and I was approached and asked if I wanted to have some pictures made and possibly be on the cover of TWIT. It sounded like fun, so I did it! That decision was one I will never regret and gave confidence and opportunity to me, which are two things I had never been given before. That cold afternoon in October 1988 walking around the State Fair of Texas with a group of photographers really did change my life forever. I thought TWIT was just a local publication, but somehow my cover pictures and article caught the eye of some very amazing people."*

*"When I returned to Oahu and back to my life as a Marine, I frequented a bar in Waikiki and was approached by a photographer who said he had been asked to locate me and see if I would be interested in being photographed by Irving Penn, because he had seen some photos of me from a friend of his in Dallas that thought I photographed well. I had no idea who Irving Penn was, so I thought it was a joke, but nevertheless I gave them my number. Three*

*weeks later military police on the marine base summoned me to the front gate, where I met a photographer working for Irving Penn. We*

*spent what seemed like forever taking pictures around the island of Oahu, but then I didn't hear anything back for several weeks. Long story short, there are dozens of photos but one of them was made into a poster and two other photos were made into Hawaiian post cards and a calendar. They all made what I considered a lot of money at the time."*

*"One afternoon after the calendars, poster and cards were in what seemed like every store in Hawaii I was walking up to the Royal Hawai-*

photos: dana robertson

ian Hotel in Waikiki, because that was prime beachfront if you like watching beautiful people. I met a guy named "Bob" who was a tad bit older than I but one of those people that you thoroughly enjoyed being around and couldn't wait to hangout with him again. My friends and I usually met "Bob" at restaurants, shows or clubs and we noticed that everyone who was an island local knew who "Bob" was and treated him like royalty. One evening after dinner "Bob" said we should go back to his house for some evening surfing. His house which was actually a mega-mansion built on Diamond Head Road in Oahu. It was then that I found out that Eaton "Bob" Magoon, Jr. was in fact a multibillionaire and a direct descendant of King Kamehameha, so he WAS Hawaiian Royalty."

"Still a bit naive I didn't fully comprehend the magnitude of his wealth, but virtually every night for over a year I would head down to Bob's house and then head back to the marine corps barracks in the morning. His 4-story mansion only 40 feet from the ocean was a bit nicer than my military accommodations. I had never been in a home with an elevator, recording studio, live-in servants, an aviary with exotic birds and peacocks. Perhaps my favorite part of the house was the garage that dwarfed most homes and housed nearly every exotic automobile on the market."

"It was some time before I made the connection that the TWIT magazine cover shots led to the Irving Penn photos (calendars, posters and post cards, and those items are what caught the eye of Bob). After leaving Hawaii I lost contact with Bob, but I believe he primarily resides in Napa Valley. I did get to visit him in Hawaii on a trip back in the late 90's, but not since."

"Another encounter I had in Hawaii was at a Pro Surf Competition. As we walked along the beach, a man eating brunch inside the Halekulani Hotel restaurant stood up and yelled my name. The man was insistent that I join his party for brunch so I did. This man was also slightly older but very kind and personable. At first I did not recognize him, but he knew who I was from the photos, calendars, etc. My lack of acknowledgement finally wore off and I realized I was having brunch with Jim Nabors, well-known as the star from the long running TV show Gomer Pyle USMC."

"Once I was back in Dallas, and out of the Marine Corps, I received an unusual phone call from a guy that lived in Arkansas stating he knew of me and asked if I would fly to Arkansas for a visit. He was a major producer of too many TV shows and Broadway plays to name."

After serving in the Marines, Jeffrey pursued his education and is currently working on his Ph.D. He worked for IBM then Deloitte & Touche before becoming the Executive Managing Partner at Bowen, Weinstein and Li, an international consulting firm focusing on consulting architects on call centers. Along the way, work took him to the Middle East

# JEFF BOWEN

OF DALLAS - AT THE 1988 STATE FAIR OF TEXAS

Jeff is a 22-year-old Aries born and raised in Dallas. He recently returned from a four-year tour of duty in the United States Marine Corps. He spent his entire hitch stationed in Honolulu where he worked in electronics and devoted his leisure time to "looking for a few good men."

Now that he's home, Jeff plans to attend the University of Texas at Dallas. Electrical engineering will be his major.

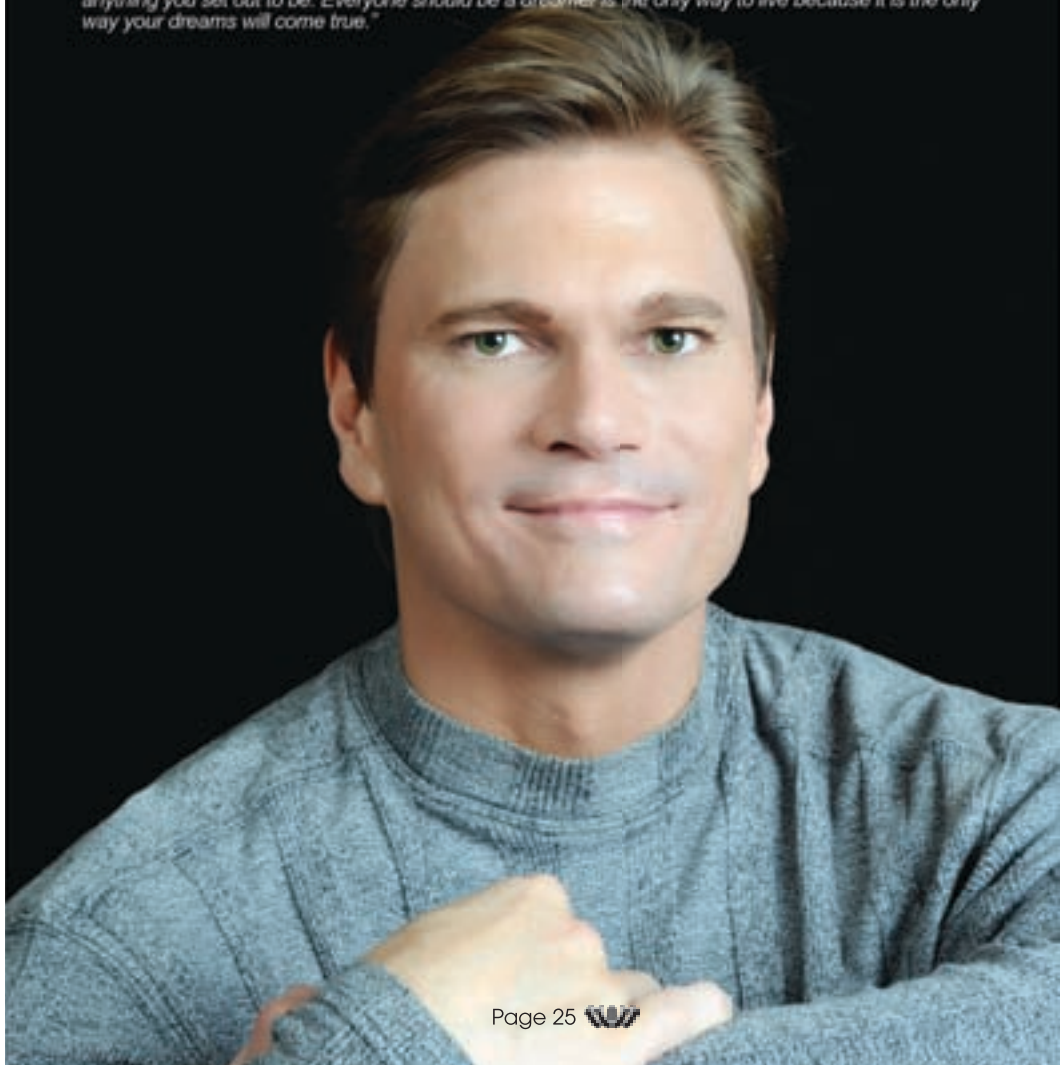

and he befriended the likes of Drew Carey and mingled with the royal families of Saudi Arabia and Qatar.

Coming from humble means has made Jeff appreciative of his material successes later in life while still staying true to the really important things in life, including friends and helping worthy causes. Currently he is active with the Make-A-Wish Foundation and the Human Rights Campaign while abused children and animals have a special place in his heart.

Excitement just keeps coming Jeffrey's way. He is currently in a relationship which he cherishes with a well known celebrity. Later this month he is scheduled to have lunch with former President George W. Bush and in December he is being interviewed by Dr. Pat Robertson on CBN.

As for one final piece of advice...

*"We really never know what's next in life; and I like so many other people growing up considered suicide on more than one occasion. Maybe we feel like we just don't fit in, or maybe there is something about ourselves we don't like. Even if you aren't rich, gorgeous or educated – tell yourself you are and believe in it. Tell other people you are rich, gorgeous, and educated even when everyone knows it isn't true. That doesn't make you a liar; it makes you a person with a burning belief that you can be anything you set out to be. Everyone should be a dreamer is the only way to live because it is the only way your dreams will come true."*

## George Michael Live in London

Edited by Chris Allen

Despite the never-ending controversy surrounding George Michael's personal life, he has always landed back on his feet and reminded us exactly why he is here. The music. In particular, his music. From his days as the front man for Wham! to his amazingly successful and lengthy solo career, George Michael has proven his worth as a master of song and performance time and time again. And he is about to do it again. He is about to, let us have it. We say bring it!

On Tuesday, December 8th, George Michael is to release *Live in London* - a special 23 song full concert DVD. This is the first live DVD of George's 30 plus year career. Recorded and filmed at the final two concerts in London's Earls Court arena on August 24th and 25th of 2008, these highly anticipated shows marked the end of George Michael's triumphant 25 Live Tour and were the last chance to catch George performing on a stage of this magnitude. *Live in London* premiered for a special one night only showing in digital cinemas in cities throughout North America on December 3, 2009 - including sold out theatres in Houston & Dallas.

*Live in London*, directed by award winning director Andy Morahan, features tracks from George's celebrated career including *Careless Whisper*, *Freedom*, *Faith*, *Everything She*

**Wants and Amazing.** A special behind the scenes bonus documentary, *I'd Know Him A Mile Off*, offers a glimpse behind the magic of these sold out shows even shadowing the man himself before and after his performances on stage. *Live in London* will be available worldwide in two formats, double disc DVD and Blu-Ray disc.

When George first announced his 25 Live Tour tickets were snapped up in minutes. The critically acclaimed tour saw George perform in front of over 2 million people worldwide with a 49 date 25 Live Arena Tour and a 30 date 25 Live Stadium Tour. In Summer 2008 Michael took his 25 Live Tour to arenas across North America for the first time in 20 years. In London alone, 350,000 people collectively watched him performing in Earls Court, Wembley Arena, The Roundhouse and the newly renovated Wembley Stadium, where he made musical history as the first artist to perform at the momentous venue in June 2007.

His exceptional performances in the UK, Europe and North America received unprecedented praise from both critics and fans across the globe.

*"George proved he is simply one of the best vocalists this country has ever produced."* - The Sun

*"King George still reigns supreme"* - Mail on Sunday

*"A masterclass in pop genius"* - The Observer

*"A tremendous singer, a complete showman. All George Michael needs is a mic, his songs, and the magic on stage is instantaneous"* - La Parisien

*"As he closed with the still stirring 'Freedom', his hands raised high, testifying like an evangelist for self determination. Then he was on his knees, giving the 'I'm not worthy' bow several times towards his fans. His crowds roared back, still dancing to the music, suggesting that maybe he was"* - Rolling Stone

George Michael is one of the world's most successful male artists, selling over 100 million records world wide and encompassing 11 British No.1 singles, eight British No.1 albums and six US No.1 singles. The Multi talented artist also proved to be a big hit on the small screen as he parodied himself in Christmas specials of the hit UK television shows 'Catherine Tate Show' and 'Extras'.

Last year George participated in US sitcom *Eli Stone*, where each episode was titled after a George Michael song and George made several appearances throughout the series.

There will be release parties for *Live in London* throughout December in the lone star state - including JRs in Dallas and Meteor in Houston. Check the web for scheduled dates.

Pre-order your copy of *Live in London* online today at Amazon.com. Check out more of the entire George Michael song catalog at iTunes. For info on this astounding holiday release, and George's beautiful new single and animated video - *December Song* - head on over to [www.georgemichael.com](http://www.georgemichael.com). *Live in London* is sure to put a happy smile on the face of your special someone this holiday season - even is that special someone is you!

# Movers n Shakers

Hot House Entertainment

Mario Mares

The quintessential man to porn, Steven Scarborough has done it yet again with "Movers n Shakers". Getting together an "A" list of performers is never an easy task, but somehow Steven always gets it right! Hot House Exclusives Kyle King, Paul Wagner, Vince Ferelli, Johnny Gunn are joined by Rod Daily, Josh Griffin, Berke Banks, Dakota Rivers and Beaux Banner. If you are into porn like I am, then you truly won't be disappointed in this DVD. It's filled with sex from the beginning and goes straight through until the very end.

This movie is all about moving, packing and getting it on! Paul Wagner and Berke Banks start us off by going down memory lane while moving and packing up boxes. It doesn't take long for Paul to be down on his knees servicing his good buddy Berke. Berke is very vocal with Paul telling him how much he enjoys getting his dick sucked by him. But don't think it's all one sided, Berke does reciprocate swallowing up Paul's cock as well. Paul however is not satisfied until he has his ass full of Berke's cock. The oddity to all of this scene is Paul leaves his shirt on the whole time. It's hot and sweaty and it shows by Paul's sweaty pit stained shirt. For those of you who are truly into real men then this is a must scene. You know a real man will work up a sweat doing hard labor and Paul shows us he is a real man! Both men blow great loads for us.

Our next scene is Kyle King and Rod Daily. Rod is being very bossy to Kyle and Kyle tells him to "stop bossing me around". Well Rod isn't finished bossing Kyle around and orders him to his knees to suck his dick! Kyle responds well to this and does as ordered. Well Kyle needs more than to just suck a dick and stands up, turns around and bends over for Rod to fuck him like mad. Lucky Kyle gets just what he wants from the bossman as he takes Rod's dick like the pro that he is. But Kyle also has other ideas and decides it's his turn to fuck Rod. Rod takes it from Kyle and enjoys being fucked as from the expression and vocal abilities from him. This is a great flip flop scene. Kyle and Rod both give us great money shots as they spatter each other with cum.

Hirsute Johnny Gunn has an office full of furniture that needs to be moved and has hired Dakota Rivers and Beaux Banner. Dakota comes in with Beaux and immediately offers up Beaux's hot greedy hole to Johnny to fill and will take \$40.00 for services. Now for those of you who have never had the pleasure of seeing Beaux in action, you are truly missing out. This hot little tight bodied man is simply gorgeous and one of the best new bottoms in the business. I don't know if he is

gay for pay or gay, but Beaux truly loves getting his ass fucked like no one's business. Beaux has a beautiful white ass and it truly knows how to work a man's cock. This young man is going to have a very bright future in the business and will most likely win Best Bottom at some of the upcoming Gay Award's Shows. Other hot bottoms in the business take note, there is a new man in town and he's going after all of you and your titles as Best Bottom.

Bodybuilder turned burglar Vince Ferelli and Josh Griffin decide to go and rob a office filled with computer equipment. Instead of robbing the place, Josh has better ideas as he once they get there as the office has already been emptied out. Josh takes it out on Vince's hungry mouth and equally hungry ass. Now these two hot muscled men are just simply oozing testosterone. It's truly gratifying to see muscled men in action and knowing how to satisfy each other. Vince loves dick and he yells at Josh to "fuck the cum out of him". Not wanting to disappoint him or the viewers, Josh does just that!

I thoroughly enjoyed "Movers n Shakers". It may not have a lot of dialogue but sometimes you don't need it. All the performers are simply that. Great sexual

performers. They do have some speaking parts and actually deliver what few lines they have very well. Some of these men may be new to the business but will stick around for quite awhile. Rod Daily is a superstar in the making. The Hot House Exclusives, Kyle, Paul, Vince and Johnny all have great careers ahead of them and awards coming to all of them. But Beaux Banner simply takes my breath away. He is simply gorgeous and has the best ass in the business that I can see at this moment. Many tops in the business will truly want to get a hold of him and take him on. Maybe

Beaux will actually wear out some of the best Tops in the business.

You can go to [WWW.HOTHOUSE.COM](http://WWW.HOTHOUSE.COM) to order this DVD. All photographs are courtesy of Hot House Entertainment. I do recommend this DVD. Also I recommend, Reckless and Reckless 2. Also the entire Skuff Series, for those of you into more intense sex are always great to add to your Porn Collection if you don't own them already. You may also reach them by calling toll free 1-800-884-4687 and speak to one of their Customer Representatives.

# AUSTIN TEA

Deep in the ever loving bosom of Austin we start out our most thankful gay flavored tea trot across the Capitol City. On 4th street we dash right into Dilcan Harry's to catch some merry holiday fun with Matteo, Rixy, and Nick.

As always this joint is bumping with different themed parties and goings on every night of the week. One could plan their whole week around this bar. If it's not the events that attract you, like me, you plan your goings out to OCH by the bartender schedule on the back wall. At least for me, I find that you can catch a variety of hot boys tending bar every day of the week whether it is Matthew at happy hour with his boyish charm, or Joe on the patio holding court, or the studs at the main bar like Tony, RJ, Brandon, or George. You can rest assured that when you are grabbing a drink you'll be wanting to grab some cock as a whole lot of sexy is being served up with every drink here.

All horned up and ready for more action we slide over to the only other reason to party your gay ass off on 4th, Rain. Whether it is your first or second stop on the 4th street fun fare list, this night club is nothing but sheer electric gayness. A magnet for the trendiest of gay go-goers, Rain continues to hold court to those disco monsters who crave nothing more than being amongst "The Crowd". Amongst

the crowd we find Daniel, Kenny, and Nicole having the time of their life as we had to drag them off one of those sexy beds on the patio just to get this picture. It is always a party pleasure of ours to grace this popping night club and we metaphorically have to high five owner Dave P. on being the only straight gay bar owner in Texas, that we know of, who knows how to "give it to us", Oh Dave! You always hit that spot.

It has been a long time-a-cuming since we boot scooted our asses over to Rusty Spurs a la Emerald City con Colors over on 7th. So beer, and a howdy was in order as we strolled in to Jim's country pleasure palace of gay sawdust delight. We looked hi and low for Jack Heffington to complete the total Rusty Spurs experience, but to no avail. We did find Jen and Ross hugged up on each other

as they wish all of gay Austin a happy holiday season.

Over on the Ladies side of Austin on San Jacinto we have Sister's Edge II stomping a lesbian size hole in the GLBT scene. This SE2 has turned this venue into an overnight success

and has done it all with true grit and girl power. Ladies from all over Austin and afar have been swarming to this spot to celebrate love, sisterhood, and even an occasional birthday

# AUSTIN TEA

as seen by this fantastic group of girls. Courtney, Ana, Bianca, Drea, Marissa, Cassidy, and Ashlie partied the house down this night and says this place is the sprinkles on their hot fudge Sunday, just marvelous.

Over at Charlie's on 13th our trusted Austin representative Isaac "Aye Mira" Sanchez parked his Mybeck in the free parking across the street and headed inside to partake in Charlie's annual Thanksgiving Day feast. 10 turkeys, 5 hams and trays of food galore crowded the tables as Charlie's managed to at least feed a 100 more patrons than last year. They stopped counting around 300 served. Below are some pictures of this Turkey-nic gathering with the likes of David Green, Marcy Fletcher, Glen, Tuck, Nitsy, Joel, Tony and the many volunteers that pulled together to make sure that they provided the most lov-ur-ly of service. Happy holiday wishes are sent out by David Green, Ray McDermott, Tino, and all the gang at Charlie's. They'll be doing it again for Christmas Day. Kudos to all from TWIT and we look forward to more!

# DALLAS TEA

After a holiday style and highlight at Zen Salon, we start out our week at Mickey's for their Fiebre Latina night and immediately come in contact with the mucho guapos, Alex, Cesar, and Tyler. Every where we turned there were boys of the most mucho caliente variety bop-

ping around this social hang out. No hot tamales here, but plenty of chorizo was being served up by the hotties and hunnies behind the bar at Mickey's.

Over at Escandalo we find some of the most breath taking Goddesses on stage for a pageant. In attendance we find Lily Foxh hugged up along side our most favorite Latina firecracker, Erica An-

draws. Aye Miral! As my home girl in Austin would say, as the night at Escandalo was loaded with hotties like Javier and Jack sandwiching the lov-ur-ly Lily. Gurrmt, what man catcher perfume are you wearing? Ya herrrrr meh?

With all the fun and excitement that goes on at the strip in Dallas, nothing pleases us more then to stop in at Hungdingers for an after-

noon lunch of the finest Italian cuisine. We find our friends Twila and James on this brisk afternoon warming up in the bar section of this cute restaurant to a nice cocktail and social gay goodness.

The last stop on our Dallas run we stop to sip some tea with manager Miss M, and to see what fabulous people are running around just off the strip. In no time the lovely Terry, Audry, and Jeff graced this nifty nook and joined us for an evening of cocktails and cock stories. When you're looking to get away from the

mainstream hustle and bustle, head on over to illusions and make yourself at home.

# HOUSTON TEA

As the Thanksgiving weekend was in full swing, we knew the first stop on our turkey tea trot was going to be over at Male U Wear so we could get some sound advice from

Sexy Santa. It was just amazing all the underwear tips Santa had for us. Though the best shopping tip we received was the one we got when

we sat on his lap.... Ahem. Tim and his gang of Sexy Santas sure did get us in the mood, for shopping that is.

With a load of undies in hand and a bead of sweat on our brow from sitting on Sexy Santa's lap we headed right on over to Guava Lamp for a sexy \$4 Long Island Ice Tea. Like an early unwrapped gift of hotness, bartender Brooks served us the tasty tea we needed and politely instructed us to be sure to come back on December 20th for the Osito benefit with special guest Bianca Del Rio.

Over at EJ's it always seems like a holiday. Always a great crowd of people, and the staff always makes sure to treat its customers just right. As the bartenders are willing to serve, they are also willing to go to any lengths to make them happy as well. A perfect example would be the wilful submission by bartender

David to the joys of Brad and Randy as they get served their drinks and a little something on the side.

As always, Saturdays remains one of TWT's favorite nights to go out and about in H-Town. We start out this Saturday evening inside TC's, where the shows are almost non stop.

In between the fabulous entertainment we were able to rub up against Mark, Alvie, and

Keith and persuade them to get sexy for our cruise cam. On a personal note, Alvie, thanks for rubbing back, we'll catch you at The Club.

Choon, Woot, and 11111, are just some of the many comments you'll find online when referring to bad ass mixes fed live across the web for DJs. Well woot to the mother f'cking woot

with a mighty choon and a side of 11111s as DJ Brett Hennrichsen took over the DJ booth at SOBE this last Saturday. Flyboy Bobby and Brett Hennrichsen popped a pose before the show and what became an epic night of dancing boys from all over Houston. We just had to pull this sexy stud from the crowd, Bryan, to show you all what we are talking about! Congrats to SoBe, the Coolest Place on Earth, on 8 hct years!

# SAN ANTONIO TEA

We have found the best way to work off that Thanksgiving Day feast is to work your way through the immense crowd that packs The Bonham Exchange every weekend.

With several huge areas to dance your ass off, one will feel as if he is in work out heaven. As we are slow moving we start out our work out with a little dick dancer-pising. A low impact exercise, but the calorie burn is well worth the many dollars it takes to achieve nirvana with this hottie naughty dancer.

Over on the strip The Silver Dollar has their hottie naughty bartender slinging drinks to the masses of this Tejano/Country style set of the gayest yee haw. With Bubbles dressed in his all black attire we just sit and stare while we come up with ways in our head on how to get him on the cover, or underneath some SD also welcomes this holiday season the talents and musical gifts of DJ Dru who now takes the helm inside the DJ booth for Generations which is housed inside Silver Dollar.

Just down the street past Zebraz we find ourselves at Heat. The strip's hottest of hot spots. This Thanksgiving season we take the time to tip our hats and give a hearty, gratuitous hel-lo to Paige Taylor and the rest who guard the door. They are just some of the coolest cats on the strip and we never have to wait in line. For that, we are thankful. We are also thankful this year for the mighty fine shot boy, Jaime, who found us in the nick of time, and made sure that our tremendous thirst was quenched. We made sure to tip him with our tremendous, ough, smile and a couple bucks. Yeah, that's what we did to him. Hey Jaime,

our number is on the back of the card; call us so you can get that "other" part of the tip. We can meet up at ACI... ahem.

Last stop on the strip on this tasty tea run is across the street from Heat. As we stumble and mumble about

the street we find our merry asses inside The Saint. Show Palace of the Southwest and super fun dance club, the Saint always turns it out during the holidays. Another hottie on my Naughty Chaser List, Odysea Raven downs this lacy little number as she Vogues her best Madonna for the crowd, and she was dee-ee-ee-lish. Whether your looking for titties on your

# SAN ANTONIO TEA

back or up in ya face. The Saint remains home to some of the most talented show girls this side of heaven. Lorraine will testify that when it is heaven your looking for, The Saint is a God send.

Before we head out to our last club stop for more drag-astical entertainment we wander in to On Main Off Main for a little holiday shopping. This finely polished boutique is

just one of the many gay owned and operated establishments that cater to all walks of life, straight or gay. We just wanted to take a moment to show you this cute dancing Santa that was accidentally swapped for a Fiesta Santa in our gift guide last week. Even though both Santas are great, I personally am having a blast with my new dancing Santa and have already made a spot for him to boogie the nights away right at my desk.

On our turkey flavored tea run we head on out to The Point. This little hot spot is quickly becoming another "must gotta be at" spot in San Antonio when it comes to drag. You know me, where there are queens, I am a chasing. I caught Kylie Crawford up in here last weeks and over the years she has become one fire cracker of a performer. To my surprise we ended up catching the ever stunning Felisha Andrews onstage. Although once hesitant to pose at another club, we captured her here with her mouth swinging to some lyrics. Paparazzi prevails once again! Beautiful gal, no Tea

This last little drop of tea comes out of our dear friend Patrick's cup. You see, we see sista Patrick all the time by the TWT headquarters in San Antonio at the Diamond Shamrock, Walgreens, HEB, and other real high traffic areas that a hooker would work. When we see our super marvy pal Patrick she is always talking about going here or

there and "oh, do you remember when" and all that kind of fluff. Well, when she said "I haven't been to the Galleon in a long time I'm gonna go and send you pictures", we said "go ahead". So here you will see Patrick's flash back travels as she parties it up at "The Galleon" as you see her here on the left sandwiching a cute Latino boy with her pal Jerry, on the right, and two other pictures with her buddy Rodger posing with the security guy in the parking lot. The only problem is this bitch

here thinks she is at "The Galleon" when she has been getting trashed for at least the last 5 years that I have known her at the Annex. WAKE UP HOOKER! By the way the pictures are great, thank you Patrick.
